

ACTIVITY GUIDE WEEK 4- EXPLORE, DESIGN, CREATE

GRADES: K-2

Hello Parent/Guardian,

We hope you are doing well. Here is a guide full of fun activities for your child to try out this week at home! This educational guide is meant to be engaging and fun for your child. Complete the tic-tac-toe board with them on the front sheet, or challenge them to complete each of the activity squares. Included you will find: stories to read; letter, and sound activities; science and art activities; and some great math graphing practice. This week's theme is information technology.

Science

Put water in a glass. Lightly tap on the side with a pen or pencil. What does it sound like?
Draw your glass. Draw or write about the sound it makes:

What happens when you use less water?

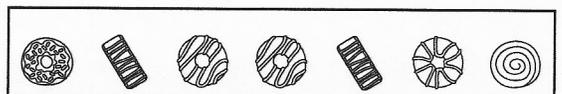

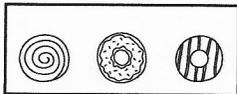

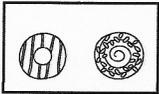

What happens when you use more water?

Bring out the pots and pans! Tap on the pans like a drum. Do they sound the same or different? Why do you think that happens? Draw, label, and write about your investigation:

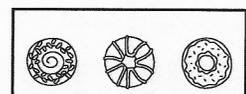

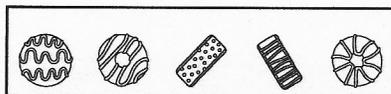

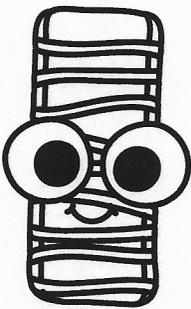

A= 	H= 	O= 	V= 
B= 	I= 	P= 	W= 
C= 	J= 	Q= 	X= 
D= 	K= 	R= 	Y=

Phoneme Segmenting and Blending

Picture Slide

Objective

The student will segment and blend phonemes in words.

