Sec. 5. An action of a public officer or public employee shall not be absolutely void by reason of this act. An action of a public officer or public employee shall be voidable only by discretionary action of a court of competent jurisdiction, as prescribed in section 4.

However, any judicial relief or judicial remedy shall operate prospectively only.

History: 1976, Act 442, Eff. Apr. 13, 1977.

The People of the State of Michigan enact:

15.231 Short title; public policy.

Sec. 1. (1) This act shall be known and may be cited as the “freedom of information act”.

(2) It is the public policy of this state that all persons, except those persons incarcerated in state or local correctional facilities, are entitled to full and complete information regarding the affairs of government and the official acts of those who represent them as public officials and public employees, consistent with this act. The people shall be informed so that they may fully participate in the democratic process.

History: 1976, Act 442, Eff. Apr. 13, 1977; --Am. 1994, Act 131, Imd. Eff. May 19, 1994; --Am. 1996, Act 553, Eff. Mar. 31, 1997; --Am. 1997, Act 6, Imd. Eff. May 16, 1997.

15.232 Definitions.

Sec. 2. As used in this act:

(a) “Field name” means the label or identification of an element of a computer data base that contains a specific item of information, and includes but is not limited to a subject heading such as a column header, data dictionary, or record layout.

(b) “FOIA coordinator” means either of the following:

(i) An individual who is a public body.

(ii) An individual designated by a public body in accordance with section 6 to accept and process requests for public records under this act.

(c) “Person” means an individual, corporation, limited liability company, partnership, firm, organization, association, governmental entity, or other legal entity. Person does not include an individual serving a sentence of imprisonment in a state or county correctional facility in this state or any other state, or in a federal correctional facility.

(d) “Public body” means any of the following:

(i) A state officer, employee, agency, department, division, bureau, board, commission, council, authority, or other body in the executive branch of the state government, but does not include the governor or lieutenant governor, the executive office of the governor or lieutenant governor, or employees thereof.

(ii) An agency, board, commission, or council in the legislative branch of the state government.

(iii) A county, city, township, village, intercounty, intercity, or regional governing body, council, school district, special district, or municipal corporation, or a board, department, commission, council, or agency thereof.

(iv) Any other body which is created by state or local authority or which is primarily funded by or through state or local authority.

(v) The judiciary, including the office of the county clerk and employees thereof when acting in the capacity of clerk to the circuit court, is not included in the definition of public body.

(e) "Public record" means a writing prepared, owned, used, in the possession of, or retained by a public body in the performance of an official function, from the time it is created. Public record does not include computer software. This act separates public records into the following 2 classes:

(i) Those that are exempt from disclosure under section 13.

(ii) All public records that are not exempt from disclosure under section 13 and which are subject to disclosure under this act.

(f) "Software" means a set of statements or instructions that when incorporated in a machine usable medium is capable of causing a machine or device having information processing capabilities to indicate, perform, or achieve a particular function, task, or result. Software does not include computer-stored information or data, or a field name if disclosure of that field name does not violate a software license.

(g) "Unusual circumstances" means any 1 or a combination of the following, but only to the extent necessary for the proper processing of a request:

(i) The need to search for, collect, or appropriately examine or review a voluminous amount of separate and distinct public records pursuant to a single request.

(ii) The need to collect the requested public records from numerous field offices, facilities, or other establishments which are located apart from the particular office receiving or processing the request.

15.233 Public records; right to inspect, copy, or receive; subscriptions; forwarding requests; file; inspection and examination; memoranda or abstracts; rules; compilation, summary, or report of information; creation of new public record; certified copies.

Sec. 3. (1) Except as expressly provided in section 13, upon providing a public body's FOIA coordinator with a written request that describes a public record sufficiently to enable the public body to find the public record, a person has a right to inspect, copy, or receive copies of the requested public record of the public body. A person has a right to subscribe to

future issuances of public records that are created, issued, or disseminated on a regular basis. A subscription shall be valid for up to 6 months, at the request of the subscriber, and shall be renewable. An employee of a public body who receives a request for a public record shall promptly forward that request to the freedom of information act coordinator.

(2) A freedom of information act coordinator shall keep a copy of all written requests for public records on file for no less than 1 year.

(3) A public body shall furnish a requesting person a reasonable opportunity for inspection and examination of its public records, and shall furnish reasonable facilities for making memoranda or abstracts from its public records during the usual business hours. A public body may make reasonable rules necessary to protect its public records and to prevent excessive and unreasonable interference with the discharge of its functions. A public body shall protect public records from loss, unauthorized alteration, mutilation, or destruction.

(4) This act does not require a public body to make a compilation, summary, or report of information, except as required in section 11.

(5) This act does not require a public body to create a new public record, except as required in section 11, and to the extent required by this act for the furnishing of copies, or edited copies pursuant to section 14(1), of an already existing public record.

(6) The custodian of a public record shall, upon written request, furnish a requesting person a certified copy of a public record.

History: 1976, Act 442, Eff. Apr. 13, 1977; --Am. 1996, Act 553, Eff. Mar. 31, 1997.

15.234 Fee; waiver or reduction; affidavit; deposit; calculation of costs; limitation; provisions inapplicable to certain public records.

Sec. 4. (1) A public body may charge a fee for a public record search, the necessary copying of a public record for inspection, or for providing a copy of a public record. Subject to subsections (3) and (4), the fee shall be limited to actual mailing costs, and to the actual incremental cost of duplication or publication including labor, the cost of search, examination, review, and the deletion and separation of exempt from nonexempt information as provided in section 14. A search for a public record may be conducted or copies of public records may be furnished without charge or at a reduced charge if the public body determines that a waiver or reduction of the fee is in the public interest because searching for or furnishing copies of the public record can be considered as primarily benefiting the general public. A public record search shall be made and a copy of a public record shall be furnished without charge for the first \$20.00 of the fee for each request to an individual who is entitled to information under this act and who submits an affidavit stating that the individual is then receiving public assistance or, if not receiving public assistance, stating facts showing inability to pay the cost because of indigency.

(2) A public body may require at the time a request is made a good faith deposit from the person requesting the public record or series of public records, if the fee authorized under this section exceeds \$50.00. The deposit shall not exceed 1/2 of the total fee.

(3) In calculating the cost of labor incurred in duplication and mailing and the cost of examination, review, separation, and deletion under subsection (1), a public body may not charge more than the hourly wage of the lowest paid public body employee capable of retrieving the information necessary to comply with a request under this act. Fees shall be uniform and not dependent upon the identity of the requesting person. A public body shall

utilize the most economical means available for making copies of public records. A fee shall not be charged for the cost of search, examination, review, and the deletion and separation of exempt from nonexempt information as provided in section 14 unless failure to charge a fee would result in unreasonably high costs to the public body because of the nature of the request in the particular instance, and the public body specifically identifies the nature of these unreasonably high costs. A public body shall establish and publish procedures and guidelines to implement this subsection.

(4) This section does not apply to public records prepared under an act or statute specifically authorizing the sale of those public records to the public, or if the amount of the fee for providing a copy of the public record is otherwise specifically provided by an act or statute.

History: 1976, Act 442, Eff. Apr. 13, 1977 ;--Am. 1988, Act 99, Imd. Eff. Apr. 11, 1988; --Am. 1996, Act 553, Eff. Mar. 31, 1997.

15.235 Request to inspect or receive copy of public record; response to request; failure to respond; damages; contents of notice denying request; signing notice of denial; notice extending period of response; action by requesting person.

Sec. 5. (1) Except as provided in section 3, a person desiring to inspect or receive a copy of a public record shall make a written request for the public record to the FOIA coordinator of a public body. A written request made by facsimile, electronic mail, or other electronic transmission is not received by a public body's FOIA coordinator until 1 business day after the electronic transmission is made.

(2) Unless otherwise agreed to in writing by the person making the request, a public body shall respond to a request for a public record within 5 business days after the public body receives the request by doing 1 of the following:

(a) Granting the request.

(b) Issuing a written notice to the requesting person denying the request.

(c) Granting the request in part and issuing a written notice to the requesting person denying the request in part.

(d) Issuing a notice extending for not more than 10 business days the period during which the public body shall respond to the request. A public body shall not issue more than 1 notice of extension for a particular request.

(3) Failure to respond to a request pursuant to subsection (2) constitutes a public body's final determination to deny the request. In a circuit court action to compel a public body's disclosure of a public record under section 10, the circuit court shall assess damages against the public body pursuant to section 10(8) if the circuit court has done both of the following:

(a) Determined that the public body has not complied with subsection (2).

(b) Ordered the public body to disclose or provide copies of all or a portion of the public record.

(4) A written notice denying a request for a public record in whole or in part is a public body's final determination to deny the request or portion of that request. The written notice shall contain:

(a) An explanation of the basis under this act or other statute for the determination that the public record, or portion of that public record, is exempt from disclosure, if that is the reason for denying all or a portion of the request.

(b) A certificate that the public record does not exist under the name given by the requester or by another name reasonably known to the public body, if that is the reason for denying the request or a portion of the request.

(c) A description of a public record or information on a public record that is separated or deleted pursuant to section 14, if a separation or deletion is made.

(d) A full explanation of the requesting person's right to do either of the following:

(i) Submit to the head of the public body a written appeal that specifically states the word "appeal" and identifies the reason or reasons for reversal of the disclosure denial.

(ii) Seek judicial review of the denial under section 10.

(e) Notice of the right to receive attorneys' fees and damages as provided in section 10 if, after judicial review, the circuit court determines that the public body has not complied with this section and orders disclosure of all or a portion of a public record.

(5) The individual designated in section 6 as responsible for the denial of the request shall sign the written notice of denial.

(6) If a public body issues a notice extending the period for a response to the request, the notice shall specify the reasons for the extension and the date by which the public body will do 1 of the following:

(a) Grant the request.

(b) Issue a written notice to the requesting person denying the request.

(c) Grant the request in part and issue a written notice to the requesting person denying the request in part.

(7) If a public body makes a final determination to deny in whole or in part a request to inspect or receive a copy of a public record or portion of that public record, the requesting person may do either of the following:

(a) Appeal the denial to the head of the public body pursuant to section 10.

(b) Commence an action in circuit court, pursuant to section 10.

History: 1976, Act 442, Eff. Apr. 13, 1977; --Am. 1978, Act 329, Imd. Eff. July 11, 1978; --Am. 1996, Act 553, Eff. Mar. 31, 1997.

Compiler's Note: In subsection (3), the reference to "section 10(8)" evidently should be a reference to "section 10(7)."

15.236 FOIA coordinator.

Sec. 6. (1) A public body that is a city, village, township, county, or state department, or under the control of a city, village, township, county, or state department, shall designate an individual as the public body's FOIA coordinator. The FOIA coordinator shall be responsible for accepting and processing requests for the public body's public records under this act and shall be responsible for approving a denial under section 5(4) and (5). In a county not having an executive form of government, the chairperson of the county board of commissioners is designated the FOIA coordinator for that county.

(2) For all other public bodies, the chief administrative officer of the respective public body is designated the public body's FOIA coordinator.

(3) An FOIA coordinator may designate another individual to act on his or her behalf in accepting and processing requests for the public body's public records, and in approving a denial under section 5(4) and (5).

History: 1976, Act 442, Eff. Apr. 13, 1977; --Am. 1996, Act 553, Eff. Mar. 31, 1997.

15.240 Options by requesting person; appeal; orders; venue; de novo proceeding; burden of proof; private view of public record; contempt; assignment of action or appeal for hearing, trial, or argument; attorneys' fees, costs, and disbursements; assessment of award; damages.

Sec. 10. (1) If a public body makes a final determination to deny all or a portion of a request, the requesting person may do 1 of the following at his or her option:

(a) Submit to the head of the public body a written appeal that specifically states the word "appeal" and identifies the reason or reasons for reversal of the denial.

(b) Commence an action in the circuit court to compel the public body's disclosure of the public records within 180 days after a public body's final determination to deny a request.

(2) Within 10 days after receiving a written appeal pursuant to subsection (1)(a), the head of a public body shall do 1 of the following:

(a) Reverse the disclosure denial.

(b) Issue a written notice to the requesting person upholding the disclosure denial.

(c) Reverse the disclosure denial in part and issue a written notice to the requesting person upholding the disclosure denial in part.

(d) Under unusual circumstances, issue a notice extending for not more than 10 business days the period during which the head of the public body shall respond to the written appeal. The head of a public body shall not issue more than 1 notice of extension for a particular written appeal.

(3) A board or commission that is the head of a public body is not considered to have received a written appeal under subsection (2) until the first regularly scheduled meeting of that board or commission following submission of the written appeal under subsection (1)(a). If the head of the public body fails to respond to a written appeal pursuant to subsection (2), or if the head of the public body upholds all or a portion of the disclosure denial that is the subject of the written appeal, the requesting person may seek judicial review of the nondisclosure by commencing an action in circuit court under subsection (1)(b).

(4) In an action commenced under subsection (1)(b), a court that determines a public record is not exempt from disclosure shall order the public body to cease withholding or to produce all or a portion of a public record wrongfully withheld, regardless of the location of the public record. The circuit court for the county in which the complainant resides or has his or her principal place of business, or the circuit court for the county in which the public record or an office of the public body is located has venue over the action. The court shall determine the matter de novo and the burden is on the public body to sustain its denial. The court, on its own motion, may view the public record in controversy in private before reaching a decision. Failure to comply with an order of the court may be punished as contempt of court.

(5) An action commenced under this section and an appeal from an action commenced under this section shall be assigned for hearing and trial or for argument at the earliest practicable date and expedited in every way.

(6) If a person asserting the right to inspect, copy, or receive a copy of all or a portion of a public record prevails in an action commenced under this section, the court shall award reasonable attorneys' fees, costs, and disbursements. If the person or public body prevails in part, the court may, in its discretion, award all or an appropriate portion of reasonable attorneys' fees, costs, and disbursements. The award shall be assessed against the public body liable for damages under subsection (7).

(7) If the circuit court determines in an action commenced under this section that the public body has arbitrarily and capriciously violated this act by refusal or delay in disclosing or providing copies of a public record, the court shall award, in addition to any actual or compensatory damages, punitive damages in the amount of \$500.00 to the person seeking the right to inspect or receive a copy of a public record. The damages shall not be assessed against an individual, but shall be assessed against the next succeeding public body that is not an individual and that kept or maintained the public record as part of its public function.

15.241 Matters required to be published and made available by state agencies; form of publications; effect on person of matter not published and made available; exception; action to compel compliance by state agency; order; attorneys' fees, costs, and disbursements; jurisdiction; definitions.

Sec. 11. (1) A state agency shall publish and make available to the public all of the following:

(a) Final orders or decisions in contested cases and the records on which they were made.

(b) Promulgated rules.

(c) Other written statements which implement or interpret laws, rules, or policy, including but not limited to guidelines, manuals, and forms with instructions, adopted or used by the agency in the discharge of its functions.

(2) Publications may be in pamphlet, loose-leaf, or other appropriate form in printed, mimeographed, or other written matter.

(3) Except to the extent that a person has actual and timely notice of the terms thereof, a person shall not in any manner be required to resort to, or be adversely affected by, a matter required to be published and made available, if the matter is not so published and made available.

(4) This section does not apply to public records which are exempt from disclosure under section 13.

(5) A person may commence an action in the circuit court to compel a state agency to comply with this section. If the court determines that the state agency has failed to comply, the court shall order the state agency to comply and shall award reasonable attorneys' fees, costs, and disbursements to the person commencing the action. The circuit court for the county in which the state agency is located shall have jurisdiction to issue the order.

(6) As used in this section, “state agency”, “contested case”, and “rules” shall have the same meanings as ascribed to those terms in Act No. 306 of the Public Acts of 1969, as amended, being sections 24.201 to 24.315 of the Michigan Compiled Laws.

History: 1976, Act 442, Eff. Apr. 13, 1977.

15.243 Exemptions from disclosure; public body as school district or public school academy; withholding of information required by law or in possession of executive office.

