Kent District Library Ideas.
Excitement!

To support, encourage and foster access to West Michigan talent, Kent District Library is creating a **Local Indie @ KDL** collection to be available at our Cascade Township and Kentwood branches. This collection features donated books, music and films from local independent authors and artists.

Items included in the **Local Indie @ KDL** collection must meet the following guidelines:

- At least one and preferably two copies of the material must be donated to KDL.
- Donated materials become the property of KDL, subject to KDL’s Selection and Collection Maintenance Policies.
- Donated items which do not circulate regularly may be withdrawn from the collection after one year.
- Regardless of genre, all items in this collection will be labeled as “LOCAL” and include the name of the author, band/musician or director.
- At this time, KDL does not have a platform for accepting or circulating self-published eBooks or other digital content.

To **donate** self-published or independently published books, CDs or DVDs to this collection, please complete the form below and include it with the donated item/s.

Your copy of this completed form may be used as a tax deductible receipt.

Donations should be clearly marked “**Local Indie @ KDL**” and may be taken to **any KDL Branch** or mailed or delivered to
