DIRECTOR'S REPORT AUGUST 2019

BRANCH UPDATES

KDL's Year of Learning is about equity, diversity and inclusion. It has been seven months since the launch, and managers were asked to respond on how staff have received this initiative and what they are doing in the branches to promote it.

• CASCADE

KDL's Year of Learning is centered on diversity and inclusion, and many of the staff at Cascade have taken this to heart. In addition to those who are working on their diversity/inclusion journals, Cascade has focused on this initiative in several ways. Discussions about diversity and inclusion are incorporated into morning huddles and, at times, book talking and recommending materials are included. Cascade staff indicate that they are also more mindful of diversity and inclusion as they select materials for display and for outreach. More than one staff person at Cascade has a personal background outside of the United States, and the team has begun having discussions about different types of traditions. Staff are planning a series of Culture Nights in the winter that will celebrate the traditions of other cultures. Finally, staff have also converted the single stall staff bathroom from a Men's bathroom to a Unisex bathroom and discussed how this might benefit KDL staff and how this can be an option for the public if a Unisex bathroom is requested. Overall, it has been a good opportunity to further consider the needs of those around us and how staff can best show kindness, empathy and love to people of all backgrounds.

• ENGLEHARDT

At the Lowell Branch, much of the Equity, Diversity and Inclusion (EDI) efforts have focused on book displays, but some other things as well. In the teen section an ongoing LGBTQ book display is featured, and near the service desk there is the "Community Conversation" display. This is changed out monthly to reflect not only national issues in the news, but local ones as well. Titles

reflecting all viewpoints are brought in and displayed. At Englehardt there is a small group of patrons with hearing impairments. In order to better serve them, Alantha Owen has been taking sign language classes. Through this, staff have learned that there is an informal meeting of people

who are deaf and hearing impaired at the Rivertown Crossings mall. Staff had an initial conversation with the Outreach Department about possibly working with this group. Recently, staff also had a book discussion using one of the titles from the KDL list, "A Place for Us." Angie Royce took on the responsibility of arranging and leading this discussion. All of the staff members able to attend really enjoyed discussing this book as it is about the lives of an Indian-American Muslim family.

• KRAUSE MEMORIAL

At Krause Memorial Branch, staff are very intentional about creating diverse displays for patrons. During this year, a two-month long Coretta Scott King Award display and an LGBTQ+ teen display were featured. When creating other displays, youth staff make diversity a priority, working to make sure at least half of the titles selected represent characters & authors from minority groups. Krause staff also promoted Trans Visibility Week (March 23-31) by creating a transgender display towards the front of the library where it would be viewed by as many patrons as possible. The display featured awareness flyers, a book display, book lists, and a display backdrop of the trans flag. The goal was to educate patrons and to demonstrate that KDL is open and welcoming to all people and all viewpoints. In addition to various displays, youth staff will be incorporating some Spanish into storytimes this fall. Staff work to provide an open, welcoming environment where everyone can find a friendly face, ready to help them with whatever they need.

• NELSON/SAND LAKE

The Nelson/Sand Lake branch has done a number of different things, as a team and individually, for the Year of Learning. As team, a large part of the Branch In-Service in July was dedicated to the Year of Learning: staff watched and discussed several TED talks, and thoroughly enjoyed the one by Temple Grandin that talked about how the world needs many different kinds of thinkers. Staff also took personality tests and delved into the diversity of staff's personalities – the differences and similarities to one another. Individually, several staff members have read books on the book discussion list and have discussed them with each other. Additionally, some staff have also gotten out of their comfort zone and attended cultural events that they normally would not have.

• PLAINFIELD

The Plainfield branch has put forth a team effort to promote diversity and inclusion in the branch and staff are epic supporters of each other as everyone grows and learns more about the community, the patrons, diversity and inclusion efforts, and how staff can be more inclusive, inviting, and welcoming to all people. The team holds regular daily huddles with the Spencer staff where there is a daily focus that typically requires deep contemplation and self-reflection. These can be very challenging questions like: reflecting on personal biases, how to show compassion and to whom, or where staff feel most comfortable. Through this, staff have developed a safe, caring environment that promotes conversation and acceptance. Staff members are encouraged to share their responses and feelings throughout the day, and the team has grown stronger because of this.

Plainfield staff have also been assessing the physical space and making improvements to be as inclusive as possible. All of the signage for the stacks has been updated to increase visual accessibility, and staff undertook a huge project of rearranging the Adult Non-Fiction and Adult Large Print sections in order to make the collection easier to browse and more accessible. Staff have also made personal commitments which have been shared with each other. For example, Adult Paraprofessional Faye Harbison has committed to learning Spanish and the

team is supporting the goal with a 15-minutes-a-day language learning promise. Staff don't want to keep the Year of Learning to themselves, so Plainfield is involving patrons whenever possible. Adult Paraprofessional Dave Fletcher has been out in the community promoting KDL and bringing buttons encouraging diversity and inclusion with him. You might have caught sight of him at the GR Pride Festival or during the Northview Mobile Library outreaches. Plainfield staff are excited and encouraged by KDL's Year of Learning and can't wait to keep growing and learning as a team.

On another note, shout out to the amazing Plainfield Township who was able to repair the wall – good as new!

• SPENCER

The Spencer branch fully embraced KDL's Year of Learning initiative centered around diversity and inclusion, and throughout the last eight months the team has taken steps to help each other grow into these efforts. Each staff member has been looking for opportunities in the community to further educate and expose themselves to new experiences, and then share these learning opportunities with one another.

Spencer has a diverse range of patrons and when there isn't a bilingual staff member in the branch, staff have begun utilizing technology communication tools to better assist patrons. Staff work hard to develop relationships with patrons and having additional tools ensures staff are giving each and every patron the service and assistance they deserve. Staff have also participated in workshops and conferences focused on diversity and inclusion. In June, Branch Manager Kai Tang attended the Lakeshore Ethnic Diversity Alliance Summit at Hope College and participated in several different breakout sessions on race and inclusion. After the conference, the team discussed the topics and main takeaways in-branch. In October, Adult Paraprofessional Clyde Waltenbaugh Jr. will go to the Michigan Library Association's Annual Conference and is looking forward to attending breakout sessions discussing the science behind the brain and inclusion, a workshop on breaking down biases, and looks forward to learning more about emotional intelligence in the workplace. After the conference, the team will gather to discuss and disseminate the information learned.

Staff want everyone to feel welcome and comfortable in the branch, and that includes making sure patrons can easily find materials and navigate the space. Though the Spencer branch is a small, cozy building, staff do their best to ensure signs are easy to read, and furniture allows for movement and accessibility. Staff have updated signs in the stacks, rearranged New and Express books and created more space for patrons to peruse the Mission: Read! Booster Packs and Vox Books. As the year continues, staff will work towards the goal of diversity and inclusion for the library and the community, and staff will continue to improve and grow.