Sec. 13. (1) A public body may exempt from disclosure as a public record under this act any of the following:

(a) Information of a personal nature if public disclosure of the information would constitute a clearly unwarranted invasion of an individual's privacy.

(b) Investigating records compiled for law enforcement purposes, but only to the extent that disclosure as a public record would do any of the following:

(i) Interfere with law enforcement proceedings.

(ii) Deprive a person of the right to a fair trial or impartial administrative adjudication.

(iii) Constitute an unwarranted invasion of personal privacy.

(iv) Disclose the identity of a confidential source, or if the record is compiled by a law enforcement agency in the course of a criminal investigation, disclose confidential information furnished only by a confidential source.

(v) Disclose law enforcement investigative techniques or procedures.

(vi) Endanger the life or physical safety of law enforcement personnel.

(c) A public record that if disclosed would prejudice a public body's ability to maintain the physical security of custodial or penal institutions occupied by persons arrested or convicted of a crime or admitted because of a mental disability, unless the public interest in disclosure under this act outweighs the public interest in nondisclosure.

(d) Records or information specifically described and exempted from disclosure by statute.

(e) A public record or information described in this section that is furnished by the public body originally compiling, preparing, or receiving the record or information to a public officer or public body in connection with the performance of the duties of that public officer or public body, if the considerations originally giving rise to the exempt nature of the public record remain applicable.

(f) Trade secrets or commercial or financial information voluntarily provided to an agency for use in developing governmental policy if:

(i) The information is submitted upon a promise of confidentiality by the public body.

(ii) The promise of confidentiality is authorized by the chief administrative officer of the public body or by an elected official at the time the promise is made.

(iii) A description of the information is recorded by the public body within a reasonable time after it has been submitted, maintained in a central place within the public body, and made available to a person upon request. This subdivision does not apply to information submitted as required by law or as a condition of receiving a governmental contract, license, or other benefit.

(g) Information or records subject to the attorney-client privilege.

(h) Information or records subject to the physician-patient privilege, the psychologist-patient privilege, the minister, priest, or Christian Science practitioner privilege, or other privilege recognized by statute or court rule.

(i) A bid or proposal by a person to enter into a contract or agreement, until the time for the public opening of bids or proposals, or if a public opening is not to be conducted, until the deadline for submission of bids or proposals has expired.

(i) An agreement is entered into.

(ii) Three years have elapsed since the making of the appraisal, unless litigation relative to the acquisition has not yet terminated.

(k) Test questions and answers, scoring keys, and other examination instruments or data used to administer a license, public employment, or academic examination, unless the public interest in disclosure under this act outweighs the public interest in nondisclosure.

(l) Medical, counseling, or psychological facts or evaluations concerning an individual if the individual's identity would be revealed by a disclosure of those facts or evaluation, including protected health information, as defined in 45 CFR 160.103.

(m) Communications and notes within a public body or between public bodies of an advisory nature to the extent that they cover other than purely factual materials and are preliminary to a final agency determination of policy or action. This exemption does not apply unless the public body shows that in the particular instance the public interest in encouraging frank communication between officials and employees of public bodies clearly outweighs the public interest in disclosure. This exemption does not constitute an exemption under state law for purposes of section 8(h) of the open meetings act, 1976 PA 267, MCL 15.268. As used in this subdivision, "determination of policy or action" includes a determination relating to collective bargaining, unless the public record is otherwise required to be made available under 1947 PA 336, MCL 423.201 to 423.217.

(n) Records of law enforcement communication codes, or plans for deployment of law enforcement personnel, that if disclosed would prejudice a public body's ability to protect the public safety unless the public interest in disclosure under this act outweighs the public interest in nondisclosure in the particular instance.

(o) Information that would reveal the exact location of archaeological sites. The department of history, arts, and libraries may promulgate rules in accordance with the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, to provide for the disclosure of the location of archaeological sites for purposes relating to the preservation or scientific examination of sites.

(p) Testing data developed by a public body in determining whether bidders' products meet the specifications for purchase of those products by the public body, if disclosure of the data would reveal that only 1 bidder has met the specifications. This subdivision does not apply after 1 year has elapsed from the time the public body completes the testing.

(q) Academic transcripts of an institution of higher education established under section 5, 6, or 7 of article VIII of the state constitution of 1963, if the transcript pertains to a student who is delinquent in the payment of financial obligations to the institution.

(r) Records of a campaign committee including a committee that receives money from a state campaign fund.

(s) Unless the public interest in disclosure outweighs the public interest in nondisclosure in the particular instance, public records of a law enforcement agency, the release of which would do any of the following:

- (i) Identify or provide a means of identifying an informant.
 - (ii) Identify or provide a means of identifying a law enforcement undercover officer or agent or a plain clothes officer as a law enforcement officer or agent.
 - (iii) Disclose the personal address or telephone number of active or retired law enforcement officers or agents or a special skill that they may have.

 - (v) Disclose operational instructions for law enforcement officers or agents.

This subdivision does not apply to records or information pertaining to 1 or more of the following:
- (i) The fact that an allegation has been received and an investigation is being conducted, and the date the allegation was received.
 - (ii) The fact that an allegation was received by the department; the fact that the department did not issue a complaint for the allegation; and the fact that the allegation was dismissed.
 - (u) Records of a public body's security measures, including security plans, security codes and combinations, passwords, passes, keys, and security procedures, to the extent that the records relate to the ongoing security of the public body.
 - (v) Records or information relating to a civil action in which the requesting party and the public body are parties.
 - (w) Information or records that would disclose the social security number of an individual.
 - (x) Except as otherwise provided in this subdivision, an application for the position of president of an institution of higher education established under section 4, 5, or 6 of article VIII of the state constitution of 1963, materials submitted with such an application, letters of recommendation or references concerning an applicant, and records or information relating to the process of searching for and selecting an individual for a position described in this subdivision, if the records or information could be used to identify a candidate for the position. However, after 1 or more individuals have been identified as finalists for a position described in this subdivision, this subdivision does not apply to a public record

described in this subdivision, except a letter of recommendation or reference, to the extent that the public record relates to an individual identified as a finalist for the position.

(y) Records or information of measures designed to protect the security or safety of persons or property, whether public or private, including, but not limited to, building, public works, and public water supply designs to the extent that those designs relate to the ongoing security measures of a public body, capabilities and plans for responding to a violation of the Michigan anti-terrorism act, chapter LXXXIII-A of the Michigan penal code, 1931 PA 328, MCL 750.543a to 750.543z, emergency response plans, risk planning documents, threat assessments, and domestic preparedness strategies, unless disclosure would not impair a public body's ability to protect the security or safety of persons or property or unless the public interest in disclosure outweighs the public interest in nondisclosure in the particular instance.

(2) A public body shall exempt from disclosure information that, if released, would prevent the public body from complying with 20 USC 1232g, commonly referred to as the family educational rights and privacy act of 1974. A public body that is a local or intermediate school district or a public school academy shall exempt from disclosure directory information, as defined by 20 USC 1232g, commonly referred to as the family educational rights and privacy act of 1974, requested for the purpose of surveys, marketing, or solicitation, unless that public body determines that the use is consistent with the educational mission of the public body and beneficial to the affected students. A public body that is a local or intermediate school district or a public school academy may take steps to ensure that directory information disclosed under this subsection shall not be used, rented, or sold for the purpose of surveys, marketing, or solicitation. Before disclosing the directory information, a public body that is a local or intermediate school district or a public school academy may require the requester to execute an affidavit stating that directory information provided under this subsection shall not be used, rented, or sold for the purpose of surveys, marketing, or solicitation.

(3) This act does not authorize the withholding of information otherwise required by law to be made available to the public or to a party in a contested case under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328.

125.1652 Authority; establishment; restriction; public body corporate; powers generally.

Sec. 2. (1) Except as otherwise provided in this subsection, a municipality may establish 1 authority. If, before November 1, 1985, a municipality establishes more than 1 authority, those authorities may continue to exist as separate authorities. Under the conditions described in section 3a, a municipality may have more than 1 authority within that municipality's boundaries. A parcel of property shall not be included in more than 1 authority created by this act.

(2) An authority shall be a public body corporate which may sue and be sued in any court of this state. An authority possesses all the powers necessary to carry out the purpose of its incorporation. The enumeration of a power in this act shall not be construed as a limitation upon the general powers of an authority.

History: 1975, Act 197, Imd. Eff. Aug. 13, 1975 ;-- Am. 1985, Act 159, Imd. Eff. Nov. 15, 1985.

125.1653 Resolution of intent to create and provide for operation of authority; public hearing on proposed ordinance creating authority and designating boundaries of downtown district; notice; exemption of taxes from capture; adoption, filing, and publication of ordinance; altering or amending boundaries; agreement with adjoining municipality; agreement with qualified township.

Sec. 3. (1) When the governing body of a municipality determines that it is necessary for the best interests of the public to halt property value deterioration and increase property tax valuation where possible in its business district, to eliminate the causes of that deterioration, and to promote economic growth, the governing body may, by resolution, declare its intention to create and provide for the operation of an authority.

(2) In the resolution of intent, the governing body shall set a date for the holding of a public hearing on the adoption of a proposed ordinance creating the authority and designating the boundaries of the downtown district. Notice of the public hearing shall be published twice in a newspaper of general circulation in the municipality, not less than 20 or more than 40 days before the date of the hearing. Not less than 20 days before the hearing, the governing body proposing to create the authority shall also mail notice of the hearing to the property taxpayers of record in the proposed district and for a public hearing to be held after February 15, 1994 to the governing body of each taxing jurisdiction levying taxes that would be subject to capture if the authority is established and a tax increment financing plan is approved. Beginning June 1, 2005, the notice of

hearing within the time frame described in this subsection shall be mailed by certified mail to the governing body of each taxing jurisdiction levying taxes that would be subject to capture if the authority is established and a tax increment financing plan is approved. Failure of a property taxpayer to receive the notice shall not invalidate these proceedings. Notice of the hearing shall be posted in at least 20 conspicuous and public places in the proposed downtown district not less than 20 days before the hearing. The notice shall state the date, time, and place of the hearing, and shall describe the boundaries of the proposed downtown district. A citizen, taxpayer, or property owner of the municipality or an official from a taxing jurisdiction with millage that would be subject to capture has the right to be heard in regard to the establishment of the authority and the boundaries of the proposed downtown district. The governing body of the municipality shall not incorporate land into the downtown district not included in the description contained in the notice of public hearing, but it may eliminate described lands from the downtown district in the final determination of the boundaries.

(3) Not more than 60 days after a public hearing held after February 15, 1994, the governing body of a taxing jurisdiction levying ad valorem property taxes that would otherwise be subject to capture may exempt its taxes from capture by adopting a resolution to that effect and filing a copy with the clerk of the municipality proposing to create the authority. The resolution takes effect when filed with that clerk and remains effective until a copy of a resolution rescinding that resolution is filed with that clerk.

(4) Not less than 60 days after the public hearing, if the governing body of the municipality intends to proceed with the establishment of the authority, it shall adopt, by majority vote of its members, an ordinance establishing the authority and designating the boundaries of the downtown district within which the authority shall exercise its powers. The adoption of the ordinance is subject to any applicable statutory or charter provisions in respect to the approval or disapproval by the chief executive or other officer of the municipality and the adoption of an ordinance over his or her veto. This ordinance shall be filed with the secretary of state promptly after its adoption and shall be published at least once in a newspaper of general circulation in the municipality.

(5) The governing body of the municipality may alter or amend the boundaries of the downtown district to include or exclude lands from the downtown district pursuant to the same requirements for adopting the ordinance creating the authority.

(6) A municipality that has created an authority may enter into an agreement with an adjoining municipality that has created an authority to jointly operate and administer those authorities under an interlocal agreement under the urban cooperation act of 1967, 1967 (Ex Sess) PA 7, MCL 124.501 to 124.512.

(7) A municipality that has created an authority may enter into an agreement with a qualified township to operate its authority in a downtown district in the qualified township under an interlocal agreement under the urban cooperation act of 1967, 1967 (Ex Sess) PA 7, MCL 124.501 to 124.512. The interlocal agreement between the municipality and the qualified township shall provide for, but is not limited to, all of the following:

- (b) Determination and modification of downtown district, business district, and development area.
- (c) Modification of development area and development plan.

(d) Issuance and repayment of obligations.

125.1653a Authority of annexing or consolidated municipality; obligations, agreements, and bonds.

Sec. 3a. If a downtown district is part of an area annexed to or consolidated with another municipality, the authority managing that district shall become an authority of the annexing or consolidated municipality. Obligations of that authority incurred under a development or tax increment plan, agreements related to a development or tax increment plan, and bonds issued under this act shall remain in effect following the annexation or consolidation.

History: Add. 1985, Act 159, Imd. Eff. Nov. 15, 1985.

125.1664 Tax increment financing plan; preparation and contents; limitation; definition; public hearing; fiscal and economic implications; recommendations; agreements; modification of plan.

Sec. 14. (1) When the authority determines that it is necessary for the achievement of the purposes of this act, the authority shall prepare and submit a tax increment financing plan to the governing body of the municipality. The plan shall include a development plan as provided in section 17, a detailed explanation of the tax increment procedure, the maximum amount of bonded indebtedness to be incurred, and the duration of the program, and shall be in compliance with section 15. The plan shall contain a statement of the estimated impact of tax increment financing on the assessed values of all taxing jurisdictions in which the development area is located. The plan may provide for the use of part or all of the captured assessed value, but the portion intended to be used by the authority shall be clearly stated in the tax increment financing plan.

The authority or municipality may exclude from captured assessed value growth in property value resulting solely from inflation. The plan shall set forth the method for excluding growth in property value resulting solely from inflation.

(2) The percentage of taxes levied for school operating purposes that is captured and used by the tax increment financing plan shall not be greater than the plan's percentage capture and use of taxes levied by a municipality or county for operating purposes. For purposes of the previous sentence, taxes levied by a county for operating purposes include only millage allocated for county or charter county purposes under the property tax limitation act, Act No. 62 of the Public Acts of 1933, being sections 211.201 to 211.217a of the Michigan Compiled Laws. For purposes of this subsection, tax increment revenues used to pay bonds issued by a municipality under section 16(1) shall be considered to be used by the tax increment financing plan rather than shared with the municipality. The limitation of this subsection does not apply to the portion of the captured assessed value shared pursuant to an agreement entered into before 1989 with

(4) Before the public hearing on the tax increment financing plan, the governing body shall provide a reasonable opportunity to the taxing jurisdictions levying taxes subject to capture to meet with the governing body. The authority shall fully inform the taxing jurisdictions of the fiscal and economic implications of the proposed development area. The taxing jurisdictions may present their recommendations at the public hearing on the tax increment financing plan. The authority may enter into agreements with the taxing jurisdictions and the governing body of the municipality in which the development area is located to share a portion of the captured assessed value of the district.

125.2154 Resolution of intent; notice of public hearing; hearing; resolution exempting taxes from capture; resolution establishing authority and designating boundaries; filing and publication; alteration or amendment of boundaries; validity of proceedings; establishment of authority by 2 or more municipalities; procedures to be followed by next Michigan development corporation.

Sec. 4. (1) The governing body of a municipality may declare by resolution adopted by a majority of its members elected and serving its intention to create and provide for the operation of an authority.