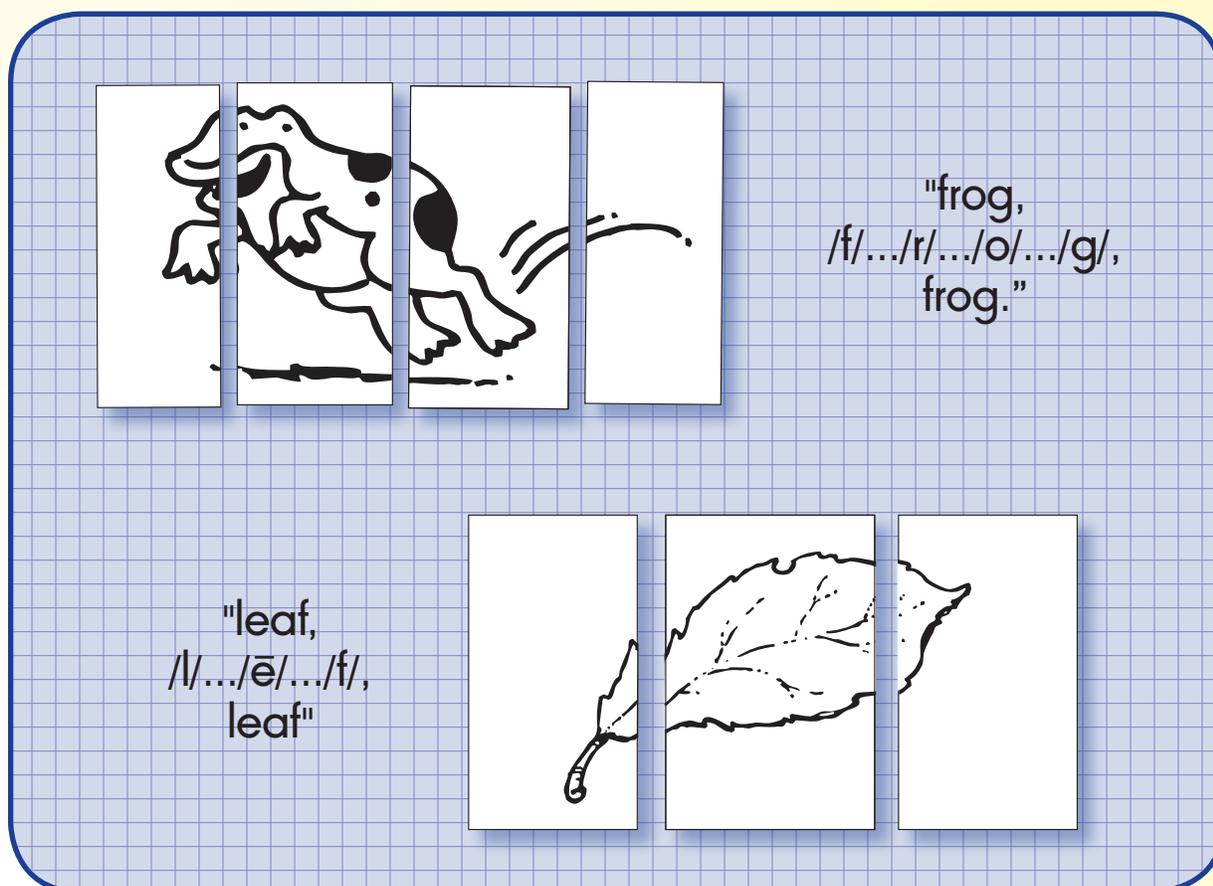

Materials

- ▶ Two-to-five phoneme picture cards (Activity Master PA.048.AM1a - PA.048.AM1h)
Copy on card stock, laminate, and cut on dotted lines.

Activity

Students blend phonemes to make words while sliding pieces together to make pictures.

1. Place picture card parts in individual stacks on a flat surface.
2. The student chooses a stack of picture parts and puts in order leaving spaces between the parts.
3. Names the picture and segments the word into phonemes while slowly sliding the parts together (e.g., “frog, /f/ /r/ /o/ /g/”). Repeats the word (i.e., “frog”).
4. Continues until all pictures are assembled.
5. Self-check

"frog,
/f/.../r/.../o/.../g/,
frog."

"leaf,
/l/.../ē/.../f/,
leaf"