• TYRONE

The team at the Tyrone Township branch were excited to jump into the Year of Learning on equity, diversity and inclusion! During staff meetings and team huddles, staff have taken the opportunity to use the diversity ball and discuss articles and TED talks on diversity, such as Robin DiAngelo's TED talk, "Deconstructing White Privilege." This year, Katie Mitchell attended Spring Institute and Emily Bantel attended ALA 2019, and both team members made a point of selecting seminars on Year of Learning topics. They then brought back what they had learned to share with the rest of the team.

The team has made a point of utilizing diversity and inclusion when selecting and scheduling outreach and performers for the year, and this has encouraged one another to ask what more KDL can do to reach those in the community who need the most. For the past two years, youth staff at Tyrone visited the Kent City Schools Summer Migrant program and the Kent City Migrant Head Start for weekly storytimes. Last year, the youth team increased their efforts by working with teachers so that all kids in the programs participated in the summer reading program and received a book for completing. This year, staff asked, "What more can we could do to

include KCSMP students and their families in the Summer Reading Program?", and it was concluded that a big performer needed to be scheduled! On July 25, staff brought "Uno, Dos, Tres with Andrés" to the middle school and encouraged the entire community to join the event. Andrés and Christina, an energetic duo specializing in multi-lingual performances for children, were a fantastic treat for KCSMP students and community members. The kids (and adults!) danced their hearts out and sang in English, Spanish and Sign Language. Over 115 people, including kids from Kent City Schools Summer Migrant Program and community members, attended the event. Later that day, Katie Mitchell was invited to KCMHS Family night. Plans for next year are already being developed!

• WALKER

At Walker, staff have participated in several activities centered on diversity and inclusion and a public book display was created for International Transgender Day of Visibility. Staff have been reading the suggested books from the Year of Learning booklet and talking about the topics on the diversity ball at morning huddles. During morning huddles when the diversity ball is used, staff are also sharing their life experiences that relate to diversity and inclusion. The staff also enjoyed the presentations from the Seattle Public Library at this years' All Staff and it spurred some great conversation and talking points at the table. The links to online implicit bias tests were shared with staff as well. Staff have also reviewed the Year of Learning workbook and have done some of the recommended activities from it. There are lots of fun suggestions to open staff up to new experiences outside of a work setting, such as eating at a new ethnic restaurant or watching a movie in a foreign language. Putting staff in a position where they might be the minority can be a great experience and opportunity for personal growth. This initiative has helped staff have a better awareness of being inclusive to all visitors to the branch and encourages them to go the extra mile to make sure everyone who visits feels welcome here.

• WYOMING

Anjie Gleisner, the new Wyoming/Kelloggsville Branch Manager, asked staff what they have discussed about diversity and inclusion in the previous seven months, and there is work to be done. Anjie has a plan to start small discussions during morning huddles and several members of the info team will soon be attending an external diversity and inclusion training session in November. Also, there is a plan to have a training session on inclusion as it relates to disabilities and to teen patrons during the upcoming Branch In-Service day on November 11. Until then, staff will use the diversity ball during morning huddles and Anjie will be seeking out further training options for staff members at both branches.

FEATURED DEPARTMENT: PROGRAMMING

The Programming Department was created in June 2017 and has been working ever since to support programming at KDL. The department manages programming for the whole system, and includes:

Kip Odell, Programming Manager

• Kip has worked at KDL since 2001, working at 5 different branches. In 2017, he became the manager of the newly formed Programming Department.

- He oversees and manages programming for all KDL branches, including large programs like Super Party Wonder Day, KDaLe, coding programs and more.
- Fun Facts: Kip loves soccer and most sports (Go Fire! Go Bears!). He's also a big coffee nerd and starts each morning making two double shots of espresso, called a doppio.

Diane Cutler, Programming Coordinator

- Diane joined the Programming team in January 2018 after many years of successful programming in branchland.
- Her primary focus is developing and creating the music and writing programs, including the Writers Conferences and the Write Michigan Awards ceremony. In between foot tappin' and pencil scratchin', Diane supports the Programming Team in whatever way needed, like counting out Summer Reading coupons, making sure people are safe at SuperPartyWonderDay, sending out reading club prizes and anything that involves big trucks.
- Fun Facts: When Diane isn't checking out local bands, you might find her hiking Great Lakes beaches, especially in winter. She also serves on the Planning Commission in Caledonia Township. If you are looking for a conversation starter, large trucks, tartans, Scottish dogs or transportation funding will get her attention.

Carlita Gonzalez, Programming Specialist

- After working at the Humane Society of West Michigan as the Community Outreach Coordinator for four years, Carlita began at KDL in June of 2014 as a bilingual Program & Outreach Specialist and is now in the Programming Department.
- Carlita's main tasks include: scheduling multiple presenters each season at all 19 branches, overseeing program supply orders, inventory and other program tools, maintaining and updating the kdl.org/events page of the website for patrons and staff and offering program support in any capacity to branch staff.
- At the 2019 All Staff meeting, Carlita was awarded KDL's "Unsung Hero" Award for "dedication and unwavering commitment."
- Fun fact: Carlita is known around the Service Center as having saved the break room ficus tree, prompting some coworkers to bring her sick plants.

Jake Ryan, Programming Specialist

- Jake has been at KDL since November 2018 and worked at the Plainfield Branch as a Circulation Assistant until July, when he was promoted to the Programming Department.
- His job is to provide supplies and tubs for the various adult, teen and children's programs that all of the branches do throughout the year. He is also part of the Adult Programming Workgroup that creates, promotes, and implements programs for KDL's adult patrons.
- Fun fact: Jake and his fiancée love the outdoors and camping, so much so that he proposed when they were camping at Sleeping Bear Dunes this summer.

Program Support

The Programming Department organizes programs for all of KDL's 19 branches, maintains the events page of the website, organizes program scheduling, negotiates presenter contracts and much more. In 2019, Programming began to work on two large projects to help branch staff.

Programming supplies are now purchased and shipped through the Programming Department for all programming needs. Since January, over 300 orders for thousands of items have been procured to support programming at KDL. The department has also centralized much of program scheduling to help streamline the process and bring in new performers. This began with Summer Reading 2019, when the department scheduled many performers who don't usually perform in West Michigan including multi-lingual performer 1,2,3 Andres, juggler Chris Fascione and musician Laura Doherty.

Programming staff also goes to the branches to host and help with KDL programs.

- Carlita hosted and created CreativiTEA programs for adults at 8 branches in January and February. She also hosted the craft programs featuring sand art, which were especially popular with attendance of over 70 patrons.
- This fall, the department is testing having displays during programs to see if patrons will check out more books and materials. Carlita and Jake are testing this with the Michigan Haunted Lighthouses programs. Displays will feature books on Michigan history, ghosts and more.
- The department also created a Needle Drop program to celebrate the new vinyl collection at KDL. Kip and Diane helped host the program at the Plainfield Branch in February, talking to 250 patrons about the new record collection while patrons enjoyed crafts, snacks and a live DJ.
- In March and April, KDL hosted the first program in partnership with GRCC's Secchia Institute for Culinary Education and Chef Sasha Ahmed. Diane organized the knife skills class for attendees and surveyed them on what other culinary programs they would like KDL to host.