(2) In the resolution of intent, the governing body proposing to create the authority shall set a date for holding a public hearing on the adoption of a proposed resolution creating the authority and designating the boundaries of the authority district or districts. Notice of the public hearing shall be published twice in a newspaper of general circulation in the municipality, not less than 20 nor more than 40 days before the date of the hearing. Except as otherwise provided in subsection (8), not less than 20 days before the hearing, the governing body proposing to create the authority shall also mail notice of the hearing to the property taxpayers of record in a proposed authority district and, for a public hearing to be held after February 15, 1994, to the governing body of each taxing jurisdiction levying taxes that would be subject to capture if the authority is established and a tax increment financing plan is approved. Beginning June 1, 2005, the notice of hearing within the time frame described in this subsection shall be mailed by certified mail to the governing body of each taxing jurisdiction levying taxes that would be subject to capture if the authority is established and a tax increment financing plan is approved. Failure of a property taxpayer to receive the notice shall not invalidate these proceedings. The notice shall state the date, time, and place of the hearing, and shall describe the boundaries of the proposed authority district or districts. At that hearing, a resident, taxpayer, or property owner from a taxing jurisdiction in which the proposed district is located or an official from a taxing jurisdiction

with millage that would be subject to capture has the right to be heard in regard to the establishment of the authority and the boundaries of that proposed authority district. The governing body of the municipality in which a proposed district is to be located shall not incorporate land into an authority district not included in the description contained in the notice of public hearing, but it may eliminate lands described in the notice of public hearing from an authority district in the final determination of the boundaries.

(3) Except as otherwise provided in subsection (8), not more than 60 days after a public hearing held after February 15, 1994, the governing body of a taxing jurisdiction with millage that would otherwise be subject to capture may exempt its taxes from capture by adopting a resolution to that effect and filing a copy with the clerk of the municipality proposing to create the authority. However, a resolution by a governing body of a taxing jurisdiction to exempt its taxes from capture is not effective for the capture of taxes that are used for a certified technology park or a certified alternative energy park. The resolution takes effect when filed with that clerk and remains effective until a copy of a resolution rescinding that resolution is filed with that clerk.

(4) Except as otherwise provided in subsection (8), not less than 60 days after the public hearing or a shorter period as determined by the governing body for a certified technology park or a certified alternative energy park, if the governing body creating the authority intends to proceed with the establishment of the authority, it shall adopt, by majority vote of its members elected and serving, a resolution establishing the authority and designating the boundaries of the authority district or districts within which the authority shall exercise its powers. The adoption of the resolution is subject to any applicable statutory or charter provisions with respect to the approval or disapproval of resolutions by the chief executive officer of the municipality and the adoption of a resolution over his or her veto. This resolution shall be filed with the secretary of state promptly after its adoption and shall be published at least once in a newspaper of general circulation in the municipality.

(5) The governing body may alter or amend the boundaries of an authority district to include or exclude lands from that authority district or create new authority districts pursuant to the same requirements prescribed for adopting the resolution creating the authority.

(6) The validity of the proceedings establishing an authority shall be conclusive unless contested in a court of competent jurisdiction within 60 days after the last of the following takes place:

(a) Publication of the resolution creating the authority as adopted.

(b) Filing of the resolution creating the authority with the secretary of state.

(7) Except as otherwise provided by this subsection, if 2 or more municipalities desire to establish an authority under section 3(2), each municipality in which the authority district will be located shall comply with the procedures prescribed by this act. The notice required by subsection (2) may be published jointly by the municipalities establishing the authority. The resolutions establishing the authority shall include, or shall approve an agreement including, provisions governing the number of members on the board, the method of appointment, the members to be represented by governmental units or agencies, the terms of initial and subsequent appointments to the board, the manner in which a member of the board may be removed for cause before the expiration of his or her term, the manner in which the authority may be dissolved, and the disposition of assets upon dissolution. An

authority described in this subsection shall not be considered established unless all of the following conditions are satisfied:

(a) A resolution is approved and filed with the secretary of state by each municipality in which the authority district will be located.

(b) The same boundaries have been approved for the authority district by the governing body of each municipality in which the authority district will be located.

(c) The governing body of the county in which a majority of the authority district will be located has approved by resolution the creation of the authority.

(8) For an authority created under section 3(3), except as otherwise provided by this subsection, the next Michigan development corporation shall comply with the procedures prescribed for a municipality by subsections (1) and (2) and this subsection. The provisions of subsections (3) and (4) shall not apply to an authority exercising its powers under section 3(3). The notice required by subsection (2) may be published by the next Michigan development corporation in a newspaper or newspapers of general circulation within the municipalities which are constituent members of the next Michigan development corporation, and notice shall not be required to be mailed to the property taxpayers of record in the proposed authority district. The governing body of the next Michigan development corporation shall be the governing body of the authority. A taxing jurisdiction levying ad valorem taxes within the authority district that would otherwise be subject to capture which is not a party to the intergovernmental agreement may exempt its taxes from capture by adopting a resolution to that effect and filing a copy not more than 60 days after the public hearing with the recording officer of the next Michigan development corporation. The next Michigan development corporation shall mail notice of the public hearing to the governing body of each taxing jurisdiction which is not a party to the intergovernmental agreement not less than 20 days before the hearing. Following the public hearing, the governing body of the next Michigan development corporation shall adopt a resolution designating the boundaries of the authority district within which the authority shall exercise its powers, which may include any certified technology park within the proposed authority district in accordance with this subsection and may include property adjacent to or within 1,500 feet of a road classified as an arterial or collector according to the federal highway administration manual "Highway Functional Classification - Concepts, Criteria and Procedures" or of another road in the discretion of the next Michigan development corporation, and property adjacent to that property within the territory of the next Michigan development corporation, as provided in the resolution. The resolution shall be effective when adopted, shall be filed with the secretary of state and the president of the Michigan strategic fund promptly after its adoption, and shall be published at least once in a newspaper of general circulation in the territory of the next Michigan development corporation. If an authority district designated under this subsection or subsequently amended includes a certified technology park which is within the authority district of another authority and which is subject to an existing development plan or tax increment financing plan, then that certified technology park may be considered to be under the jurisdiction of the authority established under section 3(3) if so provided in a resolution of the authority established under section 3(3) and if approved by resolution of the governing body of the municipality which created the other authority, and by the president of the Michigan strategic fund. If so provided and approved, then the development plan and tax increment financing plan applicable to the certified technology

park, including all assets and obligations under the plans, shall be considered assigned and transferred from the other authority to the authority created under section 3(3), and the initial assessed value of the certified technology park prior to the transfer shall remain the initial assessed value of the certified technology park following the transfer. The transfer shall be effective as of the later of the effective date of the resolution of the authority established under section 3(3), the resolution approved by the governing body of the municipality which created the other authority, and the approval of the president of the Michigan strategic fund.

125.2162 Tax increment financing plan.

Sec. 12. (1) If the board determines that it is necessary for the achievement of the purposes of this act, the board shall prepare and submit a tax increment financing plan to the governing body. The plan shall be in compliance with section 13 and shall include a development plan as provided in section 15. The plan shall also contain the following:

(a) A statement of the reasons that the plan will result in the development of captured assessed value that could not otherwise be expected. The reasons may include, but are not limited to, activities of the municipality, authority, or others undertaken before formulation or adoption of the plan in reasonable anticipation that the objectives of the plan would be achieved by some means.

(b) An estimate of the captured assessed value for each year of the plan. The plan may provide for the use of part or all of the captured assessed value or, subject to subsection (3), of the tax increment revenues attributable to the levy of any taxing jurisdiction, but the portion intended to be used shall be clearly stated in the plan. The board or the municipality creating the authority may exclude from captured assessed value a percentage of captured assessed value as specified in the plan or growth in property value resulting solely from inflation. If excluded, the plan shall set forth the method for excluding growth in property value resulting solely from inflation.

(c) The estimated tax increment revenues for each year of the plan.

(d) A detailed explanation of the tax increment procedure.

(e) The maximum amount of note or bonded indebtedness to be incurred, if any.

(f) The amount of operating and planning expenditures of the authority and municipality, the amount of advances extended by or indebtedness incurred by the municipality, and the amount of advances by others to be repaid from tax increment revenues.

(g) The costs of the plan anticipated to be paid from tax increment revenues as received.

(h) The duration of the development plan and the tax increment plan.

(i) An estimate of the impact of tax increment financing on the revenues of all taxing jurisdictions in which the eligible property is or is anticipated to be located.

(j) A legal description of the eligible property to which the tax increment financing plan applies or shall apply upon qualification as eligible property.

(k) An estimate of the number of jobs to be created as a result of implementation of the tax increment financing plan.

(l) The proposed boundaries of a certified technology park to be created under an agreement proposed to be entered into pursuant to section 12a, or of a certified alternative

energy park to be created under an agreement proposed to be entered into pursuant to section 12c, or of a next Michigan development area designated under section 12e, an identification of the real property within the certified technology park, the certified alternative energy park, or the next Michigan development area to be included in the tax increment financing plan for purposes of determining tax increment revenues, and whether personal property located in the certified technology park, the certified alternative energy park, or the next Michigan development area is exempt from determining tax increment revenues.

(2) Except as provided in subsection (7), a tax increment financing plan shall provide for the use of tax increment revenues for public facilities for eligible property whose captured assessed value produces the tax increment revenues or, to the extent the eligible property is located within a business development area or a next Michigan development area, for other eligible property located in the business development area or the next Michigan development area. Public facilities for eligible property include the development or improvement of access to and around, or within the eligible property, of road facilities reasonably required by traffic flow to be generated by the eligible property, and the development or improvement of public facilities that are necessary to service the eligible property, whether or not located on that eligible property. If the eligible property identified in the tax increment financing plan is property to which section 2(p)(iv) applies, the tax increment financing plan shall not provide for the use of tax increment revenues for public facilities other than those described in the development plan as of April 1, 1991. Whether or not provided in the tax increment financing plan, if the eligible property identified in the tax increment financing plan is property to which section 2(s)(iv) applies, then to the extent that captured tax increment revenues are utilized for the costs of cleanup of identified soil and groundwater contamination, the captured tax increment revenues shall be first credited against the shares of responsibility for the total costs of cleanup of uncollectible parties who are responsible for the identified soil and groundwater contamination pursuant to law, and then shall be credited on a pro rata basis against the shares of responsibility for the total costs of cleanup of other parties who are responsible for the identified soil and groundwater contamination pursuant to law.

(3) The percentage of taxes levied for school operating purposes that is captured and used by the tax increment financing plan and the tax increment financing plans under 1975 PA 197, MCL 125.1651 to 125.1681, the tax increment finance authority act, 1980 PA 450, MCL 125.1801 to 125.1830, and the brownfield redevelopment financing act, 1996 PA 381, MCL 125.2651 to 125.2672, shall not be greater than the percentage capture and use of taxes levied by a municipality or county for operating purposes under the tax increment financing plan and tax increment financing plans under 1975 PA 197, MCL 125.1651 to 125.1681, the tax increment finance authority act, 1980 PA 450, MCL 125.1801 to 125.1830, and the brownfield redevelopment financing act, 1996 PA 381, MCL 125.2651 to 125.2672. For purposes of the previous sentence, taxes levied by a county for operating purposes include only millage allocated for county or charter county purposes under the property tax limitation act, 1933 PA 62, MCL 211.201 to 211.217a.

(4) Except as otherwise provided by this subsection, approval of the tax increment financing plan shall be in accordance with the notice, hearing, disclosure, and approval provisions of sections 16 and 17. If the development plan is part of the tax increment financing plan, only 1 hearing and approval procedure is required for the 2 plans together.

For a plan submitted by an authority established by 2 or more municipalities under sections 3(2) and 4(7) or by an authority established by a next Michigan development corporation under sections 3(3) and 4(8), the notice required by section 16 may be published jointly by the municipalities in which the authority district is located or by the next Michigan development corporation. For a plan submitted by an authority exercising its powers under sections 3(2) and 4(7), the plan shall not be considered approved unless each governing body in which the authority district is located makes the determinations required by section 17 and approves the same plan, including the same modifications, if any, made to the plan by any other governing body. A plan submitted by an authority exercising its powers under sections 3(3) and 4(8) shall be approved if the governing body of the next Michigan development corporation makes the determinations required by section 17.

(5) Before the public hearing on the tax increment financing plan, the governing body shall provide a reasonable opportunity to the taxing jurisdictions levying taxes subject to capture to express their views and recommendations regarding the tax increment financing plan. The authority shall fully inform the taxing jurisdictions about the fiscal and economic implications of the proposed tax increment financing plan. The taxing jurisdictions may present their recommendations at the public hearing on the tax increment financing plan. The authority may enter into agreements with the taxing jurisdictions and the governing body of the municipality in which the authority district is located to share a portion of the captured assessed value of the district or to distribute tax increment revenues among taxing jurisdictions. Upon adoption of the plan, the collection and transmission of the amount of tax increment revenues, as specified in this act, shall be binding on all taxing units levying ad valorem property taxes or specific local taxes against property located in the authority district.

(6) Property qualified as a public facility under section 2(ff)(ii) that is acquired by an authority may be sold, conveyed, or otherwise disposed to any person, public or private, for fair market value or reasonable monetary consideration established by the authority with the concurrence of the Michigan economic development corporation and the municipality in which the eligible property is located based on a fair market value appraisal from a fee appraiser only if the property is sold for fair market value. Unless the property acquired by an authority was located within a certified business park, a certified technology park, a certified alternative energy park, or a next Michigan development area at the time of disposition, an authority shall remit all monetary proceeds received from the sale or disposition of property that qualified as a public facility under section 2(ff)(ii) and was purchased with tax increment revenues to the taxing jurisdictions. Proceeds distributed to taxing jurisdictions shall be remitted in proportion to the amount of tax increment revenues attributable to each taxing jurisdiction in the year the property was acquired. If the property was acquired in part with funds other than tax increment revenues, only that portion of the monetary proceeds received upon disposition that represent the proportion of the cost of acquisition paid with tax increment revenues is required to be remitted to taxing jurisdictions. If the property is located within a certified business park, a certified technology park, or a certified alternative energy park, or a next Michigan development area at the time of disposition, the monetary proceeds received from the sale or disposition of that property may be retained by the authority for any purpose necessary to further the development program for the certified business park, certified technology park, certified

alternative energy park, or next Michigan development area in accordance with the tax increment financing plan.

(7) The tax increment financing plan may provide for the use of tax increment revenues from a certified technology park for public facilities for any eligible property located in the certified technology park. The tax increment financing plan may provide for the use of tax increment revenues from a certified alternative energy park for public facilities for any eligible property located in the certified alternative energy park. The tax increment financing plan may provide for the use of tax increment revenues within or without the development area from which the tax increment revenues are derived, provided that the tax increment revenues shall be used for public facilities within a next Michigan development area within the municipality whose levy has contributed to the tax increment revenues except as otherwise provided in the interlocal agreement creating the next Michigan development corporation that established the authority.

(8) If title to property qualified as a public facility under section 2(ff)(ii) and acquired by an authority with tax increment revenues is sold, conveyed, or otherwise disposed of pursuant to subsection (6) for less than fair market value, the authority shall enter into an agreement relating to the use of the property with the person to whom the property is sold, conveyed, or disposed of, which agreement shall include a penalty provision addressing repayment to the authority if any interest in the property is sold, conveyed, or otherwise disposed of by the person within 12 years after the person received title to the property from the authority. This subsection shall not require enforcement of a penalty provision for a conveyance incident to a merger, acquisition, reorganization, sale-lease back transaction, employee stock ownership plan, or other change in corporate or business form or structure.

(9) The penalty provision described in subsection (8) shall not be less than an amount equal to the difference between the fair market value of the property when originally sold, conveyed, or otherwise disposed of and the actual consideration paid by the person to whom the property was originally sold, conveyed, or otherwise disposed of.

(3) At the time set for hearing, the governing body shall provide an opportunity for interested persons to be heard and shall receive and consider communications in writing with reference to the matter. The hearing shall provide the fullest opportunity for expression of opinion, for argument on the merits, and for introduction of documentary evidence pertinent to the development plan. The governing body shall make and preserve a record of the public hearing, including all data presented at that time.

The resolution takes effect when filed with that clerk and remains effective until a copy of a resolution rescinding that resolution is filed with that clerk.

