

## BOB Sample Questions

After the BOB MC reads a question, the BOB team will have time to confer. They will then submit their team's answer by typing it into their team's online answer sheet. The MC will make it clear when it is time to submit final answers.

Please see the following examples of questions that have been asked in past BOB events.

Some questions may have only one answer:

- In Book Scavenger, Emily has just moved to San Francisco from what state? (New Mexico)
- In Front Desk, what is Mrs. Matthew's job? (Librarian)
- "In the Mad Wolf's Daughter, how many days does Emerick tell Drest she has to save her family? (Five)
- "In the Mad Wolf's Daughter Wimarca wore skulls of what animal on her necklace?" (mouse)
- "In Nevermoor, what did each Morningtide party guest say before they jumped off the roof with their umbrellas?" (Step Boldly)
- "In Scat, where was the class going on its field trip?" (Black Vine Swamp)

Some questions may have more than one possible answer:

- "In the Mad Wolf's Daughter, name **one** thing that Drest's father often puts in pottage?" (Peas and fish are the two possible answers. A team would -and should- only name one)
- In the Mad Wolf's Daughter, name **one** of the plants Merewen says she would need to heal Emerick? (Yarrow, thornapple, agrimony are all possible answers. A team would -and should- only name one)

Some questions may require more than one answer (the MC will clearly state this in the question):