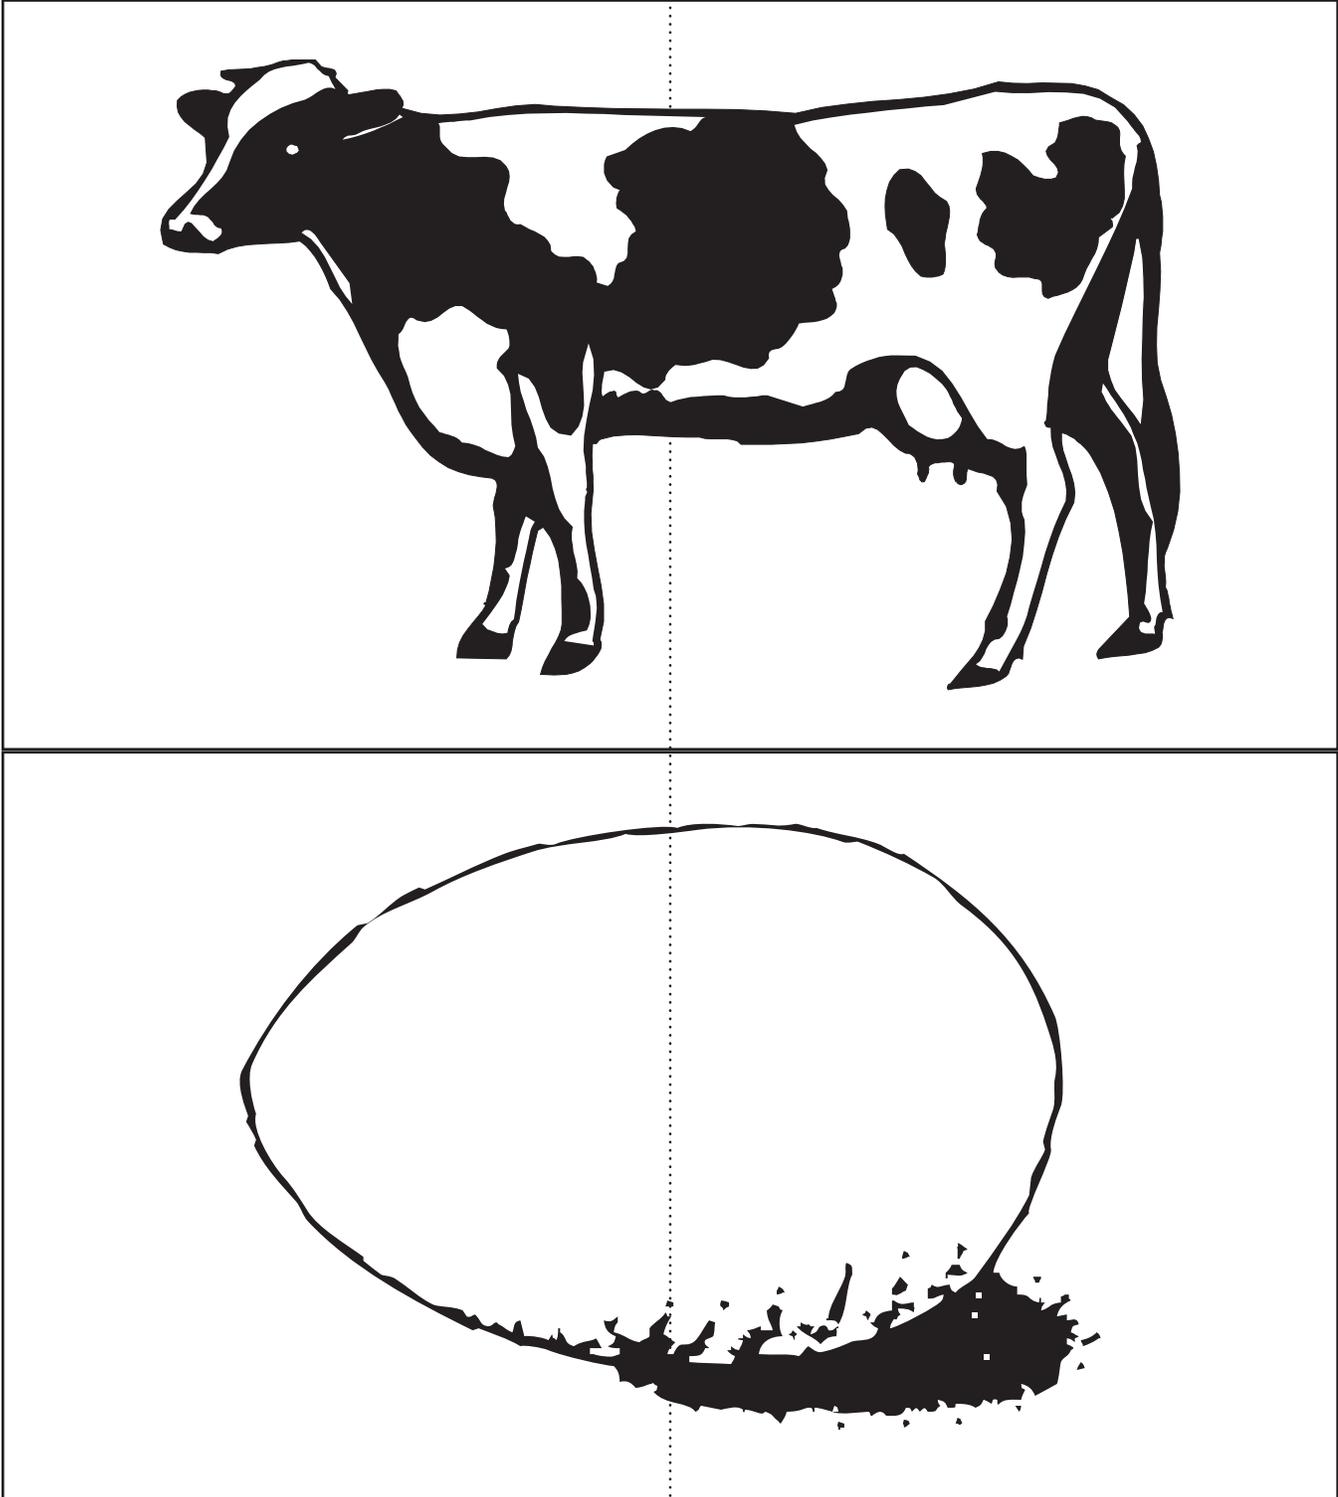

Extensions and Adaptations

- ▶ Use photographs of students.
- ▶ Use other picture cards.

Objective

The student will match initial phonemes to graphemes.