125.2663 Brownfield plan; provisions.

Sec. 13. (1) Subject to section 15, the board may implement a brownfield plan. The brownfield plan may apply to 1 or more parcels of eligible property whether or not those parcels of eligible property are contiguous and may be amended to apply to additional parcels of eligible property. Except as otherwise authorized by this act, if more than 1 eligible property is included within the plan, the tax increment revenues under the plan shall be determined individually for each eligible property. Each plan or an amendment to a plan shall be approved by the governing body of the municipality and shall contain all of the following:

(a) A description of the costs of the plan intended to be paid for with the tax increment revenues or, for a plan for eligible properties qualified on the basis that the property is owned or under the control of a land bank fast track authority, a listing of all eligible activities that may be conducted for 1 or more of the eligible properties subject to the plan.

(b) A brief summary of the eligible activities that are proposed for each eligible property or, for a plan for eligible properties qualified on the basis that the property is owned or under the control of a land bank fast track authority, a brief summary of eligible activities conducted for 1 or more of the eligible properties subject to the plan.

(c) An estimate of the captured taxable value and tax increment revenues for each year of the plan from the eligible property. The plan may provide for the use of part or all of the captured taxable value, including deposits in the local site remediation revolving fund, but the portion intended to be used shall be clearly stated in the plan. The plan shall not provide either for an exclusion from captured taxable value of a portion of the captured taxable value or for an exclusion of the tax levy of 1 or more taxing jurisdictions unless the tax levy is excluded from tax increment revenues in section 2(dd), or unless the tax levy is excluded from capture under section 15.

(d) The method by which the costs of the plan will be financed, including a description of any advances made or anticipated to be made for the costs of the plan from the municipality.

(e) The maximum amount of note or bonded indebtedness to be incurred, if any.

(f) The duration of the brownfield plan for eligible activities on a particular eligible property which shall not exceed 30 years following the beginning date of the capture of tax increment revenues for that particular eligible property. Each plan amendment shall also contain the duration of capture of tax increment revenues including the beginning date of the capture of tax increment revenues, which beginning date shall be identified in the brownfield plan and which beginning date shall not be later than 5 years following the date of the resolution approving the plan amendment related to a particular eligible property and which duration shall not exceed the lesser of the period authorized under subsections (4) and (5) or 30 years from the beginning date of the capture of tax increment revenues.

The date for the beginning of capture of tax increment revenues from a particular eligible property may be amended by the authority but not to a date later than 5 years after the date of the resolution adopting the plan for that eligible property. If a project fails to occur for which eligible activities on a particular eligible property were identified in a plan, the date for the beginning of capture of tax increment revenues from that eligible property may be amended by the authority for eligible activities associated with a new project but not to a date later than 5 years after the date of the resolution amending the plan for that new project. The authority may not amend the date for the beginning of capture of tax increment revenues for a particular eligible property if the authority has begun to reimburse eligible activities from the capture of tax increment revenues from that eligible property. Any tax increment revenues captured from an eligible property before the beginning date of capture of tax increment revenues for that eligible property shall revert proportionately to the respective tax bodies. The authority may not amend the date for the beginning of capture if that amendment would lead to the duration of capture of tax increment revenues being longer than 30 years or the period authorized under subsections (4) and (5). If the date for the beginning of capture of tax increment revenues is amended by the authority and that plan includes the capture of tax increment revenues for school operating purposes, then the authority that amended that plan shall notify the department and the Michigan economic growth authority within 30 days of the approval of the amendment.

(g) An estimate of the impact of tax increment financing on the revenues of all taxing jurisdictions in which the eligible property is located.

(h) A legal description of the eligible property to which the plan applies, a map showing the location and dimensions of each eligible property, a statement of the characteristics that qualify the property as eligible property, and a statement of whether personal property is included as part of the eligible property. If the project is on property that is functionally obsolete, the taxpayer shall include, with the application, an affidavit signed by a level 3 or level 4 assessor, that states that it is the assessor's expert opinion that the property is functionally obsolete and the underlying basis for that opinion.

(i) Estimates of the number of persons residing on each eligible property to which the plan applies and the number of families and individuals to be displaced. If occupied residences are designated for acquisition and clearance by the authority, the plan shall include a demographic survey of the persons to be displaced, a statistical description of the housing supply in the community, including the number of private and public units in existence or under construction, the condition of those in existence, the number of owner-occupied and renter-occupied units, the annual rate of turnover of the various types of housing and the range of rents and sale prices, an estimate of the total demand for housing in the community, and the estimated capacity of private and public housing available to displaced families and individuals.

(j) A plan for establishing priority for the relocation of persons displaced by implementation of the plan.

(k) Provision for the costs of relocating persons displaced by implementation of the plan, and financial assistance and reimbursement of expenses, including litigation expenses and expenses incident to the transfer of title, in accordance with the standards and provisions of the uniform relocation assistance and real property acquisition policies act of 1970, Public Law 91-646.

- (l) A strategy for compliance with 1972 PA 227, MCL 213.321 to 213.332.
 - (m) A description of proposed use of the local site remediation revolving fund.
 - (n) Other material that the authority or governing body considers pertinent.
- (2) The percentage of all taxes levied on a parcel of eligible property for school operating expenses that is captured and used under a brownfield plan and all tax increment finance plans under 1975 PA 197, MCL 125.1651 to 125.1681, the tax increment finance authority act, 1980 PA 450, MCL 125.1801 to 125.1830, or the local development financing act, 1986 PA 281, MCL 125.2151 to 125.2174, shall not be greater than the combination of the plans' percentage capture and use of all local taxes levied for purposes other than for the payment of principal of and interest on either obligations approved by the electors or obligations pledging the unlimited taxing power of the local unit of government. This subsection shall apply only when taxes levied for school operating purposes are subject to capture under section 15.
- (3) Except as provided in this subsection and subsections (5), (15), and (16), tax increment revenues related to a brownfield plan shall be used only for costs of eligible activities attributable to the eligible property, the captured taxable value of which produces the tax increment revenues, including the cost of principal of and interest on any obligation issued by the authority to pay the costs of eligible activities attributable to the eligible property, and the reasonable costs of preparing a brownfield plan or a work plan for the eligible property, including the actual cost of the review of the work plan under section 15. For property owned or under the control of a land bank fast track authority, tax increment revenues related to a brownfield plan may be used for eligible activities attributable to any eligible property owned or under the control of the land bank fast track authority, the cost of principal of and interest on any obligation issued by the authority to pay the costs of eligible activities, the reasonable costs of preparing a work plan, and the actual cost of the review of the work plan under section 15. Except as provided in subsection (18), tax increment revenues captured from taxes levied by this state under the state education tax act, 1993 PA 331, MCL 211.901 to 211.906, or taxes levied by a local school district shall not be used for eligible activities described in section 2(m)(iv)(E).
- (4) Except as provided in subsection (5), a brownfield plan shall not authorize the capture of tax increment revenue from eligible property after the year in which the total amount of tax increment revenues captured is equal to the sum of the costs permitted to be funded with tax increment revenues under this act.
- (5) A brownfield plan may authorize the capture of additional tax increment revenue from an eligible property in excess of the amount authorized under subsection (4) during the time of capture for the purpose of paying the costs permitted under subsection (3), or for not more than 5 years after the time that capture is required for the purpose of paying the costs permitted under subsection (3), or both. Excess revenues captured under this subsection shall be deposited in the local site remediation revolving fund created under section 8 and used for the purposes authorized in section 8. If tax increment revenues attributable to taxes levied for school operating purposes from eligible property are captured by the authority for purposes authorized under subsection (3), the tax increment revenues captured for deposit in the local site remediation revolving fund also may include tax increment revenues attributable to taxes levied for school operating purposes in an amount not greater than the tax increment revenues levied for school operating purposes captured from the eligible property by the authority for the purposes authorized under

subsection (3). Excess tax increment revenues from taxes levied for school operating purposes for eligible activities authorized under subsection (15) by the Michigan economic growth authority shall not be captured for deposit in the local site remediation revolving fund.

(6) An authority shall not expend tax increment revenues to acquire or prepare eligible property, unless the acquisition or preparation is an eligible activity.

(7) Costs of eligible activities attributable to eligible property include all costs that are necessary or related to a release from the eligible property, including eligible activities on properties affected by a release from the eligible property. For purposes of this subsection, "release" means that term as defined in section 20101 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.20101.

(8) Costs of a response activity paid with tax increment revenues that are captured pursuant to subsection (3) may be recovered from a person who is liable for the costs of eligible activities at an eligible property. This state or an authority may undertake cost recovery for tax increment revenue captured. Before an authority or this state may institute a cost recovery action, it must provide the other with 120 days' notice. This state or an authority that recovers costs under this subsection shall apply those recovered costs to the following, in the following order of priority:

(a) The reasonable attorney fees and costs incurred by this state or an authority in obtaining the cost recovery.

(b) One of the following:

(i) If an authority undertakes the cost recovery action, the authority shall deposit the remaining recovered funds into the local site remediation fund created pursuant to section 8, if such a fund has been established by the authority. If a local site remediation fund has not been established, the authority shall disburse the remaining recovered funds to the local taxing jurisdictions in the proportion that the local taxing jurisdictions' taxes were captured.

(ii) If this state undertakes a cost recovery action, this state shall deposit the remaining recovered funds into the revitalization revolving loan fund established under section 20108a of the natural resources and environmental protection act, 1994 PA 451, MCL 324.20108a.

(iii) If this state and an authority each undertake a cost recovery action, undertake a cost recovery action jointly, or 1 on behalf of the other, the amount of any remaining recovered funds shall be deposited pursuant to subparagraphs (i) and (ii) in the proportion that the tax increment revenues being recovered represent local taxes and taxes levied for school operating purposes, respectively.

(9) Approval of the brownfield plan or an amendment to a brownfield plan shall be in accordance with the notice and approval provisions of this section and section 14.

(10) Before approving a brownfield plan for an eligible property, the governing body shall hold a public hearing on the brownfield plan. By resolution, the governing body may delegate the public hearing process to the authority or to a subcommittee of the governing body subject to final approval by the governing body. Notice of the time and place of the hearing shall be given by publication twice in a newspaper of general circulation designated by the municipality, not less than 10 or more than 40 days before the date set for the hearing.

(11) Notice of the time and place of the hearing on a brownfield plan shall contain all of the following:

(a) A description of the property to which the plan applies in relation to existing or proposed highways, streets, streams, or otherwise.

(c) Any other information that the governing body considers appropriate.

(12) At the time set for the hearing on the brownfield plan required under subsection (10), the governing body shall ensure that interested persons have an opportunity to be heard and that written communications with reference to the brownfield plan are received and considered. The governing body shall ensure that a record of the public hearing is made and preserved, including all data presented at the hearing.

(13) Not less than 10 days before the hearing on the brownfield plan, the governing body shall provide notice of the hearing to the taxing jurisdictions that levy taxes subject to capture under this act. The authority shall fully inform the taxing jurisdictions about the fiscal and economic implications of the proposed brownfield plan. At that hearing, an official from a taxing jurisdiction with millage that would be subject to capture under this act has the right to be heard in regard to the adoption of the brownfield plan. Not less than 10 days before the hearing on the brownfield plan, the governing body shall provide notice of the hearing to the department if the brownfield plan involves the use of taxes levied for school operating purposes to pay for eligible activities that require the approval of a work plan by the department under section 15(1)(a) and the Michigan economic growth authority, or its designee, if the brownfield plan involves the use of taxes levied for school operating purposes to pay for eligible activities subject to subsection (15) or (18).

(14) The authority shall not enter into agreements with the taxing jurisdictions and the governing body of the municipality to share a portion of the captured taxable value of an eligible property. Upon adoption of the plan, the collection and transmission of the amount of tax increment revenues as specified in this act shall be binding on all taxing units levying ad valorem property taxes or specific taxes against property located in the zone.

(15) Except as provided by subsection (18), if a brownfield plan includes the capture of taxes levied for school operating purposes approval of a work plan by the Michigan economic growth authority before January 1, 2013 to use taxes levied for school operating purposes and a development agreement or reimbursement agreement between the municipality or authority and an owner or developer of eligible property are required if the taxes levied for school operating purposes will be used for infrastructure improvements that directly benefit eligible property, demolition of structures that is not response activity under part 201 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.20101 to 324.20142, lead or asbestos abatement, site preparation that is not response activity under section 20101 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.20101, relocation of public buildings or operations for economic development purposes, or acquisition of property by a land bank fast track authority if acquisition of the property is for economic development purposes. The eligible activities to be conducted described in this subsection shall be consistent with the work plan submitted by the authority to the Michigan economic growth authority. The

department's approval is not required for the capture of taxes levied for school operating purposes for eligible activities described in this subsection.

(16) The limitations of section 15(1) upon use of tax increment revenues by an authority shall not apply to the following costs and expenses:

(a) In each fiscal year of the authority, the amount described in subsection (19) for the following purposes for tax increment revenues attributable to local taxes:

(i) Reasonable and actual administrative and operating expenses of the authority.

(ii) Baseline environmental assessments, due care activities, and additional response activities conducted by or on behalf of the authority related directly to work conducted on prospective eligible properties prior to approval of the brownfield plan.

(b) Reasonable costs of preparing a work plan or the cost of the review of a work plan for which tax increment revenues may be used under section 13(3).

(c) For tax increment revenues attributable to local taxes, reasonable costs of site investigations described in section 15(1)(a)(i), baseline environmental assessments, and due care activities incurred by a person other than the authority related directly to work conducted on eligible property or prospective eligible properties prior to approval of the brownfield plan, if those costs and the eligible property are included in a brownfield plan approved by the authority.

(17) A brownfield authority may reimburse advances, with or without interest, made by a municipality under section 7(3), a land bank fast track authority, or any other person or entity for costs of eligible activities with any source of revenue available for use of the brownfield authority under this act. If an authority reimburses a person or entity under this section for an advance for the payment or reimbursement of the cost of eligible activities and interest thereon, the authority may capture local taxes for the payment of that interest. If an authority reimburses a person or entity under this section for an advance for the payment or reimbursement of the cost of baseline environmental assessments, due care, and additional response activities and interest thereon included in a work plan approved by the department, the authority may capture taxes levied for school operating purposes and local taxes for the payment of that interest. If an authority reimburses a person or entity under this section for an advance for the payment or reimbursement of the cost of eligible activities that are not baseline environmental assessments, due care, and additional response activities and interest thereon included in a work plan approved by the Michigan economic growth authority, the authority may capture taxes levied for school operating purposes and local taxes for the payment of that interest provided that the Michigan economic growth authority grants an approval for the capture of taxes levied for school operating purposes to pay such interest. An authority may enter into agreements related to these reimbursements and payments. A reimbursement agreement for these purposes and the obligations under that reimbursement agreement shall not be subject to section 12 or the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821.

(18) If a brownfield plan includes the capture of taxes levied for school operating purposes, approval of a work plan by the Michigan economic growth authority in the manner required under section 15(14) to (16) is required in order to use tax increment revenues attributable to taxes levied for school operating purposes for purposes of eligible activities described in section 2(m)(iv)(E) for 1 or more parcels of eligible property. The work plan to be submitted to the Michigan economic growth authority under this subsection shall be

in a form prescribed by the Michigan economic growth authority. The eligible activities to be conducted and described in this subsection shall be consistent with the work plan submitted by the authority to the Michigan economic growth authority. The department's approval is not required for the capture of taxes levied for school operating purposes for eligible activities described in this section.

(19) In each fiscal year of the authority, the amount of tax increment revenues attributable to local taxes that an authority can use for the purposes described in subsection (16)(a) shall be determined as follows:

- (a) For authorities that have 5 or fewer active projects, \$100,000.00.
- (b) For authorities that have 6 or more but fewer than 11 active projects, \$125,000.00.
- (c) For authorities that have 11 or more but fewer than 16 active projects, \$150,000.00.
- (d) For authorities that have 16 or more but fewer than 21 active projects, \$175,000.00.
- (e) For authorities that have 21 or more but fewer than 26 active projects, \$200,000.00.
- (f) For authorities that have 26 or more active projects, \$300,000.00.

(20) As used in subsection (19), "active project" means a project in which the authority is currently capturing taxes under this act.

125.2664 Brownfield plan as public purpose; determination; amendments to plan; validity of procedure, notice, and findings; presumption.