Partnerships

The Programming Department continues to create new partnerships with local organizations that will lead KDL to new and innovative programs for patrons. Staff work with numerous partners each year to deliver highquality programs, including the Grand Valley State University Education Foundations Department, Schuler Books, the West Michigan Genealogical Society, the Greater Grand Rapids Women's History Council, the Secchia Institute for Culinary Education at GRCC and more. For 2019, new and renewed partnerships include Peninsula Writers, GrandCon Gaming Convention, the Grand Rapids African American Museum and Archives, Lions and Rabbits art collective, Coders4Tomorrow and Meijer Gardens.

BUILDING UPDATES

• AMY VAN ANDEL LIBRARY & COMMUNITY CENTER

Construction work continues on the Amy Van Andel Library and Community Center at the same time the finishing touches are being added to interior design and planning. On August 13, the Ada Township Board approved a contract with Custer for furniture procurement services. Representatives from KDL and Progressive A&E will have a working session with Custer to review product options.

Ada Township and KDL are finalizing the details of the term sheet. Once completed, the document will be presented to the Ada Township Board and the KDL Board for approval.

As Ada Township works toward building their new library, KDL staff continue to plan for a smooth opening and operation of the branch! Penni Zurgable of Cascade and Aaron Thomas of Collection Development are working on an opening day collection, and Lindsey Dorfman has submitted staffing plans to the Finance Department for inclusion in the KDL 2020 budget.

• KRAUSE MEMORIAL

The Krause Exploratory Committee met and contracted with Keith Hopkins to discuss the financial feasibility study. Keith will draft a case for support and a cover letter to be used in the study. Committee members will submit a list of possible donors and/or business/community leaders to Jennifer German. These names will be compiled and given to the Committee at their next meeting on Tuesday, Sep. 10 at 3:00pm at the KDL Service Center.

• SPENCER

It was decided that KDL and Spencer Township will not proceed with a building project.

• WALKER

Representatives from Fishbeck, Thompson, Carr & Huber (FTCH) visited the Walker Ice and Fitness Center recently to get a feel for the physical space and go over the mechanical and electrical layout of the current building. They also examined where an expansion to the current facility would make the most sense and took into consideration the current parking layout. A timeline of next steps is in development and then the steering committee will reconvene to review the timeline.

• SERVICE & MEETING CENTER

New Building Addition

- The DEQ permit was approved on August 23.
- Foundation plans are finalized.
- Foundation and site plans were submitted to Plainfield Township for permits the township said it will take a few weeks for approval.
- The estimated start date is (hopefully) mid-September.
- While waiting for permits, final details of the addition are under way, like choosing the color of the metal siding and other interior details.

Service Center Refresh

- Estimates on the project are coming in include structural work, construction, mechanical, electrical and furniture. Based on this information, the Building Committee will work with Via Design to cut costs where needed.
- Missy Lancaster met with structural engineers in regards to the sloping floor issues in the building. The
 good news is that the building is structurally sound and safe, but there are areas where the floors are
 sinking. This has been an issue since KDL moved into the building and they are recommending on
 leveling out the most uneven floors and provide some kind of solution to stabilizing these areas. More
 information will be given once a full report has been received.
- Once the Building Committee and Via Design come up with the design, and after the costs have been cut, the new plan will be presented to the Leadership Team.

WHAT'S GOING ON AT KDL

• CENSUS UPDATE

KDL has committed to supporting the 2020 Census because KDL recognizes an accurate count is essential in informing policy and funding decisions that impact the communities at every level. Based on needs expressed by the Census Bureau, KDL is hosting census recruiting events at branches, promoting census participation, and providing census training for all branch staff in preparation for 2020.

• KDL BOOKMOBILE

Plans for the bookmobile garage and Community Engagement and Outreach Department office space have been approved by the DEQ. Once the additional costs are presented to the Board, the search for sub-contractors will begin. Applications for permits will be submitted and a schedule for the work will be set up. The tentative target date is February 2020 for completion of the space, dependent on weather conditions, etc.

Status of the vehicle: The batteries have been replaced, the 220v plug has been installed at the Service Center and a new Xantrex control panel has been added to the Bookmobile. All of these upgrades have improved the physical environment of the vehicle a great deal. As a result, the team was able to maintain a consistent schedule of events and visits throughout the summer.

• WORKFORCE DEVELOPMENT

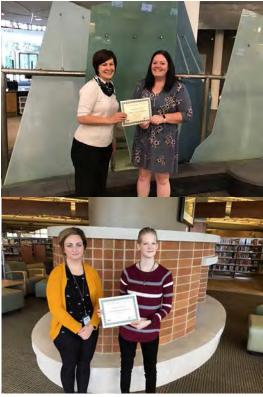

With KDL's new Workforce Development initiative, Shea Johnson is making connections with other key players in the community to align resources in order to support economic opportunities in Kent county. She is focusing on developing partnerships related to adult education, job obtainment, professional development and entrepreneurship. To that end, Shea attended the small business expo and has followed up with many of the contacts she made at the event. Career Skills Training by Penn Foster has also recently been added to KDL's roster of digital resources for patrons.

• CAREER ONLINE HIGH SCHOOL

Sara Magnuson continues to work hard finding the right fit for all the potential students who reach out to KDL through the Career Online High School landing page. To date, there have been 79 applications for the program. Currently, 41 students have attempted a prerequisite course, while 18 have met that requirement and have interviewed for a scholarship. There are nine KDL COHS scholarship participants so far, five of whom have successfully passed the 30 day trial period in Part 2 of their curriculum. The remainder of the students are on target to complete the program at the expected pace. With 36 direct referrals to partner education programs, those program directors have indicated increased enrollment for their new fiscal year and are excited to continue collaborating with KDL.

• BOOKS ON THE BUS

Four to five boxes filled with books of various genres and age levels are dropped off at the Central Operations building for the Rapid busses twice a month as there has been increased interest from Rapid passengers.

• AIRPORT FREE LITTLE LIBRARY

With the help of three regular volunteers, a staff member from the Cascade branch and Joyanne Huston-Swanson, the shelves at the Little Free Libraries are restocked Monday through Friday. Every time someone from KDL visits, airline passengers stop the volunteers to tell them thank you for providing the books and to ask for a book recommendation. Several airport staff express interest in specific authors and are happy the service exists as well.

• CODING CLASSES

In August, KDL and Coders4Tomorrow offered their first week-long coding program for teens. The program at the Kelloggsville Branch offered the basics of coding with Python, and offered 1-on-1 training with some high school coding experts. Planning for next year has already begun based on the success of this pilot program.

