- From the dropdown menu next to the **Reserve** icon on the KitKeeper homepage, choose the title you would like to reserve.
- Click **Go**.
- You will see a month-by-month calendar. If the kit is available to be reserved on a specific date, the box will be white with the word [Reserve](#) in blue letters. If the kit is not available on a specific date, the box will be gray. Once you select an available date, click [Reserve](#). You will be prompted to enter your library card number and then complete the reservation process.