Sec. 14. (1) Not less than 10 days after notice of the proposed brownfield plan is provided to the taxing jurisdictions, the governing body shall determine whether the plan constitutes a public purpose. If the governing body determines that the plan does not constitute a public purpose, the governing body shall reject the plan. If the governing body determines that the plan constitutes a public purpose, the governing body may then approve or reject the plan, or approve it with modification, by resolution, based on the following considerations:

- (a) Whether the plan meets the requirements of section 13.
- (b) Whether the proposed method of financing the costs of eligible activities is feasible and the authority has the ability to arrange the financing.
- (c) Whether the costs of eligible activities proposed are reasonable and necessary to carry out the purposes of this act.
- (d) Whether the amount of captured taxable value estimated to result from adoption of the plan is reasonable.

(2) Except as provided in this subsection, amendments to an approved brownfield plan must be submitted by the authority to the governing body for approval or rejection following the same notice necessary for approval or rejection of the original plan. Notice is not required for revisions in the estimates of captured taxable value or tax increment revenues.

(3) The procedure, adequacy of notice, and findings with respect to purpose and captured taxable value shall be presumptively valid unless contested in a court of competent jurisdiction within 60 days after adoption of the resolution adopting the brownfield plan. An amendment, adopted by resolution, to a conclusive plan shall likewise be conclusive unless contested within 60 days after adoption of the resolution adopting the amendment. If a resolution adopting an amendment to the plan is contested, the original resolution adopting the plan is not therefore open to contest.

(a) To aid, advise, and consult with any municipality with respect to fiscal questions arising from and relating to its proposed or outstanding securities.

(b) To issue bulletins or adopt rules as necessary to carry out the purposes of this act. A bulletin issued under this subdivision shall include a statement of the department's specific statutory authority for any substantive requirement contained within the bulletin. A rule adopted under this subdivision shall be adopted in accordance with the provisions of the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328.

(c) To examine the books and records of any municipality for the purpose of ascertaining if the municipality is complying with the requirements of the department, the statutes of this state, and its charter, ordinances, and resolutions, in relation to its municipal securities. PART III

GENERAL

141.2301 Issuance of municipal security.

Sec. 301. A municipality shall not issue a municipal security except in accordance with this act.

History: 2001, Act 34, Eff. Mar. 1, 2002.

141.2303 Annual audit report and qualifying statement; filing by municipality; compliance requirements; determination; correction of noncompliant requirements; reconsideration; order granting exception from prior approval.

Sec. 303. (1) Each municipality shall file an audit report annually with the department within 6 months from the end of its fiscal year or as otherwise provided in the uniform budgeting and accounting act, 1968 PA 2, MCL 141.421 to 141.440a.

(2) Accompanying the audit report described in subsection (1), a municipality shall file a qualifying statement, on a form and in the manner provided by the department, which shall be certified by the chief administrative officer. Within 30 business days of the receipt of the qualifying statement, the department shall determine if the municipality complies with the requirements of subsection (3). If the department determines that the municipality complies with the provisions of subsection (3) or if the department fails to notify the municipality of its determination under this subsection within 30 business days of receipt of the qualifying statement, the municipality may proceed to issue municipal securities under this act without further approval from the department until 30 business days after the next qualifying statement is due or a new determination is made by the department, whichever occurs first.

(3) To qualify to issue municipal securities without further approval from the department, the municipality shall be in material compliance with all of the following requirements, as determined by the department:

(a) The municipality is not operating under the provisions of the local government and school district fiscal accountability act.

(b) The municipality did not issue securities in the immediately preceding 5 fiscal years or current fiscal year that were authorized by either the emergency municipal loan act, 1980 PA 243, MCL 141.931 to 141.942, other than a security issued for a loan authorized under section 3(2)(a) of the emergency municipal loan act, 1980 PA 243, MCL 141.933, or the fiscal stabilization act, 1981 PA 80, MCL 141.1001 to 141.1011.

(c) The municipality was not required by the terms of a court order or judgment to levy a tax in the preceding fiscal year. For purposes of this subdivision, the department may determine that a court order or judgment to levy a tax is not material if it did not have an adverse financial impact on the municipality.

(d) The most recent audit report, as required by the uniform budgeting and accounting act, 1968 PA 2, MCL 141.421 to 141.440a, was filed with the department within 6 months from the end of the fiscal year of the municipality.

(e) The debt retirement fund balance for any municipal security that is funded from an unlimited tax levy does not exceed 150% of the amount required for principal and interest payments due for that municipal security in the next fiscal year.

(f) The municipality is not currently exceeding its statutory or constitutional debt limits.

(g) The municipality has no outstanding securities that were not authorized by statute.

(h) The municipality is not currently and during the preceding fiscal year was not in violation of any provisions in the covenants for an outstanding security.

(i) The municipality was not delinquent more than 1 time in the preceding fiscal year in transferring employee taxes withheld to the appropriate agency, transferring taxes collected as agent for another taxing entity to that taxing unit, or making all required pension, retirement, or benefit plan contributions.

(j) The most recent delinquent property taxes of the municipality, without regard to payments received from the county under the general property tax act, 1893 PA 206, MCL 211.1 to 211.155, did not exceed 18% of the amount levied.

(k) The municipality did not submit a qualifying statement or an application for any other municipal security in the preceding 12 months that was materially false or incorrect.

(l) The municipality is not in default on the payment of any debt, excluding industrial development revenue bonds issued under the industrial development revenue bond act of 1963, 1963 PA 62, MCL 125.1251 to 125.1267, economic development corporation bonds issued under the economic development corporations act, 1974 PA 338, MCL 125.1601 to 125.1636, bonds issued by a local hospital finance authority for a private hospital under the hospital finance authority act, 1969 PA 38, MCL 331.31 to 331.84, or any other debt for which the municipality is not financially liable.

(m) The municipality did not end the immediately preceding fiscal year with a deficit in any fund, unless the municipality has filed a financial plan to correct that deficit condition that is acceptable to the department.

(n) The municipality has not been found by a court of competent jurisdiction to be in violation of any finance or tax-related state or federal statutes during the preceding fiscal year.

(o) The municipality has not been determined by the department to be in violation of this act during the preceding fiscal year.

(p) The municipality did not issue a refunding security in the preceding fiscal year to avoid a potential default on an outstanding security.

(4) If a municipality is notified within 30 business days of the filing of the qualifying statement that it does not comply with 1 or more of the requirements of subsection (3), the municipality may correct the noncompliant requirements and request a reconsideration of the determination from the department as provided in subsection (5).

(5) A municipality may request a reconsideration of the determination from the department. That request shall indicate the requirements that the department determined the municipality to be not in compliance with and the action taken by the municipality to correct the noncompliance. Within 30 business days of the receipt of the request for reconsideration, the department shall determine if the municipality complies with the requirements of subsection (3) or, if the department fails to notify the municipality of its determination under this subsection within 30 business days of receipt of the request for reconsideration, the municipality will be granted qualified status.

(6) If a municipality is notified within 30 business days after filing a request for reconsideration that it does not comply with the requirements of subsection (3), the municipality shall not issue municipal securities under this act without the prior written approval of the department to issue a municipal security as provided in subsections (7) and (8).

(7) If a municipality has not been granted qualified status, the municipality must obtain, for each municipal security, the prior written approval of the department to issue a municipal security. To request prior written approval to issue a municipal security, the municipality shall submit an application and supporting documentation to the department on a form and in a manner prescribed by the department, which shall be certified by the chief administrative officer. A filing fee equal to 0.03% of the principal amount of the municipal security to be issued, but not less than \$800.00 and not greater than \$2,000.00 as determined by the department, shall accompany each application. If the qualifying statement required by subsection (2) was received by the department more than 6 months after the end of the municipality's fiscal year, a late fee of \$100.00 shall accompany the first

application filed after that date. Within 30 business days of receiving an application, the fee, and supporting documentation from a municipality, the department shall make a determination whether the municipality has met all of the following requirements:

- (a) Has indicated the authority to issue the municipal security requested.
 - (b) Is projected to be able to repay the municipal security when due.
 - (c) Has filed information with the department indicating compliance with the requirements of subsection (3) or adequately addressed any noncompliance with subsection (3) as determined by the department.
 - (d) If required by the department, has obtained an investment grade rating for the municipal security or has purchased insurance for payment of the principal and interest on the municipal security to the holders of the municipal security, or has otherwise enhanced the creditworthiness of the municipal security.
- (8) If the department determines that the requirements in subsection (7) have been met, the department shall approve the issuance of the proposed municipal security. If the department determines that the requirements in subsection (7) have not been met, the department shall issue a notice of deficiency to the municipality that prevents the issuance of the proposed municipal security. The notice of deficiency shall state the specific deficiencies and problems with the proposed issuance. After the deficiencies and problems have been addressed as determined by the department, the department shall approve the issuance of the proposed municipal security.
- (9) A determination by the department that a municipality has been granted qualified status constitutes an order granting exception from prior approval under former 1943 PA 202, of that municipality's securities.

History: 2001, Act 34, Eff. Mar. 1, 2002 ;-- Am. 2002, Act 541, Imd. Eff. July 26, 2002 ;-- Am. 2011, Act 5, Imd. Eff. Mar. 16, 2011.

141.2304 Issuance of municipal security; provisions applicable to contracting municipalities.

Sec. 304. If a municipality issues a municipal security subject to this act and the principal and interest for that municipal security will be paid by 1 or more municipalities not issuing the municipal security under a contract, then 1 of the following applies:

- (a) If all of the municipalities contracting to pay the municipal security have been granted qualified status, then the issuance of the municipal security is subject to section 303(2).
- (b) Except as provided in subdivision (c), if 1 or more of the municipalities contracting to pay the municipal security have not been granted qualified status, then the issuance of the municipal security is subject to section 303(7).
- (c) If 1 or more of the municipalities contracting to pay the municipal security have not been granted qualified status and the other municipalities representing over 50% of the contractual obligation have been granted qualified status and the municipality that issues the municipal security has been granted qualified status and pledges its full faith and credit on the municipal security, then the issuance of the municipal security is subject to section 303(2).

In making its determination, the department shall establish a rate that shall bear a reasonable relationship to 80% of the adjusted prime rate determined by the department under section 23 of 1941 PA 122, MCL 205.23. Except as otherwise provided in this section, the rate determined by the department shall be conclusive as to the maximum rate of interest permitted for a municipal security issued under this act.

(2) Except as provided in subsection (3), a municipal security issued under this act shall not be sold at a discount exceeding 10% of the principal amount of the municipal security. The amortization of the discount shall be considered interest and shall be within the interest rate limitation set forth in subsection (1).

(3) A municipal security may be sold at a discount exceeding 10% of the principal amount of the municipal security only if 1 or more of the following conditions apply, as determined by the department:

(a) The sale will result in the more even distribution for the municipality of total debt service on proposed and outstanding municipal securities.

(b) The sale will result in an interest cost savings when compared to the best available alternative that does not include a municipal security being sold at a discount exceeding 10% of the principal amount.

(c) The issuance is based on the availability of specific revenues previously pledged for another purpose and lawfully available for this purpose.

(d) The municipal security is issued to this state or the federal government to secure a loan or agreement.

(e) The municipal security is issued pursuant to section 518.

(4) A municipal security issued in accordance with subsection (3)(a), (b), or (c) shall be rated investment grade by a nationally recognized rating agency or have insurance for payment of the principal and interest on the municipal security to the holders of the municipal security.

(5) Notwithstanding any other provision of this section, a municipal security meeting the requirements of subsection (3) that is a refunding security shall not have a maturity that exceeds the maturity of the existing municipal security.

(6) Not more than 25% of the total principal amount of any authorized issue of a municipal security shall meet the qualifications under subsection (3)(a), (b), and (c).

(7) A municipal security may bear no interest if sold in accordance with a federal program by which the holder of the municipal security, as a result of holding the municipal security, may declare a credit against a federal tax.

(8) A municipal security may bear no interest and appreciate as to principal amount if it meets the requirements of subsections (3), (4), and (6). The accreted principal amount of a municipal security shall be considered interest and shall be within the interest rate limitations provided in subsection (1).

(4) If authorized by the governing body of the issuing municipality, ownership of a municipal security may be transferred by means of a recorded entry in a record maintained by the issuing municipality, trustee, or other agent in lieu of printing and transferring a new municipal security. However, this subsection does not preclude a municipality from the delivery of, and a municipality shall have the authority to deliver, new municipal securities as evidence of the originally issued municipal security.

(5) If an individual acting in an official capacity signs or affixes his or her signature to a municipal security under this act and that individual ceases to be an officer before delivery of the municipal security, the municipal security is valid the same as if the individual had remained in office until delivery of that municipal security.

Sec. 401. (1) A municipality may, by resolution of its governing body, and without a vote of the electors, issue short-term municipal securities in anticipation of and payable from taxes to be collected by the municipality for its then next succeeding fiscal year or the taxes for a current fiscal year, or if the taxes for the next succeeding fiscal year and the taxes for the current fiscal year are both levied in the same calendar year, then in anticipation of and payable from the collection of both of the taxes.

(2) By resolution of its governing body and without a vote of the electors, an authority organized under 1957 PA 206, MCL 259.621 to 259.631, or a public airport authority created or incorporated under the public airport authority act, chapter VIA of the aeronautics code of the state of Michigan, 1945 PA 327, MCL 259.108 to 259.125c, may borrow money and issue short-term municipal securities maturing not more than 1 year

from the date of issue in anticipation of the collection of revenues to which it will be entitled to receive within 1 year from the date of the short-term municipal securities' issuance. The amount of the short-term municipal securities issued under this section shall not exceed 50% of the revenues collected in the preceding fiscal year not pledged for the payment of a security other than a short-term municipal security issued under this section as conclusively certified by the governing body of the authority. The resolution shall provide for the pledging of all or a portion of the revenues of the authority not previously pledged for the payment of a security. The resolution may also provide for the pledging of other assets of the authority as additional security for the payment of the short-term municipal security. The resolution also shall provide that from the receipts of the revenues in anticipation of which the authority issued the short-term municipal security, there shall be set aside in a special fund to be used for the payment of principal and interest on the short-term municipal security a portion of each dollar received that is not less than 125% of the percentage that the principal amount of the short-term municipal security bears to the amount certified as the revenues estimated to be collected, until the amount set aside is sufficient for the payment of principal and interest on the short-term municipal security. The amount set aside shall be used only for the payment of the principal and interest on the short-term municipal security until the short-term municipal security is paid as to both principal and interest. Except when in conflict with the requirements of section 9 of 1957 PA 206, MCL 259.629, the short-term municipal securities authorized under this subsection are subject to this act.

141.2403 Resolution authorizing municipal security; tax levy provision; operating expenditures; limitation; set aside of taxes collected; tax installments; capital improvements; debt service charges.

Sec. 403. (1) If a municipality issues a municipal security in anticipation of the collection of the taxes for the next succeeding fiscal year, the resolution authorizing a municipal security shall contain an irrevocable provision for the levying of a tax in the next succeeding fiscal year for the purpose for which the municipal security is to be made and the repayment of the municipal security from the receipt of taxes.

(2) A municipality may issue the short-term municipal security described in subsection (1) to pay for operating expenditures. As used in this section, "operating expenditures" means 1 or more of the following:

(a) Necessary operating expenditures of the municipality that could not reasonably have been foreseen and adequately provided for in the tax levy for the then current fiscal year.

(b) Payment of an expenditure in the then current fiscal year that cannot be funded because of a delay in or failure of receipt of budgeted revenue.

(c) Payment of budgeted expenditures in the then current fiscal year that precede budgeted revenues.