• SUPERPARTYWONDERDAY

Super Party Wonder Day 2019 was a huge success with over 5,000 in attendance. This was an increase of about 2,000 attendees from 2018. The event included many activities like a game area, Touch-a-Truck, a board gaming tent, food trucks, silent disco headphones and performers like Afro Zuma, Drums for All and Conrad Shock and the Noise.

• SUMMER READING

Summer Reading 2019 was another successful program with another increase in completers! Summer Reading finished with completer numbers up 6% from 2018. 19,147 patrons completed the reading program and earned great prizes. Total attendance at KDL programs this summer was over 57,000.

• RUFF READERS

15 branches this summer offered Ruff Readers programs in partnership with West Michigan Therapy Dogs. Ruff Readers, one of KDL's most popular summer programs, pairs kids with a trained therapy dog and their handler to read their favorite book. Over 2000 patrons read to dogs this summer.

• MEET UP & EAT UP

This was the second summer KDL partnered with Feeding American to present Meet Up and Eat Up, a summer food program. Patrons 18 years old and younger had 179 opportunities to enjoy a free lunch at the library. Four branches and the Bookmobile offered Meet Up and Eat Up, reaching over 2,200 patrons this summer.

KATIE KUDOS

• JULIA HAWKINS (SC) – Nominated by Diane Cutler because, "She is so generous with her artistic skills and made out SuperPartyWonderDay Rib Cook Off Prize Envelopes looks so snazzy! I so appreciate colleagues who share their talents with those of us less skilled. Thank you, Julia!"

• JULIE RALSTON (WAL) – Nominated by Patricia Volkhardt because, "Having a delicate situation in Katieland involving a cleanup of, shall we say, a 'solid sort'... Julie quickly took the initiative to clean the carpet, the dress-up costumes, the toys, and I mean all of the toys, the pretend foods, and the entire area all together a very thorough cleaning without a murmur of discontent. She always moves quickly and decisively when handling any situation with grace. Julie is a truly kind and compassionate leader who cares for our children and all patrons she encounters here at Walker. "

• ALYSON CRYDERMAN (CAL) – Nominated by Liz Guarino because, "She did an awesome job organizing many youth work areas before summer reading. This made it so much easier to help our customers."

STAFF + PATRON RESPONSE STORIES

• EAST GRAND RAPIDS – "A mom came to the library with her brand new baby – 36 hours old! She wants to make sure he will be a lifelong reader."

• WALKER – A staff member found this note on the Art Cart in the kids area:

• **PATRON SERVICES** – "I emailed bad news to a patron (letting her know that a DVD she'd had on hold isn't being released in the US), and she responded with this kind email: 'Thank you & everyone at KDL Patron Services. This Library System is great... Today, I dropped off a vase of flowers for the Kentwood staff in appreciation of this wonderful library system then picked up two holds that came in, a 900-page book my husband wanted to read and a biography DVD for me! What fun! KDL Rocks! On behalf of all KDL patrons, thank you for coloring our world!'"

Leave for other purposes may be taken intermittently or on a reduced leave (work) schedule only if first approved by the Library.

- D. Payment of Accrued Benefit Time Ordinarily, FMLA leave is unpaid. However, depending upon the purpose for the leave, certain kinds of accrued paid benefit time off of work may be applied to the FMLA leave at either the employee's or the Library's option. All paid leaves can be applied to any unpaid FMLA leave relating to birth, placement of a child for adoption or foster care, or care for a family member. The Library will require applying accrued paid leaves to FMLA leave. However, employees may request to retain up to one-half (1/2) of their accrued vacation time/Paid Time Off (PTO) as of the date the Family and Medical Leave began. Such requests must be made in writing prior to the commencement of the leave unless the employee is prohibited from doing so because of an emergency.
- E. FMLA Notification Requirements An employee must give the Library at least thirty (30) days advance notice when the leave is foreseeable. If this is not possible, or the need for the leave is not foreseeable, then notice is to be given as soon as practicable. When requesting any leave (including sick leave, personal leave, personal days, and vacation), an employee must provide sufficient information to the Library to establish a qualifying reason for the leave so the Library is aware of the employee's entitlement, if any, to FMLA leave. An employee using other paid leave for FMLA leave purposes who seeks to extend the leave for FMLA leave purposes must advise the Library of the reasons before any extension.

Employees are expected to follow all other notice and procedural requirements established by the Library for requesting leaves and in such cases employees are expected to give as much advance notice as possible.

F. FMLA Medical Certification – The Library requires timely medical certification from a health care provider to support leaves requested because of a serious health condition of the employee or family member and may, at its expense, require second or third opinions. Additional medical certifications or recertification may be required in certain circumstances. Employees requesting FMLA leave for the birth of a child, adoption, or foster care placement will be required to submit proof of the qualifying event.

An employee seeking to return to work from leave involving the employee's own serious health condition will first be required to submit a fitness-for-duty medical certification from a health care provider. Failure to do so may delay returning to work.

- G. Health Coverage during FMLA Leave During the course of the FMLA leave, an employee's preexisting health coverage benefit program will be maintained under the same terms and conditions established for active employment. This means that an employee is responsible for timely cost payments or contributions (if any) as may be required pursuant to the established Library Policy or applicable bargaining agreement. Except in certain circumstances, if an employee does not return to work from leave, then any health program premiums or payments made by the Library during the leave becomes a debt owed by the employee and must be repaid.
- H. Return from FMLA Leave Following expiration of the leave and return to work, an employee ordinarily will be reinstated to the employee's job position held immediately prior to the leave, or reinstated to an equivalent position. "Key employees" under the law may be denied reinstatement in certain circumstances, and appropriate employees will be advised of their "key" status and conditions for any denial of reinstatement before FMLA leave starts.

During the leave, an employee may be required to advise the Library from time to time regarding status and intent to return to work.

I. Failure to Follow FMLA Leave Requirements – If notification and certification requirements are not followed by an employee, it may result in denial of the requested leave or cancellation of existing leave.

It is the employee's responsibility to request FMLA leave on the same or next business day after the need for leave becomes known, absent an emergency situation. Employees must submit a completed FMLA request form including the specific reason(s) for the leave request as well as provide other information as requested by the Library.

KDL POLICY 6.7.6 PERSONAL LEAVE OF ABSENCE WITHOUT PAY

LAST REVISED 4-19-12

Personal leave of absence without pay may be granted at the discretion of the Library. All requests for a personal leave of absence must be in writing and state the reasons for and the duration of the requested leave. The written request must be signed by the employee. Approval shall be in writing by the employee's supervisor and the Library Executive Director.

Employees on personal leave are required to utilize any banked vacation leave, holiday leave, or Paid Time Off (PTO) to which they are entitled, from the beginning of the leave. Exceptions may be approved by the Library Executive Director.

While on personal leave without pay, an employee does not accumulate continuous service credit, but retains credit for previous service.

Employees who accept other full-time employment while on personal leave will be considered to have resigned their Kent District Library employment.