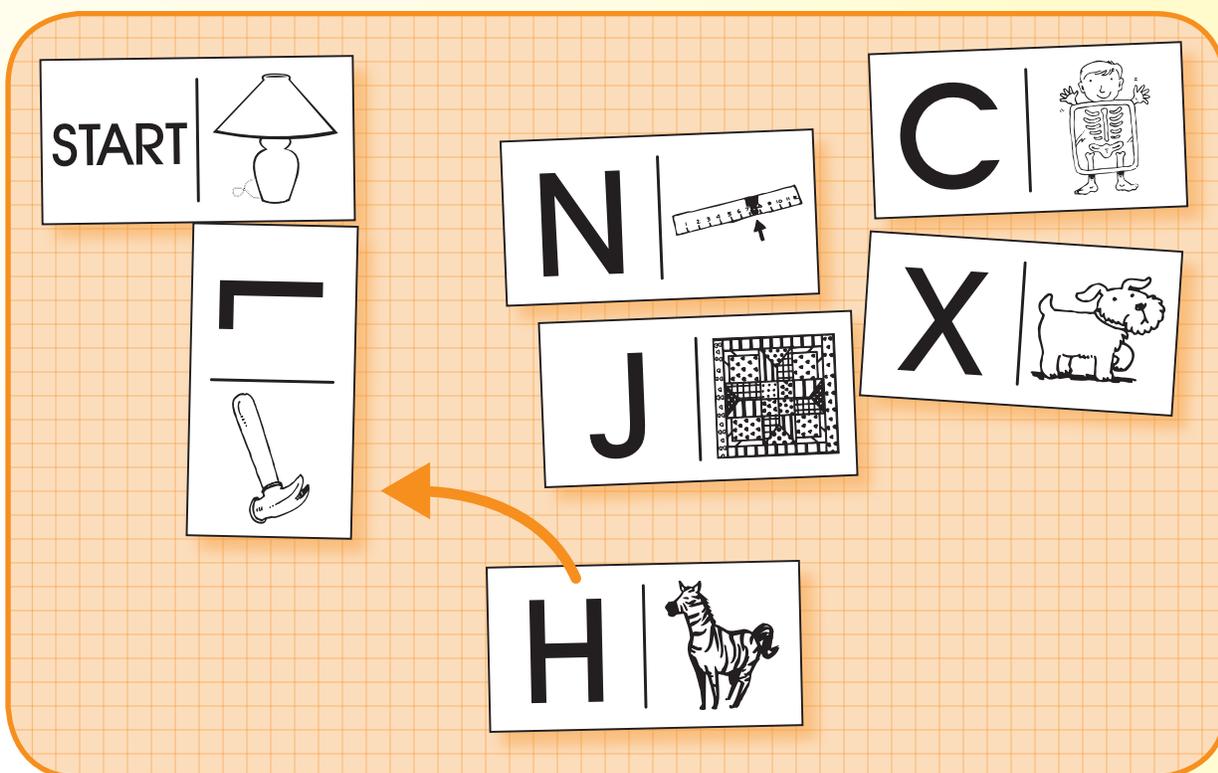

Materials

- ▶ Picture/letter domino cards (Activity Master P.016.AM1a - P.016.AM1e)
Copy on card stock, laminate, and cut.

Activity

Students match initial sounds of pictures to letters while playing a domino game.

1. Scatter domino picture cards face up on a flat surface.
2. Taking turns, student one places the START domino on the table, names the picture on the other side of the domino, and says its initial sound (i.e., “lamp, /l/”).
3. Looks for a domino with the letter that corresponds to the initial sound, names it, and says its sound (i.e., “l, /l/”). Connects the two dominoes.
4. Student two names the picture on the other side of the domino (i.e., “hammer”), says its initial sound (i.e., “/h/”), and finds the domino with the corresponding letter. Names the letter and says its sound (i.e., “h, /h/”). Connects it to the domino.
5. Continue until all dominoes are connected.
6. Peer evaluation

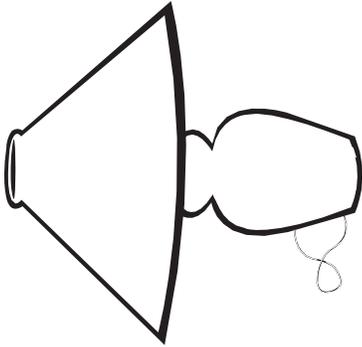

Extensions and Adaptations

- ▶ Make and use final sound picture/letter domino cards (Activity Master P.016.AM2).
- ▶ Make and use medial sound picture/letter domino cards (Activity Master P.016.AM2).
- ▶ Make and use upper- and lowercase letter domino cards (Activity Master P.016.AM2).

