

COMPREHENSION

is the ability to understand and draw meaning from what has been read.

Mission:
READ!

Story Dice

Materials Needed: One or more of the printed dice, stickers/pen/coloring tools, tape

Directions: Fill in each square with a topic the child is interested in. You can write the topics or use pictures. Cut out the dice. Create the dice by folding all the solid lines under. Secure with tape. Take turns rolling the dice and create a story by using the prompts.