The Library may, at its discretion, grant reemployment during or at the end of the approved personal leave.

KDL POLICY 6.7.7

PERSONAL LEAVE OF ABSENCE WITH PAY

LAST REVISED 5-19-05

Personal leaves of absence may be granted with pay upon approval of the Library Executive Director. Paid personal leave for educational purposes may be granted by the Library Executive Director when course work is necessary to provide an employee the minimum knowledge necessary to perform the changing job requirements of his/her position.

Employees on personal leaves of absence, including those leaves for educational purposes, do not have reemployment rights to their former position unless reemployment has been agreed to, in writing, by the employee's supervisor and the Library Executive Director prior to the leave.

KDL POLICY 6.7.9

MILITARY LEAVE

A military leave of absence will be granted to employees who are absent from work because of service in the United States Uniformed Services in accordance with the <u>Uniformed Services</u> <u>Employment and Reemployment Rights Act (USERRA)</u>. Advance notice of military service is required unless military necessity prevents such notice or if it is otherwise impossible or unreasonable.

Employees who enter active military service in any branch of the Armed Forces of the United States or the National Guard shall be entitled to reemployment rights in accordance with the Federal and State statutes governing such reemployment rights in effect at the time the employee seeks reemployment with the Library.

Under the USERRA statutes, employees who are on military leave will have the right to continuation of health insurance benefits based on the length of the leave and subject to the terms, conditions and limitations of the applicable plans for which the employee is otherwise eligible. Benefit accruals such as vacation, sick, and holiday time will be suspended during the leave and will resume upon the employee's return to active employment.

For each day that a full-time employee is on such non-emergency duty leave, when the employee otherwise would have worked, the employee shall receive the difference between the employee's salary or regular straight time rate of pay for up to eight (8) hours and the amount the employee received for such training for up to a maximum of ten (10) days per year.

For each day that a full-time employee is on such emergency duty leave, when the employee otherwise would have worked, the employee shall receive the difference between the employee's salary or regular straight time rate of pay for up to eight (8) hours and the amount the employee received for such emergency duty for up to a maximum of five (5) days. All other leaves not specified in this policy shall be unpaid.

Accrual will occur quarterly in recognition of the following holidays: New Year's Day, Memorial Day, Labor Day, Library Worker's Day, and Christmas Day. For part-time employees, floating holidays must be taken on a day when the library system is closed.

Use of a floating holiday is subject to the following conditions:

- It is approved in advance by the employee's supervisor;
- It is taken within twelve (12) months following the day it was credited (floating holidays not taken shall be forfeited); and
- It is compensated at the employee's regular rate.

In order for an employee to be eligible for a holiday with pay, he/she must be an active employee on the day of the holiday.

When one of the recognized holidays falls on a Sunday, Monday shall be observed as a holiday. When a recognized holiday falls on a Saturday, the preceding Friday shall be observed as a holiday.

KDL POLICY 6.8 TRANSPORTATION REIMBURSEMENT

LAST REVISED 12-19-02

Kent District Library employees shall be reimbursed for public transportation or mileage and parking expenses incurred while using their private vehicle in the performance of official duties. The employee is responsible for maintaining a record of transportation costs. Mileage shall be reimbursed at the actual IRS rate.

KDL POLICY 6.8.1

HONORARIA

LAST REVISED 12-19-02

Kent District Library staff members requested to speak at job-related meetings or workshops are encouraged to do so. Formal presentation proposals must be approved by the Library Executive Director prior to acceptance of the commitment. When engagements of this nature involve an honorarium paid by the sponsor to the staff member, the Library requires the individual to remit this payment to Kent District Library if they attend and participate during Library time (i.e., on a scheduled work day approved and credited as time worked). If, however, the employee participates on the employee's own time (e.g., vacation, holiday, or day off), the employee may keep the honorarium payment.

Kent District Library staff members approved as presenters remain subject to other KDL policies regarding conference attendance and transportation reimbursement.

This policy does not pertain to an employee hired elsewhere to work as a consultant. Such work must be conducted on the employee's own time.

KDL POLICY 6.8.2

PROFESSIONAL ASSOCIATION/COMMUNITY ORGANIZATION MEMBERSHIPS

LAST REVISED 12-19-02

Kent District Library encourages employees to actively participate in professional associations and community organizations related to their work which are mutually beneficial to KDL and the professional growth of the employee.

It is the right, obligation, and intent of Kent District Library to maintain the highest standards of health, safety, and security for staff, patrons, and the general public to protect Library property and operations, and to comply with both the letter and spirit of the <u>Drug-Free</u> <u>Workplace Act of 1988</u>.

The unlawful manufacture, distribution, dispensation, possession, being under the influence or use of an illegal substance on library premises or while conducting library business off the premises is prohibited. Violations of this policy will result in immediate disciplinary action up to and including termination and may have legal consequences.

The Library recognizes drug dependency as a major health problem. The Library also recognizes drug abuse as a potential health, safety, and security problem. Employees needing help in dealing with such problems are encouraged to seek counseling or treatment as appropriate.

Employees must, as a condition of employment, abide by the terms of the above policy and report any conviction under a criminal drug statute for violations occurring on or off library premises while conducting library business. A report of a conviction must be made within five days after the conviction; this requirement is mandated by the Federal Drug-free Workplace Act of 1988. Convictions for criminal drug offenses while conducting library business will be subject to discipline up to and including discharge.

Employees are required to submit to a blood, hair follicle, or urinalysis examination for the purpose of detection of the employee's use of unauthorized prescriptive drugs, illegal drugs, controlled substances and/or alcohol in the following circumstances:

At any time, if the Library has a reasonable suspicion that the employee in question:

- a) is under the influence, impaired or otherwise affected by the use of drugs and/or alcohol;
- b) is currently possessing on library premises or in library vehicles unauthorized drugs and/or alcohol; or
- c) has sold or distributed drugs and/or alcohol on library premises or attempted the same.

Last Chance – An employee who voluntarily discloses a dependency on drugs/alcohol to the Library and voluntarily undergoes a Library approved supervised detoxification treatment program will be given a leave of absence for such purposes of up to ninety (90) days and the Library will refrain from taking any disciplinary action against the employee provided that:

- d) the employee submits to periodic drug/alcohol testing upon his/her return to work for a period of two (2) years; and
- e) the employee is not under current disciplinary action.

The Library will not refrain from taking disciplinary action when the employee is being considered for discipline for drug/alcohol use on library premises or for other disciplinary action unrelated to the employee's voluntary disclosure of his/her drug or alcohol dependency.

KDL POLICY 6.10 ELECTRONIC COMMUNICATIONS POLICY LAST REVISED 4-19-12

Telephones, fax machines, voicemail systems, and computers, including electronic mail systems (e-mail) and Internet/Intranet access ("electronic resources") are provided to employees for Library business use, and excessive personal use of these devices is prohibited. Occasional personal use of electronic resources that does not interfere with Library business or employee duties may be permitted at the discretion of supervising staff. Kent District Library owns the computers, software, phones, and fax machines making up the voicemail, fax, e-mail and Internet/Intranet systems and permits employees to use them in performance of their duties.