(3) The amount of the municipal securities issued under this section to pay operating expenditures shall not exceed 50% of the operating tax levy for the current fiscal year, or if the operating tax levy for the next succeeding fiscal year is determined, then 50% of the levy for the next succeeding fiscal year. The authorizing resolution shall provide that from the first collections of the operating taxes for the next succeeding fiscal year, there shall be

set aside in a special fund to be used for the payment of principal and interest on the tax anticipation municipal security, a portion of each dollar that is not less than 125% of the percentage that the principal amount of the municipal security bears to the amount of the operating taxes until the amount set aside is sufficient for the payment. If a municipality collects its taxes in installments and issues a municipal security in anticipation of more than 1 installment, the requirements of the preceding sentence shall apply to each installment of taxes. The collection of the taxes to be set aside shall not be used for any other purpose. If the municipality determines that issuing municipal securities for this purpose will result in a deficiency in the funds available to pay the necessary operating expenditures of the next succeeding fiscal year, the municipality shall levy additional taxes in the future from within constitutional, charter, and statutory limits to prevent a continuation of the deficiency from year to year.

(4) A municipality may issue a short-term municipal security described in subsection (1) to pay for 1 or more capital improvements that can be legally and properly provided for in the budget of the municipality for the fiscal year in which the municipality issues the short-term municipal security. The principal amount of the municipal security issued for this purpose shall not exceed the sum set forth in the authorizing resolution to be levied for the improvement. The authorizing resolution shall provide that from the first collection of taxes for the next succeeding fiscal year, there shall be set aside in a special fund to be used for the payment of principal and interest on the short-term municipal security that percentage of the collection that the tax levied for capital outlay bears to the total levy, and until the amount set aside is sufficient for the payment, collection of the taxes to be set aside shall not be used for any other purpose.

(5) A municipality may issue the short-term municipal security described in subsection (1) to pay debt service charges or obligations on municipal securities or agreements described in section 317(5).

Sec. 605. The debt evidenced by a refunding security and the tax levies used to repay the refunding security shall not be deemed to be within any statutory or charter limitation of tax rate or of outstanding debt limit, but shall be deemed to be authorized in addition to any statutory or charter limitation of tax rate or outstanding debt limit.

History: 2001, Act 34, Eff. Mar. 1, 2002.

However, when a municipality is issuing refunding securities for outstanding variable interest rate securities, as determined by the department the net present value calculation shall use the appropriate current fixed interest rate and the fixed interest rate

that would have been available for the outstanding variable interest rate securities when originally issued if the outstanding variable interest rate securities had been issued as fixed interest rate securities or shall use another procedure determined by the department.

(2) A municipality may, under procedures established by the department, obtain an exception from the requirements of subsection (1) if the department determines a reasonable basis for that exception exists. As used in this subsection, reasonable basis means 1 or more of the following:

The municipality shall hold a public hearing before submitting a request to the department pursuant to this subdivision. The municipality shall publish notice of the hearing in a newspaper of general circulation in the municipality not less than 30 days before the hearing. After the hearing, the municipality may prepare and submit to the department a request to issue a refunding security pursuant to this subdivision. The department shall have 90 days from the date it receives a completed request to issue a refunding security pursuant to this subdivision to approve or deny the request. If the department denies the request, it shall advise the municipality in writing of the reasons for the denial.

141.2701 Annual tax levy; determination; limitation not applicable; adjustment in event of surplus funds; use of money remaining in debt retirement fund; priority; set aside of tax collections allocable to principal and interest payment; failure of officer to perform duties; "tax levy" defined.

Sec. 701. (1) Subject to subsection (3), if a municipality has municipal securities outstanding, or with the approval of its electors has authorized the issuance of municipal securities to be paid from collections of its next tax levy, an officer or official body charged with a duty in connection with the determination of the amount of the next taxes to be

raised or with the levying of the next taxes, shall include all of the following in the amount of taxes levied each year:

(a) An amount such that the estimated collections will be sufficient to promptly pay, when due, the interest on all municipal securities and the portion of the principal falling due whether by maturity or by mandatory redemption before the time of the following year's tax collection.

(b) An amount, if there are outstanding mandatory redemption refunding securities, sufficient to provide the sum required to be deposited, by the ordinance or resolution authorizing the issue, into the sinking fund for that purpose before the time of the following year's tax collection.

(c) An amount, if there are outstanding mandatory redemption municipal securities other than refunding securities not required to be redeemed in annual amounts before the maturity of the outstanding mandatory redemption municipal securities, that if deposited annually into a sinking fund will, with the existing sinking fund pertaining to the municipal securities and the increment of the municipal securities, be sufficient to pay the municipal securities at maturity.

(d) An amount necessary to pay debt service charges or obligations on municipal securities or agreements described in section 317(5) falling due in the immediately preceding fiscal year, to the extent that the tax levy in the preceding fiscal year was inadequate to pay, when due, the debt service charges or obligations on municipal securities or agreements described in section 317(5). The municipality shall do 1 or more of the following with the proceeds of the tax levy:

(i) Deposit in the debt retirement fund established for the municipal securities and used to pay debt service charges or obligations on municipal securities or agreements described in section 317(5).

(3) If the municipal securities were authorized or issued before December 23, 1978, or were approved by the electors of a municipality, the municipality shall levy the full amount of taxes required by this section for the payment of the municipal securities without limitation as to rate or amount and in addition to other taxes that the municipality may be authorized to levy. If the municipal securities were authorized or issued by a municipality after December 22, 1978, and were not approved by the electors of the municipality, the municipality shall set aside each year from the levy and collection of ad valorem taxes as required by this section as a first budget obligation for the payment of the municipal securities. However, the ad valorem taxes shall be subject to applicable charter, statutory, or constitutional rate limitations.

(4) If there is surplus money on hand for the payment of principal or interest at the time of making an annual tax levy, and provision has not been made in the authorizing resolution for the disposition of that money, the annual levy for principal or interest shall be adjusted to reflect available funds.

(5) Money remaining in a debt retirement fund from the levy of a tax or an account within a debt retirement fund from the levy of a tax after the retirement of all municipal securities payable from that fund shall be used in the following order of priority:

(a) To pay other outstanding unlimited tax full faith and credit municipal securities.

(b) To pay other outstanding limited tax full faith and credit municipal securities.

(c) To be deposited in the general fund of the municipality.

(6) As taxes are collected, there shall be set aside that portion of the collections that is allocable to the payment of the principal and interest on the municipal securities. The portion set aside shall be divided pro rata among the various sinking funds and debt retirement funds in accordance with the amount levied for that purpose. Tax collections paid into a debt retirement fund, if the fund is for the payment of more than 1 issue of municipal securities, shall be allocated on the books and records of the municipality between the various issues in accordance with the amounts levied for that purpose.

(7) An officer who willfully fails to perform duties required by this section is personally liable to the municipality or to a holder of a municipal security for loss or damage arising from his or her failure.

(8) As used in this section, "tax levy" includes special assessments.

(a) Voted debt.

(b) Nonvoted debt, other than special assessment debt.

(c) Special assessment debt.

(2) When any municipality completes the retirement of a debt evidenced by a municipal security or accumulates sufficient funds in the debt retirement fund for the retirement of the debts evidenced by a municipal security, the governing body of the municipality shall certify that the debt evidenced by a municipal security is retired or that the debt retirement fund is of sufficient amount to retire the debt evidenced by a municipal security to the county treasurer of the county in which the municipality is located, and the county treasurer shall no longer be required to recognize a levy for the debt or municipal security issue.

168.358 Election of township officers and submission of propositions; general November election.

Sec. 358. (1) In every township, there shall be a general November election in each even-numbered year for the election of officers and the submission of propositions, as provided by law. At the 1980 general November election, there shall be elected by ballot all of the following township officers:

- (a) A supervisor.
- (b) A clerk.
- (c) A treasurer.
- (d) Two trustees.

(e) Not more than 4 constables.

(f) If authorized by law and after a township takes the actions provided in section 11 of 1877 PA 164, MCL 397.211, 6 free public library directors.

(g) If a township takes the actions provided in section 1 of former 1931 PA 271 or section 6 of 1905 PA 157, MCL 41.426, the number of park commission members provided for under section 6 of 1905 PA 157, MCL 41.426.

(2) Except as otherwise provided in this subsection, the order of offices on the township portion of the ballots shall be the same as the order in which the officers are listed in subsection (1). Free public library directors shall be listed on the nonpartisan portion of the ballot.

(3) Subject to the limitation in subsection (1), the number of constables to be elected at the 1992 general November election and each general November election at which township offices are regularly to be elected after 1992 shall be determined by the township board by resolution not less than 6 months before the township primary election preceding the general November election. The resolution that specifies the number of constables to be elected applies in that township until a subsequent resolution is adopted altering that number. If a determination as to the number of constables to be elected is not made by the township board by the deadline under this subsection for the 1992 general election, the number of constables to be elected shall be the same number that was elected in that township in the 1988 general November election until a resolution is adopted to provide for the election of a different number of constables.

(4) In a township having a population of 5,000 or more, or having 3,000 or more qualified and registered electors as shown by the registration records at the close of registration for the last preceding general November election, there may be elected 4 trustees. In other townships there shall be 2 trustees. A township shall not elect 4 trustees unless the election of additional trustees is approved by the voters at a general November election or by a majority of the voters attending at an annual meeting. The township board of a township having a population of 5,000 or more, or having 3,000 or more qualified and registered electors, shall cause the question of electing additional trustees to be voted on at the first general November election or annual meeting following the township's qualifying for additional trustees. If a majority of the electors voting on the question vote in favor of electing 4 trustees, the township shall thereafter elect 4 trustees. If a majority of the electors voting on the question do not vote in favor of electing 4 trustees, the township board may resubmit the question at a subsequent general November election or annual meeting or the question shall be submitted at the first general November election or annual meeting held not less than 84 days following the submission of a petition containing the signatures of not less than 10% of the registered and qualified electors of the township, as shown by the registration records at the close of registration for the last general November election, asking that the question be submitted.

(5) At the first general November election in a township held not less than 4 months after the provisions of this section relative to additional trustees are adopted by a township, there shall be elected the number of trustees necessary to make a total of 4 trustees. If the additional trustees are elected at a general November election that is not a regular township election, the additional trustees shall hold office only until a successor is elected at the next regular township election and qualifies for office.

(6) This section does not prohibit townships electing 4 trustees as of September 13, 1958 from continuing to do so.

(d) Is an officeholder who is the subject of a recall vote.

(e) Holds an elective office, unless the officeholder is constitutionally or legally barred from seeking reelection or fails to file for reelection to that office by the applicable filing deadline. (b) If the complainant or any other person who resides, or has a place of business, in the jurisdiction where the use or authorization of the use of public resources occurred prevails in an action initiated under this subsection, a court shall award the complainant or any other person necessary expenses, costs, and reasonable attorney fees.

This subdivision shall not apply to the month of March.

(b) Within 10 business days after the last day of February, the township or city treasurer shall account for and deliver to the county treasurer at least 90% of the total amount of state and county tax collections on hand on the last day of February; to the school district treasurers at least 90% of the total amount of school tax collections on hand on the last day of February; and to the public transportation authorities at least 90% of the total amount of public transportation authority tax collections on hand on the last day of February. If the intermediate school district and community college district provide for direct payment pursuant to subsection (9), the township or city treasurer shall also account for and deliver to the intermediate school district and community college district at least 90% of the total respective amounts of school tax collections on hand on the last day of February.

(c) A final adjustment and delivery of the total amount of tax collections on hand for the county, community college districts, intermediate school districts, school districts, and public transportation authorities shall be made not later than April 1 of each year.

(4) Instead of following the schedule prescribed in subsection (3), the township or city serving as the tax collecting unit and the local governmental unit for which the tax collections are made may enter into an agreement to establish an alternative schedule for delivering tax collections.

(5) A township that has a state equalized valuation of \$15,000,000.00 or less shall account for and deliver to the county treasurer, the school district treasurers, and the public transportation authorities and, if the intermediate school district and community college district provide for direct payment pursuant to subsection (9), the intermediate school district treasurers and community college treasurers the taxes collected up to and including January 10, within 10 business days after January 10. However, a township treasurer subject to this subsection shall at no time have on hand collections of state, county, community college, intermediate school district if applicable pursuant to subsection (9), school district, and public transportation authority taxes in excess of 25% of the amount of the taxes apportioned to the township and, when collections on hand reach this percentage, the township treasurer shall immediately account for and turn over the total amount of state and county tax collections on hand to the county treasurer, the total respective amounts of school tax collections on hand to the respective treasurers, and the total respective amounts of public transportation authority tax collections on hand to the respective public transportation authorities. The township treasurer shall notify the secretary or superintendent of each community college district, intermediate school district, and school district applicable and each of the applicable public transportation authorities of the total amount of taxes paid to the respective treasurer or authority, which notification shall show the different funds for which the taxes were collected.

(6) Except as may be provided under section 1613 of Act No. 451 of the Public Acts of 1976, being section 380.1613 of the Michigan Compiled Laws, when a county treasurer is collecting the school district or intermediate school district levy, the county treasurer shall account for and deliver to the appropriate local governmental unit treasurer the tax collections received by the county treasurer within 10 business days after the county treasurer receives the funds.

(7) The county treasurer shall account for and deposit in the county library fund for the use of the county library board, county tax collections received pursuant to a tax levied under section 1 of Act No. 138 of the Public Acts of 1917, being section 397.301 of the Michigan Compiled Laws, within 10 business days after the county treasurer receives the funds.

(8) The county treasurer shall account for and deliver to the boards of each metropolitan transportation authority the county tax collections for transportation authority purposes received by the county treasurer within 10 business days after the county treasurer receives the funds.

(9) For taxes that become a lien in December 1984 or after 1984, an intermediate school district board or the board of trustees of a community college may provide that a local tax collecting treasurer shall account for and deliver tax collections directly to the respective intermediate school district or community college treasurer pursuant to the schedule contained in subsections (3), (4), and (5) for delivery of the respective taxes to the county treasurer. A resolution shall be adopted at least 60 days before the day taxes to be collected become a lien and shall specify the period for which the resolution is effective. Copies of the resolution shall be transmitted to each local tax collecting treasurer and county treasurer within the intermediate school district or community college district.

(10) By the fifteenth day of each month, the county treasurer shall account for and deliver to the state the collections under the state education tax act, Act No. 331 of the Public Acts of 1993, being sections 211.901 to 211.906 of the Michigan Compiled Laws, on hand on the last day of the preceding month. By the first day of each month, the county treasurer shall

account for and deliver to the state the collections under the state education tax act, Act No. 331 of the Public Acts of 1993, on hand on or before the fifteenth day of the immediately preceding month. The county treasurer may retain the interest earned on the money collected under Act No. 331 of the Public Acts of 1993 while held by the county treasurer, as reimbursement for the cost incurred by the county in collecting and transmitting the tax imposed by that act. The money retained by the county treasurer under this section shall be deposited in the treasury of the county in which the tax is collected to the credit of the general fund.

(11) A treasurer who willfully neglects or refuses to perform a duty required by subsections (3) to (8) is subject to the penalty prescribed in section 119(1).

(12) Except as otherwise provided by subsection (10), interest earned by a city, township, or county on collections of taxes levied on or after November 5, 1985 before the tax collections are accounted for and delivered to the respective taxing units pursuant to this section shall also be accounted for and delivered to the respective taxing units on a pro rata basis. Interest earned by a city, township, or county on collections of taxes levied before November 5, 1985 before those collections were accounted for and delivered to the respective taxing units in compliance with the requirements of this section is not subject to claim and retroactive collection by those taxing units. However, interest earned on collections of taxes levied on or after November 5, 1985 and before December 1, 1987 are not subject to claim and retroactive collection unless a claim has been filed in a court of competent jurisdiction before March 1, 1988. This subsection does not apply to interest or penalties imposed by law or charter and does not nullify or prohibit any agreements made between a collecting unit and a taxing unit regarding the earned interest.

(13) If there is an agreement for an alternative schedule for delivering tax collections or for interest earned under subsections (4) and (12), the collection of the state education tax is subject to those provisions of that agreement.

