SUCCESS BASICS

Discover People and Places

Read books together that are about people who are alike and different from you and your child. KDL has many resources to help you find quality books to help children discover their world. Here are few other links to get started:

- Carnegie Library of Pittsburgh's Best Books for Babies: <https://www.carnegielibrary.org/tag/best-books-for-babies/>
- The Association for Library Service to Children's Notable Books: <http://www.ala.org/alsc/awardsgrants/notalists/ncb>
- The Association for Library Service to Children's Schneider Family Book Award: <http://www.ala.org/awardsgrants/schneider-family-book-award>
- The American Indian Library Association: https://ailanet.org/award_categories/picture-book/

What this is teaching:

Reading and talking about a variety of experiences helps develop children's vocabulary and knowledge of the world.