Communication through electronic resources is subject to monitoring by Kent District Library, and the use of discriminatory, hostile, sexually-oriented, defamatory, or otherwise inappropriate language is strictly prohibited. Use of Kent District Library electronic resources for gambling, obtaining or distributing pornographic materials, and all other illegal activity is strictly forbidden. It is also strictly forbidden to introduce software into any Kent District Library computer system that is potentially harmful to the integrity of the system, or to violate the terms of applicable computer software licensing agreements or copyright laws. Using computer systems for commercial purposes is prohibited. No employee shall use any data or other information on the computer system for personal gain or for the advantage of any outside third party. No employee shall permit any unauthorized person to gain access to the electronic resources.

Kent District Library owns and has the right to monitor, access, retrieve, read, and disclose all information and materials that are created, sent, received, accessed, or stored on its electronic resources. Employees should understand that these resources are intended for business use, and all computer, fax, Internet/Intranet information, voicemail, and electronic mail messages are to be considered as Kent District Library records. Employees should not assume any materials received or stored on Kent District Library's electronic resources are private or confidential or that Kent District Library or its designated representatives will not have a need to access and review this information.

Violation of these guidelines will be considered grounds for disciplinary action, up to and including discharge.

KDL POLICY 6.11 WHISTLEBLOWER POLICY LAST REVISED 7-19-12

Kent District Library adheres to the rules, rights, and responsibilities of employees and employers as defined in the <u>Whistleblowers' Protection Act 1980 PA 469</u> (as amended). The Library has a responsibility for the stewardship of its resources and, to that end, works to ensure all laws, policies, and procedures are adhered to so as to promote a culture of ethical accountability.

A "whistleblower" as defined by this policy is a Library employee who reports an activity that he/she considers to be illegal, dishonest, or in violation of Library policy (i.e., misconduct). If an employee has knowledge, concern, or suspicion of misconduct of any kind, he/she shall inform, through written memorandum or e-mail: (a) his/her immediate supervisor, (b) the Director of Human Resources and Organizational Development, or (c) the Library Executive Director. Any individual represented by these functions may serve as a complaint investigator.

The Library has an obligation to investigate and report allegations of suspected improper activities and the actions taken by the Library to correct misconduct. Once received, the complaint investigator shall confer with at least one other individual from the above list to ensure that a thorough, appropriate, and timely investigation is conducted. If a complaint investigator has a conflict of interest, an alternate shall be appointed.

While efforts to maintain the confidentiality of the whistleblower will be taken, this shall be secondary to the objective of conducting a thorough investigation. In all cases, the Library, its representatives, and its officers shall not retaliate or discriminate against a whistleblower. This includes, but is not limited to, threats of physical harm, harassment of any kind, and protection from retaliation in the form of an adverse employment action such as termination, compensation decreases, or unfavorable work assignments. A whistleblower who suspects they have become a victim of retaliation or discrimination shall document the allegation in a letter to the Chair of the Kent District Library Board of Trustees within seven (7) days of the alleged retaliation or discrimination does not include immunity for any personal wrongdoing that is discovered through the investigation process.

KDL POLICY 6.13 CONFERENCE ATTENDANCE – BOARD & STAFF LAST REVISED 12-19-02

Board members are encouraged to attend state and national conferences, as well as local workshops, seminars, and meetings. Funds will be budgeted annually to allow for Board member attendance at conferences.

Staff members may be selected to attend conferences or other functions that contribute to their professional growth. Time off with pay, including travel time, may be allowed to attend conferences, workshops, and other meetings. Employees wishing to attend conferences must have prior written approval from their supervisor and the Director of Human Resources and Organizational Development. Conference attendance approval is dependent on scheduling, budgetary constraints, and previous conference attendance. Employees are expected to share their conference and workshop experiences with other KDL staff members.

KDL POLICY 6.14 VOLUNTEERS MOVED 12-20-18

Kent District Library may use volunteers for a variety of tasks or projects. Volunteers do not displace established staff positions and do not have access to staff computers. Care is taken that assignments do not infringe upon the responsibilities of regular paid staff.

Adult volunteers must complete an application including a criminal background check. All volunteers receive orientation and training. A volunteer may work on a short-term project or serve on a regular basis.

KDL POLICY 6.14.1

VOLUNTEER BACKGROUND VERIFICATION

MOVED 12-20-18

Kent District Library requires, as a condition of volunteering, that regular volunteers over the age of 18 (excluding Friends) consent to and authorize a verification of the background information submitted.

This release and authorization acknowledges that Kent District Library may obtain the following: any criminal history record information pertaining to the volunteer which may be in the files of any federal, state, or local criminal justice agency in Michigan or any other states/countries of origin; and/or information as deemed necessary, relevant and applicable to volunteer requirements. Kent District Library will not obtain any type of information from the volunteer's personal credit/financial history record.

The results of this verification process will be used to determine volunteer eligibility under Kent District Library's policies. No volunteer opportunities will be made available without the completion of the background verification process. KDL cannot be held liable for inaccurate information received when performing background verification checks.

Refusal to consent to and authorize a verification of background information will result in immediate disqualification of consideration for any volunteer opportunities.

Kent District Library will not allow individuals to volunteer who have been convicted of any felony or who have been convicted of a misdemeanor offense for assault; child abuse; criminal sexual conduct; use, possession, or sale of weapons; or violations of Article 7 of the Michigan Public Health Code (Controlled Substances) (MCL 333.7101 et seq.) The Human Resources Department will review all other convictions and pending criminal charges of a potential volunteer on an individual basis with the final decision resting with the Library Executive Director.

Kent District Library will provide a volunteer, whose information found in a background check results in an adverse action, with the information as required by the Fair Credit Reporting Act.

All results that are obtained by the background verification process will be proprietary and kept confidential, to the extent permitted by law. The information obtained will not be voluntarily provided to any parties other than to designated Kent District Library personnel or legal counsel with a need to know.

INTRO

Agenda Item for Consideration: RFP for New Human Resources Information System (HRIS) Board Meeting Dates: September 19, 2019 (first reading); October 24, 2019 (second reading) Timeline: Implementation beginning November 1, 2019

Budget Line Item(s): Contractual & Professional Services, G/L 5958

Total Estimated Cost: Implementation Cost \$4,900, Annual Cost \$36,240.50

PURPOSE

The purpose is to present the Board the recommendation for a new HRIS system after an RFP was conducted and bids were reviewed and considered.