Vowel Slide

Objective

The student will identify variant correspondences in words.

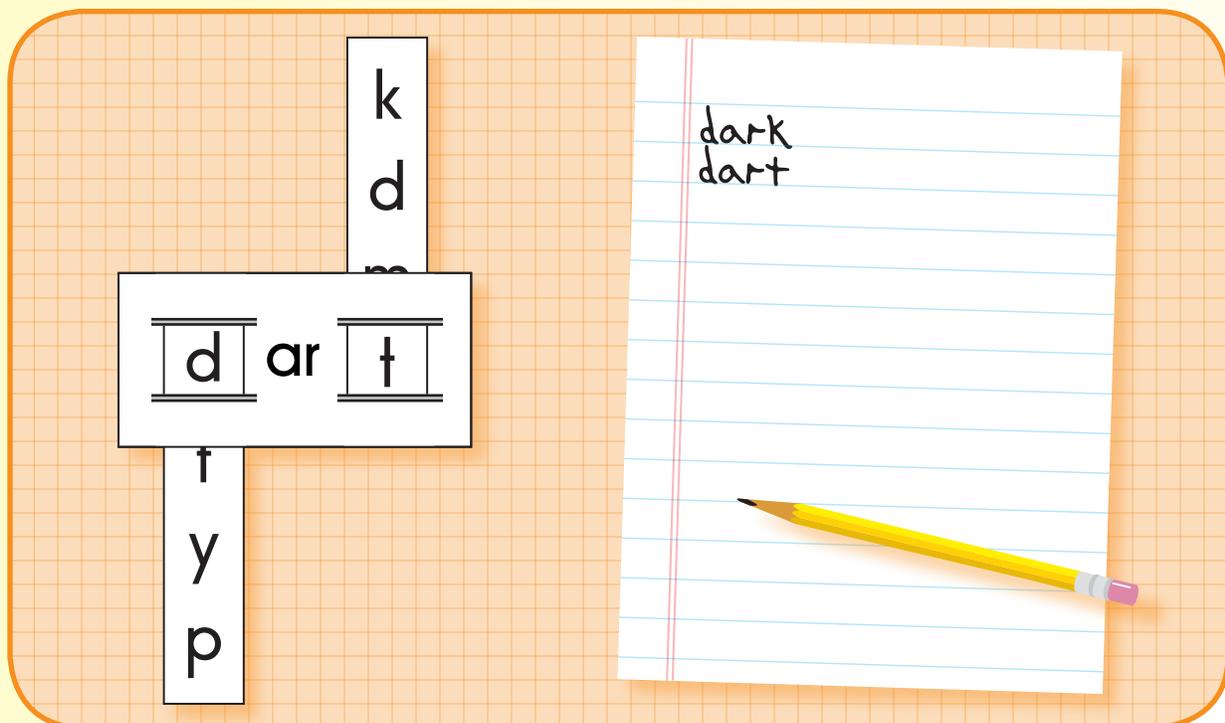

Materials

- ▶ Vowel Slides (Activity Master P.049.AM1a - P.049.AM1d)
Select target vowel slides.
Thread vertical strips through the horizontal strip to create slides.
- ▶ Paper
- ▶ Pencil

Activity

Students blend sounds to make words while manipulating a slide.

1. Provide the student with vowel slides and paper.
2. The student selects a vowel slide and reads the medial vowel pattern (e.g., “/ar/”). Slides vertical strips until letters can be seen through the windows. Blends the sounds and reads the word (e.g., “/d//ar//t/, dart”).
3. Determines if it is a real or nonsense word. If real, records on the paper. Manipulates both slides until all possible combinations are made.
4. Continues until all real words are recorded.
5. Teacher evaluation

Extensions and Adaptations

- ▶ Use short vowel slides (Activity Master P.049.AM2a - P.049.AM2c).
- ▶ Make slides with other letters (Activity Master P.049.AM2c).
