Checking Items Out

Connect your NOOK Glowlight Plus to your computer.

Note: If you're using a Mac computer, you'll need to install Android File Transfer so your GlowLight Plus will be recognized by your computer and you can transfer ebooks to it.

Browse and Check items out

On your computer, open KDL's digital collection at: www.kdl.overdrive.com and sign in to your account by entering your library card number.

Search for or browse the collection for your next read and **Borrow** an ebook.

Click the **Download** button after borrowing the ebook. Downloaded ebooks open in ADE.

Transferring to your NOOK Glowlight Plus

Right-click the ebook in ADE and click Show File in Explorer (Windows) or Show File in Finder (Mac).

Drag the ebook file from the folder that opens to the My Files folder of your NOOK. Your NOOK will appear as a removable device in the left-hand side of the Explorer or Finder window.