OVERVIEW & BACKGROUND INFO

Employee timesheets, payroll, demographic, and benefit data is housed in an electronic database provided by current payroll provider Paychex; generally known as the Human Resources Information System or *HRIS*. The HR Department has undergone a formal search for an HRIS that can provide greater reliability, improved efficiency for managers and staff, and improve the HR and General Ledger reporting experience. The Library solicited sealed proposals for the purchase and support of an HRIS with features that included the ability to:

- Leverage mobile technology to facilitate staff accurately and efficiently recording of work time,
- Streamline the manager's efforts to approve timesheets,
- Improve reporting of labor expenses through general ledger design, and,
- Enhance the efficiency of benefit enrollment to ensure accuracy and leveraging of employee benefits.

A request-for-proposal was developed and advertised in the Grand Rapids Press, MLive, and sent to several known providers as identified through prior networking. A total of six providers responded with proposals. The list of providers was narrowed to three and a committee of stakeholders formally reviewed the responses, conducting multiple meetings with the three, concluding with two finalists who provided further detailed reviews with representatives from Finance and Human Resources. Paycor demonstrated their product's ease of use and improvement for payroll reporting and managing benefits.

COST				
Company	One-time Implementation Cost	Ongoing Annual Cost		
<mark>Paycor</mark>	<mark>\$4,900</mark>	<mark>\$36,240</mark>		
ADP	\$3,600	\$36,887		
NEOGOV	\$3,500	\$63,595		
Kronos	\$18,400	\$57,750		
Unicorn HRO	\$26,250	\$66,055		
Paychex	\$0	\$35,772 *Note: This is our current provider. Annual cost before RFP issued: \$65,714		

While cost was not a priority factor of consideration, it is noteworthy that such a change will result in approximate savings of \$25,000 in the first year. Additionally, pricing terms were negotiated to remain unchanged (i.e., price locked) for a period of 40-months, resulting in approximately \$83,000 savings throughout that the forty-month price commitment.

RECOMMENDATION

To award the contract for HRIS services to Paycor, with a contract cost of \$36,240.50 annually, and a one-time implementation fee of \$4,900.

ISSUE ANALYSIS UPDATE

INTRO

Agenda Item for Consideration: RFP for KDL Service Center Bookmobile Addition Update Board Meeting Dates: September 19, 2019 (*first reading*) October 24, 2019 (*second reading*)

Timeline: Immediately

Budget Line Item(s): Capital Outlay

Total Estimated Cost: \$205,786 additional funds for a total of \$991,786 excluding interior design & furniture

PURPOSE

The purpose is to request additional funds for the KDL Service Center Bookmobile Addition. The original issue analysis that was presented in April 2019 is attached for reference.

REVISIONS

During the design phase there were a number of revisions required to meet permit, Engineering requirements and design revisions. The following permit, engineering requirement and design revisions are as follows:

- Michigan Department of Environment, Great Lakes and Energy (EGLE formerly the DEQ) permit required flood plain elevations to be raised around the building which impacted the ramps. In an addition a retaining wall, extra grading and drainage were added to accommodate flood plain requirements.
- Soil borings showed 25' of additional poor soil that was not indicated on the original borings. This required that the foundation system be switched from aggregate piers to helical piers which involves extra engineering and extensive foundation work including floor reinforcement and additional grade beams.
- Rerouting power lines: currently the lines run below the building, Consumers Energy will not allow this and the power needs to be moved outside the building to a transformer.
- The following were additional revisions requested after the RFP was submitted and approved:
 - Revised the floors to minimize the slope: to accommodate carts from rolling and provide level shelving.
 - Extra exterior and interior windows: to allow more daylighting and to have a view from the office to the storage and bookmobile area.
 - Extra 2 rows of glass in the overhead doors: for sight lines outside the building.
 - Revised overhead doors to 14' X 14': to accommodate Bookmobile height.
 - Revised the office area to 36' X 30': to accommodate all Community Engagement staff all finishes will be white box condition so that the interior will be designed with the rest of the Service Center refresh.
 - o Added an 10' x 12' interior office: for the Community Engagement Manager
 - Added water service to Bookmobile area and revised sewer hookup: to be able to wash off salt and other debris.
 - Added paving for Bookmobile turn radius: Bookmobile drivers needed more room to turn the bookmobile into the building.
 - Revised roof slope for more clearance: to accommodate the higher overhead doors for the Bookmobile.

RECOMMENDATION

KDL recommends this project to be funded by approving an additional \$205,786 for a total of \$991,786 from the Committed Capital Projects fund balance to complete the new addition for the Bookmobile. As of the most recent audited financials (12/31/18), the Committed Capital Projects fund balance was \$3,862,388.

IMPLEMENTATION

If the additional funds are approved construction will begin as soon as permits are approved in the next two weeks. It is our hope that structural completion, weather permitting, should be completed by end of December 2019 and interior finishes to the office and bathroom will be completed with the Service Center refresh. However, as we've already experienced, additional construction delays may move completion of the building into 2020. Depending on the timing of building completion, we may need a budget amendment to utilize the approved additional funds from the Committed Capital Projects fund balance.

Agenda Item for Consideration: RFP for KDL Service Center Bookmobile Addition **Board Meeting Dates:** April 18, 2019 (*first reading*) May 16, 2019 (*second reading*) **Timeline:** Immediately

Budget Line Item(s): Capital Outlay

Total Estimated Cost: \$786,000 excluding interior design and furniture

PURPOSE

The purpose of the KDL Service Center Bookmobile addition is to construct a new 90x70 building to house the Bookmobile and vans, and provide more storage and office space for the Outreach Department.

NEED & BENEFITS

- Bookmobile
 - To properly protect KDL's asset from extreme Michigan weather, the Bookmobile should be stored in a temperature controlled building.
 - During the extreme cold technology on the Bookmobile started to malfunction.
 - The motor to the step stopped working and was stuck in an out position. This
 was caused by being out in the elements.
 - The Bookmobile, when parked in the lot, is an obstacle for snowplow drivers when plowing.
 - o To protect staff and materials the Bookmobile should be stored indoors.
 - Currently the Community Engagement team hauls materials through the elements to replenish the inventory on the bookmobile.
 - Due to the elements carts of materials have been tipped over, materials have fallen into the snow and have gotten wet in the rain.

KDL Vans

- To properly protect KDL's asset, the vans should be stored in a structure.
 - Vans have incurred damage from large icicles dropping off the building (In 2018 the windshield and parts underneath the hood needed to be fully replaced).
 - Vans are in the way when snowplowing occurs.
 - The vehicles will last longer if they are out of the elements.
- To protect staff and materials the KDL vans should be stored indoors.
 - If there is big snowfall, employees are subject to digging out the vans after snow plowing.
 - Due to the elements it makes loading and unloading equipment difficult and accessible to damage.
- Storage
 - The Bookmobile addition will allow for extra storage space for the Community Engagement team and other departments.
- Offices
 - The Community Engagement team requested workspaces to be incorporated into the new building creating a more efficient workflow.

Contingency	10%	Contingency for construction work ranges from 10% to 15% of the total estimated costs.