PROPERTY TAX LIMITATION ACT (EXCERPTS)

Act 62 of 1933

AN ACT to provide limits on the rate of taxation on property; to provide for a division of the rate of taxation between counties, townships, municipal corporations, intermediate school districts, and other local units; to earmark funds raised by increasing the total tax limitation; to prescribe penalties and provide remedies; and to repeal all acts and parts of acts and charters and parts of charters of municipal corporations inconsistent with or contravening the provisions of this act.

History: 1933, Act 62, Imd. Eff. Apr. 25, 1933;--Am. 1947, Act 293, Eff. Oct. 11, 1947;--Am. 1994, Act 190, Imd. Eff. June 21, 1994;--Am. 1998, Act 162, Eff. Mar. 23, 1999.

The People of the State of Michigan enact:

211.211 County tax allocation board; powers and duties in determining tax rates.

Sec. 11. (1) The board shall examine the budgets and statements of local units that are filed with it, and shall determine the tax rates, exclusive of debt service tax rates, that are required pursuant to its proposed budget. The board may request additional statements and examine financial records to verify the tax rate request of a local unit. For the purpose of determining its tax rate, a local unit shall submit a statement accounting for the amount of money contained in the budget stabilization fund. In submitting the budget to the board, the amount contained in the budget stabilization fund shall not be a factor used by the board in determination of the tax rate, if that amount does not exceed the permitted level of funding for that fund as provided by law.

(2) If the board finds that the total of all tax rates that are required to be levied on property located within the area of a local unit does not exceed the net limitation tax rate, the board shall approve the tax rates as maximum tax rates, except tax rates required to be determined under subsections (3) to (8).

(3) If the board finds that the total of all tax rates that are required to be levied on property located within the area of a local unit exceeds the net limitation tax rate, the board shall proceed according to subsections (4), (5), and (6).

(4) The board shall approve minimum tax rates for the county if other than a charter county, of 3 mills; for community college districts organized after April 15, 1957, of 1/4 of 1 mill; for intermediate school districts, 1/10 of 1 mill; for townships other than charter townships, of 1 mill; and to a first-class school district to be collected and paid by the school district to the public library commission existing in the district for services of an educational nature rendered by the library to the residents of that school district, of .64 mills. If the community college district votes to increase the total tax limitation as provided

in section 6 of article IX of the state constitution of 1963, the board, during the period the increase is in effect, shall not allocate the 1/4 of 1 mill minimum tax rate to the community college district, but the community college district shall raise all of its tax revenues from the amount of increase so voted. A local unit shall not be allowed a tax rate in excess of what is required pursuant to its proposed budget.

(5) The board shall divide the balance of the net limitation tax rate between all local units after due consideration of the needs of the several local units, the importance to the public of functions of local units that may have to be curtailed, the need of local units for construction or repair of public works, the proposed or accomplished transfer of functions from 1 local unit to others, and other facts or matters concerning the operations of local units that the board considers relevant. A local unit shall not be allowed a tax rate in excess of what is required pursuant to its proposed budget. The board shall approve a maximum limitation tax rate to be levied from the tax rate fixed by section 6 of article IX of the state constitution of 1963 without approval of the voters for each local unit consisting of the minimum tax rate, if any, provided in subsection (4), added to the tax rate determined under this subsection.

(6) The board shall approve a maximum tax rate for each local unit that votes to increase the total tax rate limitation as provided in the last sentence of the first paragraph of section 6 of article IX of the state constitution of 1963, and as provided for in this act. The maximum tax rate for each local unit, with other maximum tax rates that may be levied within the area of the local unit, shall not exceed the limitation voted. In approving a maximum limitation tax rate under subsection (5) for the various local units, the board shall not take into consideration any increase of the tax rate limitation voted by a local unit.

(7) The board shall not approve a tax rate for a local unit that does not submit a budget or statements as required.

(8) The approval by the board of a maximum tax rate for a local unit, which will necessitate a reduction in the total proposed expenditures as listed in the budget of the local unit, shall not be construed as a reduction or elimination of any specific items in the list of proposed expenditures, and the board may not reduce or eliminate those specific items. A local unit, in the budget of which a reduction in the total proposed expenditure is necessitated by the action of the board, or of the state tax commission on an appeal, may revise its budget and amend and alter its tax levy to the extent made necessary by that action. Budgets previously prepared to be met from taxes levied pursuant to this act may likewise be revised.

(9) Beginning in 1994, the number of mills that may be allocated by the board under this section shall be reduced by the number of mills in excess of the mills levied under the state education tax act, Act No. 331 of the Public Acts of 1993, being sections 211.901 to 211.906 of the Michigan Compiled Laws, allocated to a local school district, other than to a first class school district for payment to the public library commission existing in the district, for school district operating purposes in 1993 and the board shall not allocate mills to a local school district for school district operating purposes.

The People of the State of Michigan enact:

257.907 Civil infraction not crime; payment of civil fine and costs; program of treatment, education, or rehabilitation; sanctions; schedule of civil fines, costs, and assessments; recommended range of civil fines and costs; certification of repair of defective equipment; collection of civil fines or costs; noncompliance with order or judgment; additional assessment; waiver of fines, costs, and assessments; "moving violation" defined.

Sec. 907.

(1) A violation of this act, or a local ordinance substantially corresponding to a provision of this act, that is designated a civil infraction shall not be considered a lesser included offense of a criminal offense.

(2) If a person is determined pursuant to sections 741 to 750 to be responsible or responsible "with explanation" for a civil infraction under this act or a local ordinance substantially corresponding to a provision of this act, the judge or district court magistrate may order the person to pay a civil fine of not more than \$100.00 and costs as provided in subsection (4). However, beginning October 31, 2010, if the civil infraction was a moving violation that resulted in an at-fault collision with another vehicle, a person, or any other object, the civil fine ordered under this section shall be increased by \$25.00 but the total civil fine shall not exceed \$100.00. However, for a violation of section 602b, the person shall be ordered to pay costs as provided in subsection (4) and a civil fine of \$100.00 for a first offense and \$200.00 for a second or subsequent offense. For a violation of section 674(1)(s) or a local ordinance substantially corresponding to section 674(1)(s), the person shall be ordered to pay costs as provided in subsection (4) and a civil fine of not less than \$100.00 or more than \$250.00. For a violation of section 328, the civil fine ordered under this subsection shall be not more than \$50.00. For a violation of section 710d, the civil fine ordered under this subsection shall not exceed \$10.00. For a violation of section 710e, the civil fine and court costs ordered under this subsection shall be \$25.00. For a violation of section 682 or a local ordinance substantially corresponding to section 682, the person shall be ordered to pay costs as provided in subsection (4) and a civil fine of not less than \$100.00 or more than \$500.00. For a violation of section 240, the civil fine ordered under this subsection shall be \$15.00. For a violation of section 252a(1), the civil fine ordered under this subsection shall be \$50.00. For a violation of section 676a(3), the civil fine ordered under this section shall be not more than \$10.00. For a first violation of section 319f(1), the civil fine ordered under this section shall be not less than \$2,500.00 or more than \$2,750.00; for a second or subsequent violation, the civil fine shall be not less than \$5,000.00 or more than \$5,500.00. For a violation of section 319g(1)(a), the civil fine ordered under this section shall be not more than \$10,000.00. For a violation of section 319g(1)(g), the civil fine ordered under this section shall be not less than \$2,750.00 or more than \$25,000.00. Permission may be granted for payment of a civil fine and costs to be made within a specified period of time or in specified installments, but unless permission is included in the order or judgment, the civil fine and costs shall be payable immediately.

(3) Except as provided in this subsection, if a person is determined to be responsible or responsible "with explanation" for a civil infraction under this act or a local ordinance substantially corresponding to a provision of this act while driving a commercial motor vehicle, he or she shall be ordered to pay costs as provided in subsection (4) and a civil fine of not more than \$250.00.

(4) If a civil fine is ordered under subsection (2) or (3), the judge or district court magistrate shall summarily tax and determine the costs of the action, which are not limited to the costs taxable in ordinary civil actions, and may include all expenses, direct and indirect, to which the plaintiff has been put in connection with the civil infraction, up to the entry of judgment. Costs shall not be ordered in excess of \$100.00. A civil fine ordered under subsection (2) or (3) shall not be waived unless costs ordered under this subsection

are waived. Except as otherwise provided by law, costs are payable to the general fund of the plaintiff.

(5) In addition to a civil fine and costs ordered under subsection (2) or (3) and subsection (4) and the justice system assessment ordered under subsection (14), the judge or district court magistrate may order the person to attend and complete a program of treatment, education, or rehabilitation.

(6) A district court magistrate shall impose the sanctions permitted under subsections (2), (3), and (5) only to the extent expressly authorized by the chief judge or only judge of the district court district.

(7) Each district of the district court and each municipal court may establish a schedule of civil fines, costs, and assessments to be imposed for civil infractions that occur within the respective district or city. If a schedule is established, it shall be prominently posted and readily available for public inspection. A schedule need not include all violations that are designated by law or ordinance as civil infractions. A schedule may exclude cases on the basis of a defendant's prior record of civil infractions or traffic offenses, or a combination of civil infractions and traffic offenses.

(8) The state court administrator shall annually publish and distribute to each district and court a recommended range of civil fines and costs for first-time civil infractions. This recommendation is not binding upon the courts having jurisdiction over civil infractions but is intended to act as a normative guide for judges and district court magistrates and a basis for public evaluation of disparities in the imposition of civil fines and costs throughout the state.

(9) If a person has received a civil infraction citation for defective safety equipment on a vehicle under section 683, the court shall waive a civil fine, costs, and assessments upon receipt of certification by a law enforcement agency that repair of the defective equipment was made before the appearance date on the citation.

(10) A default in the payment of a civil fine or costs ordered under subsection (2), (3), or (4) or a justice system assessment ordered under subsection (14), or an installment of the fine, costs, or assessment, may be collected by a means authorized for the enforcement of a judgment under chapter 40 of the revised judicature act of 1961, 1961 PA 236, MCL 600.4001 to 600.4065, or under chapter 60 of the revised judicature act of 1961, 1961 PA 236, MCL 600.6001 to 600.6098.

(11) If a person fails to comply with an order or judgment issued pursuant to this section within the time prescribed by the court, the driver's license of that person shall be suspended pursuant to section 321a until full compliance with that order or judgment occurs. In addition to this suspension, the court may also proceed under section 908.

(12) The court shall waive any civil fine, cost, or assessment against a person who received a civil infraction citation for a violation of section 710d if the person, before the appearance date on the citation, supplies the court with evidence of acquisition, purchase, or rental of a child seating system meeting the requirements of section 710d.

(13) Until October 1, 2003, in addition to any civil fines and costs ordered to be paid under this section, the judge or district court magistrate shall levy an assessment of \$5.00 for each civil infraction determination, except for a parking violation or a violation for which the total fine and costs imposed are \$10.00 or less. An assessment paid before October 1, 2003 shall be transmitted by the clerk of the court to the state treasurer to be deposited into the Michigan justice training fund. An assessment ordered before October 1, 2003 but collected

on or after October 1, 2003 shall be transmitted by the clerk of the court to the state treasurer for deposit in the justice system fund created in section 181 of the revised judicature act of 1961, 1961 PA 236, MCL 600.181. An assessment levied under this subsection is not a civil fine for purposes of section 909.

(14) Effective October 1, 2003, in addition to any civil fines or costs ordered to be paid under this section, the judge or district court magistrate shall order the defendant to pay a justice system assessment of \$40.00 for each civil infraction determination, except for a parking violation or a violation for which the total fine and costs imposed are \$10.00 or less. Upon payment of the assessment, the clerk of the court shall transmit the assessment collected to the state treasury to be deposited into the justice system fund created in section 181 of the revised judicature act of 1961, 1961 PA 236, MCL 600.181. An assessment levied under this subsection is not a civil fine for purposes of section 909.

(15) If a person has received a citation for a violation of section 223, the court shall waive any civil fine, costs, and assessment, upon receipt of certification by a law enforcement agency that the person, before the appearance date on the citation, produced a valid registration certificate that was valid on the date the violation of section 223 occurred.

(16) If a person has received a citation for a violation of section 328(1) for failing to produce a certificate of insurance pursuant to section 328(2), the court may waive the fee described in section 328(3)(c) and shall waive any fine, costs, and any other fee or assessment otherwise authorized under this act upon receipt of verification by the court that the person, before the appearance date on the citation, produced valid proof of insurance that was in effect at the time the violation of section 328(1) occurred. Insurance obtained subsequent to the time of the violation does not make the person eligible for a waiver under this subsection.

(17) As used in this section, "moving violation" means an act or omission prohibited under this act or a local ordinance substantially corresponding to this act that involves the operation of a motor vehicle and for which a fine may be assessed.

THE REVISED SCHOOL CODE

THE REVISED SCHOOL CODE (EXCERPTS)

Act 451 of 1976

AN ACT to provide a system of public instruction and elementary and secondary schools; to revise, consolidate, and clarify the laws relating to elementary and secondary education; to provide for the organization, regulation, and maintenance of schools, school districts, public school academies, intermediate school districts, and other public school entities; to prescribe rights, powers, duties, and privileges of schools, school districts, public school academies, intermediate school districts, and other public school entities; to provide for the regulation of school teachers and certain other school employees; to provide for school elections and to prescribe powers and duties with respect thereto; to provide for the levy and collection of taxes; to provide for the borrowing of money and issuance of bonds and other evidences of indebtedness; to establish a fund and provide for expenditures from that fund; to provide for and prescribe the powers and duties of certain state departments, the state board of education, and certain other boards and officials; to provide for licensure of boarding schools; to prescribe penalties; and to repeal acts and parts of acts.

History: 1976, Act 451, Imd. Eff. Jan. 13, 1977;--Am. 1977, Act 43, Imd. Eff. June 29, 1977;--Am. 1988, Act 339, Imd. Eff. Oct. 18, 1988;--Am. 1990, Act 161, Imd. Eff. July 2, 1990;--Am. 1995, Act 289, Eff. July 1, 1996;--Am. 2003, Act 179, Imd. Eff. Oct. 3, 2003.

Constitutionality: The Michigan School Reform Act does not violate federal and state constitutional protections, *Moore v. Detroit School Reform Board*, USCOA docket No. 00-2334 (2002).

Compiler's Note: Senate Bill 393 (SB 393) was enrolled on August 13, 2003, and presented to the governor for her approval on September 8, 2003, at 5:00 p.m. On September 18, 2003, the senate requested that the bill be returned to the senate. The governor granted the senate's request on that same date and returned the bill to that body (without objections), where a motion was made to vacate the enrollment and the motion prevailed. On September 23, 2003, the house of representatives approved a motion to send a letter to the senate agreeing with the senate's request that the governor return SB 393. Neither the Senate Journal nor the House Journal entries reveal any other action taken by the house of representatives regarding the return of SB 393. In order to determine whether SB 393 had become law, as requested, the attorney general examined whether SB 393 was recalled by concurrent action of the house of representatives and the senate within the 14-day period afforded the governor for vetoing a bill under the last sentence of Const 1963, art 4, § 33: "SB 393 was presented to the Governor on September 8, 2003, at 5:00 p.m. The 14-day

period afforded for consideration, measured in hours and minutes, therefore expired on September 22, 2003 at 5:00 p.m. While the Senate had acted to recall the bill within that 14-day period (on September 18, 2003), the House did not. Its action concurring in the request to recall SB 393 was not taken until September 23, 2003. In the absence of concurrent action by both houses of the Legislature within the 14-day period, SB 393 was not effectively recalled and 'further legislative action thereon' was not authorized." The attorney general declared that "in the absence of a return of the bill with objections, SB 393 therefore became law by operation of the last sentence of art 4, § 33." - (2) An intermediate school board acting singly, or in cooperation with other intermediate school districts, may operate educational media centers to serve public and nonpublic schools in its respective area.

(f) Acquisition and use of materials that will be coordinated with the curriculum of local school districts.

(g) Technical and maintenance service for cooperating districts.

(h) Professional, reference, and informational library materials and services.

(i) Central purchasing of equipment related to media center activities and use in the local school.

