

# Mac Computer

## Getting started with OverDrive on a Mac computer

With a Mac, you can borrow and enjoy ebooks and audiobooks from your library's digital collection.

### In your web browser

1. Open your library's digital collection on your computer at [kdl.overdrive.com](http://kdl.overdrive.com).
2. Borrow a title (you'll need to sign into your library to complete this step).
3. After you borrow a title, you can:
  - Click **Read now with Kindle** to complete checkout on Amazon's website and send a book to your Kindle device or Kindle reading app.
  - Click **Read now in browser** to open OverDrive Read or MediaDo Reader ebooks right in your web browser.
  - Click **Listen now in browser** to open OverDrive Listen audiobooks right in your web browser.
  - Download EPUB or PDF ebooks to your computer (first, you'll need to install and authorize Adobe Digital Editions), then transfer them to a compatible ereader.
  - Close the pop-up window to keep browsing and borrowing.
  - To see all of your borrowed titles, tap the books icon at any time to go to your Loans page.
