Reserving Kits in KitKeeper

There are two ways to search for a kit in KitKeeper.

- 1. Searching by Title
- 2. Searching by Date

Note: Once your reservation is ready for pickup, the library will send you a hold pickup notification. The kit will stay on the hold shelf for seven days after you receive the notification for your convenience.

Searching by Title:

- From the dropdown menu next to the **Reserve** icon on the KitKeeper homepage, choose the title you would like to reserve.
- Click Go.
- You will see a month-by-month calendar. If the kit is available to be reserved on a specific date, the box will be white with the word **Reserve** in blue letters. If the kit is not available on a specific date, the box will be gray. Once you select an available date, click **Reserve**. You will be prompted to enter your library card number and then complete the reservation process.

Searching by Date:

- From the dropdown menu next to the **Dates** icon, select the date (month/year) you are searching for.
 - Click Go.

•

• You will then see a divided screen: on the left-hand side there is a calendar (see screenshot on next page). In the calendar, click on the date of your choice. A list of available titles for that date will appear on the right-hand side of the screen