(j) Graphics staff to produce transparency masters and charts and to render other production services to teachers.

(4) An educational media center shall not purchase, sell, grant a lease, or loan for more than 30 days, directly or indirectly, equipment for use by other than a public school, nonpublic school, local school district, intermediate school district, community college district, or publicly funded library or library cooperative. This shall not prohibit the disposition of used or surplus equipment by publicly advertised sale.

BONDS AND NOTES

380.1351 Borrowing money and issuing bonds; purposes; limitations; bonds or notes as full faith and credit tax limited obligations.

Sec. 1351. (1) Until May 1, 1994, a school district may borrow money and issue bonds of the district to defray all or a part of the cost of purchasing, erecting, completing, remodeling, improving, furnishing, refurnishing, equipping, or reequipping school buildings, including library buildings, structures, athletic fields, playgrounds, or other facilities, or parts of or additions to those facilities; acquiring, preparing, developing, or improving sites, or parts of or additions to sites, for school buildings, including library buildings, structures, athletic fields, playgrounds, or other facilities; purchasing school buses; participating in the administrative costs of an urban renewal program through which the school district desires to acquire a site or addition to a site for school purposes; refunding all or part of existing bonded indebtedness; or accomplishing a combination of the purposes set forth in this subsection. In addition, until December 31, 1991 a school district may borrow money and issue bonds to defray all or part of the cost of purchasing textbooks.

(2) Except as otherwise provided in this subsection, a school district shall not borrow money or issue bonds for a sum that, together with the total outstanding bonded indebtedness of the district, exceeds 5% of the state equalized valuation of the taxable property within the district, unless the proposition of borrowing the money or issuing the bonds is submitted to a vote of the school electors of the district at a regular or special school election and approved by the majority of the school electors voting on the question. Regardless of the amount of outstanding bonded indebtedness of the school district, a vote of the school electors is not necessary in order to issue bonds for a purpose described in section 1274a, to issue bonds under section 11i of the state school aid act of 1979, MCL 388.1611i, or, if the school district has fewer than 1,100 pupils in membership in 2006 and is located in a county with a population of less than 30,500 as of the 2000 decennial census, to issue qualified zone academy bonds. For the purposes of this subsection, the following types of bonds shall not be included in computing the total outstanding bonded indebtedness of a school district:

(a) Bonds issued under section 11i of the state school aid act of 1979, MCL 388.1611i.

(b) If the school district has fewer than 1,100 pupils in membership in 2006 and is located in a county with a population of less than 30,500 as of the 2000 decennial census, qualified zone academy bonds.

(3) A school district shall not issue bonds under this part for an amount greater than 15% of the total assessed valuation of the district, except as provided in section 1356. A bond qualified under section 16 of article IX of the state constitution of 1963 and implementing legislation shall not be included for purposes of calculating the 15% limitation. Bonds issued under this part are subject to the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821, except that bonds issued for a purpose described in section 1274a may be sold at a public or publicly negotiated sale at the time or times, at the price or prices, and at a discount as determined by the board of the school district.

(4) Bonds or notes issued by a school district or intermediate school district under this part or section 442, 629, or 1274a shall be full faith and credit tax limited obligations of the district pledging the general funds, voted and allocated tax levies, or any other money available for such a purpose and shall not allow or provide for the levy of additional millage for payment of the bond or note without a vote of the qualified electorate of the district.

(5) As used in this section, "qualified zone academy bond" means that term as defined in section 1397e of the internal revenue code, 26 USC 1397e.

Sec. 1451. (1) A school district, by a majority vote of the school electors at a regular or special school election, may establish a public library.

(2) The school electors of a school district in which a library is established may vote a district tax for the support of the public library at a regular or special school election of the district. The board of the school district may vote a tax for the maintenance and support of the public library.

(3) A tax authorized or voted under this part shall be levied and collected in the same manner as other school district taxes are levied and collected.

In addition to the standard incorporated by reference in this subsection, sections 14b to 14l shall apply to an employer subject to this act. The applicability of the standard incorporated by reference in this subsection and of sections 14b to 14l is subject to subsections (4), (5), (6), and (7).

(2) When a rule or standard that is continued pursuant to section 24(3) is in conflict with or covers the same or similar subject as a standard incorporated by reference pursuant to subsection (1), the federal standard so incorporated by reference shall govern, and the state rule or standard continued pursuant to section 24(3) is rescinded.

(3) The department of labor shall administer and enforce the provisions of the standard incorporated by reference in subsection (1) relative to occupational safety. The department of public health shall administer and enforce the provisions of the standard incorporated by reference in subsection (1) relative to occupational health. The departments of public

(a) To provide information and training only to employees who are exposed to hazardous chemicals in the normal course of employment or who are likely to be exposed to hazardous chemicals in the event of an emergency.

(7) The standard incorporated by reference in subsection (1), this section, and sections 14b to 14l shall not be construed to require an employer in a standard industrial classification other than 20 through 39 of the standard industrial classification code published by the federal department of management and budget to evaluate chemicals, to develop labels for containers of hazardous chemicals, or to develop material safety data sheets.

(c) “Personnel record” means a record kept by the employer that identifies the employee, to the extent that the record is used or has been used, or may affect or be used relative to that employee's qualifications for employment, promotion, transfer, additional compensation, or disciplinary action. A personnel record shall include a record in the possession of a person, corporation, partnership, or other association who has a contractual agreement with the employer to keep or supply a personnel record as provided in this subdivision. A personnel record shall not include:

(ii) Materials relating to the employer's staff planning with respect to more than 1 employee, including salary increases, management bonus plans, promotions, and job assignments.

(iii) Medical reports and records made or obtained by the employer if the records or reports are available to the employee from the doctor or medical facility involved.

(iv) Information of a personal nature about a person other than the employee if disclosure of the information would constitute a clearly unwarranted invasion of the other person's privacy.

The review shall take place at a location reasonably near the employee's place of employment and during normal office hours. Upon completion of the investigation or after 2 years, whichever comes first, the employee shall be notified that an investigation was or is being conducted of the suspected criminal activity described in this section. Upon completion of the investigation, if disciplinary action is not taken, the investigative file and all copies of the material in it shall be destroyed.

(2) If the employer is a criminal justice agency which is involved in the investigation of an alleged criminal activity or the violation of an agency rule by the employee, the employer shall maintain a separate confidential file of information relating to the investigation. Upon completion of the investigation, if disciplinary action is not taken, the employee shall be notified that an investigation was conducted. Sec. 561. Unless otherwise provided by law or its articles of incorporation or bylaws, a corporation has the power to indemnify a person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative and whether formal or informal, other than an action by or in the right of the corporation, by reason of the fact that the person is or was a director, officer, employee, nondirector volunteer, or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, partner, trustee, employee, nondirector volunteer, or agent of another foreign or domestic

corporation, business corporation, partnership, joint venture, trust, or other enterprise, whether for profit or not for profit, against expenses including attorneys' fees, judgments, penalties, fines, and amounts paid in settlement actually and reasonably incurred by the person in connection with the action, suit, or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation or its shareholders or members, and with respect to any criminal action or proceeding, if the person had no reasonable cause to believe that conduct was unlawful. The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent shall not of itself create a presumption that the person did not act in good faith and in a manner which the person reasonably believed to be in or not opposed to the best interests of the corporation or its shareholders or members and, with respect to any criminal action or proceeding, had reasonable cause to believe that the conduct was unlawful.

History: 1982, Act 162, Eff. Jan. 1, 1983;--Am. 1987, Act 170, Eff. Jan. 1, 1988;--Am. 1993, Act 129, Imd. Eff. July 22, 1993.

Sec. 562. Unless otherwise provided by law or its articles of incorporation or bylaws, a corporation has the power to indemnify a person who was or is a party to or is threatened to be made a party to a threatened, pending, or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that the person is or was a director, officer, employee, nondirector volunteer, or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, partner, trustee, employee, nondirector volunteer, or agent of another foreign or domestic corporation, business corporation, partnership, joint venture, trust, or other enterprise whether for profit or not against expenses, including actual and reasonable attorneys' fees, and amounts paid in settlement incurred by the person in connection with the action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation or its shareholders or members. However, indemnification shall not be made for a claim, issue, or matter in which the person has been found liable to the corporation unless and only to the extent that the court in which the action or suit was brought has determined upon application that, despite the adjudication of liability but in view of all circumstances of the case, the person is fairly and reasonably entitled to indemnification for expenses which the court considers proper.

History: 1982, Act 162, Eff. Jan. 1, 1983;--Am. 1987, Act 170, Eff. Jan. 1, 1988;--Am. 1993, Act 129, Imd. Eff. July 22, 1993.

corporation has been successful on the merits or otherwise in defense of an action, suit, or proceeding referred to in section 561 or 562, or in defense of a claim, issue, or matter in the action, suit, or proceeding, the successful party shall be indemnified against expenses, including actual and reasonable attorneys' fees, incurred in connection with the action, suit, or proceeding and in any action, suit, or proceeding brought to enforce the mandatory indemnification provided in this subsection.

(2) An indemnification under section 561 or 562, unless ordered by a court, shall be made by the corporation only as authorized in the specific case upon a determination that indemnification of the director, officer, employee, nondirector volunteer, or agent is proper in the circumstances because the person has met the applicable standard of conduct set forth in sections 561 and 562. This determination shall be made in any of the following ways:

(a) By a majority vote of a quorum of the board consisting of directors who were not parties to the action, suit, or proceeding.

(b) If the quorum described in subdivision (a) is not obtainable, then by a majority vote of a committee of directors who are not parties to the action. The committee shall consist of not less than 2 disinterested directors.

(c) By independent legal counsel in a written opinion.

(3) If a person is entitled to indemnification under section 561 or 562 for a portion of expenses including attorneys' fees, judgments, penalties, fines, and amounts paid in settlement but not for the total amount thereof, the corporation may indemnify the person for the portion of the expenses, judgments, penalties, fines, or amounts paid in settlement for which the person is entitled to be indemnified.

Sec. 564. Expenses incurred in defending a civil or criminal action, suit, or proceeding described in section 561 or 562 may be paid by the corporation in advance of the final disposition of the action, suit, or proceeding upon receipt of an undertaking by or on behalf of the director, officer, employee, nondirector volunteer, or agent to repay the expenses if it is ultimately determined that the person is not entitled to be indemnified by the corporation. The undertaking shall be by unlimited general obligation of the person on whose behalf advances are made but need not be secured.

History: 1982, Act 162, Eff. Jan. 1, 1983;--Am. 1987, Act 170, Eff. Jan. 1, 1988;--Am. 1993, Act 129, Imd. Eff. July 22, 1993.

450.2565 Indemnification or advancement of expenses not exclusive of other rights; limitation; continuation of indemnification.

Sec. 565. (1) The indemnification or advancement of expenses provided under sections 561 to 564 is not exclusive of other rights to which a person seeking indemnification or advancement of expenses may be entitled under the articles of incorporation, bylaws, or a contractual agreement. However, the total amount of expenses advanced or indemnified

from all sources combined shall not exceed the amount of actual expenses incurred by the person seeking indemnification or advancement of expenses.

(5) If the prosecuting attorney intends to seek an enhanced sentence under section 4 or section 5 based upon the defendant having a prior conviction, the prosecuting attorney shall include on the complaint and information a statement listing that prior conviction. The existence of the defendant's prior conviction shall be determined by the court, without a jury, at sentencing. The existence of a prior conviction may be established by any evidence relevant for that purpose, including, but not limited to, 1 or more of the following:

(a) A copy of the judgment of conviction.

(b) A transcript of a prior trial, plea-taking, or sentencing.

(c) Information contained in a presentence report.

(d) The defendant's statement.

(6) It is a rebuttable presumption in a prosecution for a violation of section 5 that the person did not have authorization from the owner, system operator, or other person who has authority from the owner or system operator to grant permission to access the computer program, computer, computer system, or computer network or has exceeded authorization unless 1 or more of the following circumstances existed at the time of access:

(a) Written or oral permission was granted by the owner, system operator, or other person who has authority from the owner or system operator to grant permission of the accessed computer program, computer, computer system, or computer network.

(b) The accessed computer program, computer, computer system, or computer network had a pre-programmed access procedure that would display a bulletin, command, or other message before access was achieved that a reasonable person would believe identified the computer program, computer, computer system, or computer network as within the public domain.

(c) Access was achieved without the use of a set of instructions, code, or computer program that bypasses, defrauds, or otherwise circumvents the pre-programmed access procedure for the computer program, computer, computer system, or computer network.

(7) The court may order a person convicted of violating this act to reimburse this state or a local unit of government of this state for expenses incurred in relation to the violation in the same manner that expenses may be ordered to be reimbursed under section 1f of chapter IX of the code of criminal procedure, 1927 PA 175, MCL 769.1f.

(8) As used in this section, "prior conviction" means a violation or attempted violation of section 145d of the Michigan penal code, 1931 PA 328, MCL 750.145d, or this act or a substantially similar law of the United States, another state, or a political subdivision of another state.

Also No. 5650 – there are no "special elections" really anymore.) Descriptions are based on the headnote from the AG opinions and readers should seek legal advice as to whether they apply to any particular library.

Michigan Case Law on Library Issues

NONE OF THE INFORMATION CONTAINED HEREIN IS INTENDED AS LEGAL ADVICE.

1. *Goldstone v Bloomfield Twp Public Library*, 479 Mich 554, 562; 737 NW2d 476 (2007). The Court determined that the Michigan Constitution does not require each and every individual public library to offer nonresident book borrowing privileges.
2. *Capital Area District Library v Michigan Open Carry, Inc*, 298 Mich App 220; 826 NW2d 736 (2012). The Court struck down the Capital Area District Library's weapons policy that prohibited firearms. In striking down the policy, the Court applied the standards of "preemption," which means either (1) the local regulation directly conflicts with the state statutes or (2) that the state exclusively occupies the field of regulation and that local units of government have no authority to regulate even if there is no direct conflict. Addressing the first prong, the Legislature adopted a series of statutes that prevented "local units of government" from adopting local policies regarding firearm regulations. Under the statute, "local unit of government" meant a "city, village, township or county." MCL 123.1101(a). District libraries or "authorities" were not specifically defined. Thus, there was no direct conflict under the first prong. However, the Court found the district library was preempted under the second prong of the preemption analysis. Simply stated, the Court reasoned that the regulation of firearm possession is a matter better left to the state legislature rather than allowing a multitude of local governmental policies to exist.
3. *Bostedor v City of Eaton Rapids*, 273 Mich 426; 263 NW 416 (1935). The Court addressed the independence of 1877 PA 164 ("PA 164") libraries. The Court determined that a city may not lawfully appoint a library board that is not in conformity with the PA 164, even if the city charter provides for such appointment. Further, the court determined it was the Library Board, not City Council, that had authority to sell the Library building. The Court reasoned that PA 164 controlled that activity; "[i]f the statute controls, then the charter provisions to the contrary effect are void." The court further stated that PA 164 "is a general law of the state." The Court noted that "[i]t was evidently the purpose of the Legislature in authorizing and regulating such libraries by general law to remove the same from politics and factional disturbances."
4. *Herrick District Library v Library of Michigan*, 293 Mich App 571; 810 NW2d 110 (2011). The Michigan Court of Appeals held that the Michigan Department of Education lacks authority to promulgate the State Aid Rules, which imposed new conditions on public libraries' eligibility to receive critical state funding. The Court also concluded that the State Aid Rules' requirement that libraries provide identical services to contract service areas is contrary to the Michigan Constitution.

5. *Saginaw Public Libraries v Judges of the 70th District Court*, 118 Mich App 379; 325 NW2d 777 (1982). The Court held that there is no constitutional requirement imposed by Michigan Constitution, Article 8, Section 9 (provision regarding penal fines for libraries) requiring that all sums of money received for violations of state law be considered “penal fines” under Article 8, Section 9. The collection of a reasonable “base cost” by the state is not a penal fine within the meaning of the Michigan Constitution.
