

VOCABULARY

is the knowledge of and memory for word meanings.

Mission:
READ!

Beach Ball Toss

Materials Needed: Beach ball, wet erase marker

Directions: Write as many words as you like a beach ball. Use fewer words for children with a smaller vocabulary and more words for children who have a larger vocabulary.

How to Play: Toss the beach ball back and forth between players. Whatever word your thumb hits, say out loud or use it in a sentence. Make the game even more fun by saying it in silly voices, creating a story, or catching the ball in different ways (behind your back, sitting down on the ground, over your head).