BID COMPARISONS

Missy Lancaster and Melissa Snyder reviewed the proposals and the following provides specifics on why TerHorst & Rinzema was chosen and what the other bids lacked.

• TerHorst & Rinzema

- Have background knowledge of the Service Center building and soil.
- Plan to design the building with KDL, HVAC and interior designers.
- Allowance for soil remedies was more reasonable compared to other bids.
- Specifically stated that they provided allowances in the bid that would adequately cover the cost of each line item.
- Provided warranty for one year on any workmanship problems and the typical product warranties.

• McGraw Construction

- o Many cost exclusions, such as: fire suppression, excavation, unsuitable soil.
- o Low allowance for soil remedies (compared to other bids)

- No mention of auger pilings which were recommended in the geo report given.
- Building was placed in the back of the parking lot, despite KDL clearly specifying the building needed to be conjoined or as close to the current building as possible.
- No mention of warranties.

• Pel Construction

- Bid was \$672,925 higher than the recommended bid.
- Building was fully designed even though the scope said that there should be collaboration between KDL, contractor, HVAC Company, and the interior designer.
- Provided warranty on products used during construction and did not mention a warranty on workmanship.

RECOMMENDATION

Based on the provided information, KDL recommends Terhorst & Rinzema to complete the construction of the new building. Missy Lancaster and Melissa Snyder reviewed the proposals and eliminated McGraw Construction due to excluded costs, TerHorst & Rinzema and Pel Construction costs and scope of the project were reviewed. Though Pel Construction had a complete bid and great references, the group felt that the cost of the bid was high. KDL strongly recommends TerHorst & Rinzema because their bid was significantly lower than Pel Construction and included all of the necessary expenses, they plan to work with KDL, the HVAC Company and the Interior Designers when designing the building, they gave a reasonable allowance for soil remedies and engineering, and their bid stated that those costs would adequately cover the cost of each line item. TerHorst & Rinzema has worked with KDL and provided excellent service in the past and KDL is confident in recommending them for the construction of the Bookmobile addition.

KDL recommends this project to be funded by approving up to \$786,000 from the Committed Capital Projects fund balance. As of the most recent audited financials (12/31/17), the Committed Capital Projects fund balance was \$4,165,300. We also recommend that TerHorst & Rinzema as the building contractor for the new building.

IMPLEMENTATION

The expected completion date is set for December 2019 if the drawings and engineering is started immediately. The goal is to break ground in June 2019 but this will be delayed if the Issue Analysis goes into a second reading.

Board Budget + Professional Development Research

September 2019

Abstract: In response to a board agenda discussion item from the August 2019 meeting, the KDL Board of Trustees asked that research be conducted to find out how KDL's Board expenditures compare to peer libraries, particularly how much of the operating budget is devoted to trustee conferences, and how that figure compares to the amount allocated for staff conferences and professional development in order to better assess what a "normal" and fiscally responsible amount is to spend in each area.

Six peer libraries were selected based on their legal basis (district library), operating budget, staff size, and service area. The libraries were selected **based on 2016 information** that was accessed from The Institute of Museum & Library Services (<u>https://www.imls.gov/labs/search-compare/index</u>). The libraries were then contacted and asked to answer questions with information on their most recent fiscal year.

Two of the six libraries responded and are presented in the following order, with KDL at the end for direct comparison:

- **01.** Douglas County
- **02.** St. Charles City County Library
- **03.** Kent District Library

****** Please note that the information that precedes the questions is from 2016 and the information given in the responses is based on current info.

Survey Questions

• What is your total annual operating budget? Just under \$30m. We spend about 97% of it and save the additional 3%.

• What is your annual budget for Board attendance at conferences Varies depending on conference coming up. E.g. a PLA year we might have trustees attend PLA. When PLA was in Denver near us, we budgeted for all to attend. Annually we budget very little for board conference attendance. They don't get a lot out of it. Though as a general introduction for new board members, I would agree conference has higher value. In 2019 we purchased Short Takes through ALA's United for Libraries. Very affordable and good information.

• How many board members do you have Seven

• How many national conferences do you send Board members to See above - rarely. Often board members see it as too big an expenditure for them. And/or the ROI isn't enough.

• How many Board members are sent to each national conference Again - when national conference is held more locally we will send trustees because then the ROI is greater.

• If you have a policy or procedure about Board attendance at national conferences, could you please share a copy of it: No policy, though our board annually assesses themselves individually and their collective work as a board. They then develop goals for their own development for the following year. Depending on those goals, we garner resources (could be in-house training, experts coming in, sending them to something, etc.)

• What is your annual budget for staff attendance at conferences Around \$50,000-\$70,000 with a staff of 330 and a budget of \$30m. This will rise on a PLA year (\$100k), and would be higher again if the national conference is held locally.

• Roughly, what percentage of library staff are sent to each national conference PLA year, maybe up to 35- 40% on a non-PLA year, more around 25%.

Survey Questions

What is your total annual operating budget? Expenditures FY2020: Salaries & Benefits 12,801,470.; Materials 3,450,400.00; Operations & Technology 4,080,045.00

What is your annual budget for Board attendance at conferences? We don't currently have a specifically dedicated budget for this. Our FY2020 budget for Travel, Training & Dues is 165,068.00 but that primarily covers staff activities. In the past we have had attorney led trainings in Board responsibilities, accompanied one or more Trustees to Missouri Library Legislative Day, and used Missouri State Library Trustee web-based training sessions on relevant topics.

How many board members do you have? Our board is made up of 9 members. Four are appointed by the Mayor of the City of St. Charles. Five are appointed by the St. Charles County Council.

How many national conferences do you send Board members to? We have not had any Trustees accept this opportunity.

How many Board members are sent to each national conference? Ditto.

2.

If you have a policy or procedure about Board attendance at national conferences, could you please share a copy of it? We don't have such a policy.

What is your annual budget for staff attendance at conferences? 165,068.00 including training, travel and dues.

Roughly, what percentage of library staff are sent to each national conference? This varies with PLA being the most heavily attended every other year. I estimate about 10 percent of our staff attend a national conference each year. Not all of these are purely library service related.

How many board members do you have? 8.

How many national conferences do you send Board members to? All of them: ALA, PLA, Midwinter. Midwinter was an exception this year, but in the past we have sent 1-2 members.

How many Board members are sent to each national conference? 2-4 to PLA (occurs every other year), 2-4 to ALA, and usually just 1 to Midwinter due to committee involvement.

If you have a policy or procedure about Board attendance at national conferences, could you please share a copy of it? We currently do not have a formal procedure.

What is your annual budget for staff attendance at conferences? Approximately \$170k was budgeted for 2019. This budgeted amount includes conference registration and travel/lodging.

Roughly, what percentage of library staff are sent to each national conference? This varies each year. For ALA 2019, 10 out of roughly 350 staff members were sent. That number was higher than previous conferences. Roughly, it is estimated to 3%.
