Board of Trustees Kent District Library 814 West River Center Dr. NE Comstock Park, MI 49321

Dear Board of Trustees:

On Saturday, December 7, 2024, the City of Grandville is hosting a Christmas at the Commons event in and around the Grandville Library. This event has become their main annual holiday celebration and is very well attended by the community. The evening will involve a lot of festivities, including a tree lighting, live music, arts and crafts vendors, trackless holiday trains, and even a synthetic ice rink.

This year, I would like to request the library stay open until 9:00 PM (usual closing time is 5:00 PM on Saturday) in order to partner with the city and provide services to all the patrons who are going to be enjoying this city event. Additionally, the branch will be hosting a Kids and Teens craft sale inside the building to pair with the Christmas Vendor Market outside the city will have as part of the event.

This partnership will allow the City, the library, and the library advisory board, all to succeed in providing a wonderful experience for the residents of Grandville and partner in a meaningful way. We thank you for considering this and are excited for a wonderful night in Grandville.

Sincerely,

Josh Bernstein

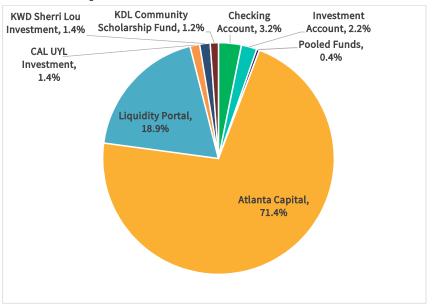

Regional Manager for Grandville and Byron

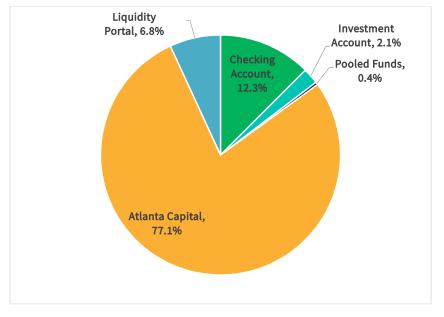

cc: Lance Werner, KDL Director

John Lats

# Director's Report October 2024

### Kelloggsville + Wyoming

Staff across the region actively promote digital services whenever patrons request print items that aren't immediately available in physical form. Digital services are also highlighted during the library card registration process for new patrons and introduced to teachers as a resource for their students. At the Wyoming Branch, youth programming remains a major attraction, drawing many families to the branch. Meanwhile, at the Kelloggsville Branch, teens gather after school, finding a social hub in the library and enjoying Teen Zone programming. Additionally, many teens visit Kelloggsville specifically to use the computers in the gaming lab.

#### **Kentwood + Gaines**

Staff at the Gaines Township and Kentwood branches have excelled in promoting KDL's digital services, often doing so naturally through conversations with patrons at service desks or throughout the branch. By attentively considering patrons' interests and needs, they recommend relevant digital resources that might benefit them.

To encourage patrons to return, staff also share details about upcoming programs and unique branch features, such as study rooms, community puzzle tables, and WonderKnook installations. For patrons eager to learn how to use KDL's digital resources, staff regularly offer in-person overviews and tutorials, either through on-demand assistance or by scheduling tech tutoring appointments.

### **Krause, Nelson + Spencer**

Frontline staff are essential in introducing patrons to the full array of digital resources, helping to bridge any gaps in service offerings. Although many patrons are committed to our physical resources, they're often pleasantly surprised by the convenience and variety of digital services available.

To create a seamless blend between digital and physical offerings, staff regularly highlight how digital resources can enhance the in-person library experience. By presenting the library as a vibrant space where digital and physical resources intersect, staff successfully draw patrons into library spaces while meeting their diverse needs.

Nominated By: Rebecca Behrens Authentic

"Due to unforeseen circumstances, we had to make changes to today's story time as patrons came in with their children (walking through the door). Dave, Jaime, and Sandy jumped into action informing every one of their options and locations of story time. I saw many patrons smiling and appreciative by the informed news. Way to be proactive!"

# Jessie Salo – Administrative Assistant Finance Department

Nominated By: Ashten VanderPloeg

Helpful

"Thank you for making the hotel check-in / check-out process seamless for me at MLA. I had all the documents & information that I needed. Everything was handled beautifully without issues as well as communication. This is the something I don't take for granted!"

Nominated By: Jaci Cooper

Authentic

"I wanted to give Jessie an extra shout out after seeing that she was a winner of the Database Challenge. Historically, support departments have sometimes viewed such things as being for the branches or frontline staff only. I know just how important organizational awareness is. Word of mouth and personal advocacy are incredibly impactful for library services. Knowing our databases inside out is a great way to be able to recommend them to others. Thank you for taking the time to do this, Jessie!"

## Jennifer Savage-Dura – Branch Librarian East Grand Rapids

Nominated By: Shaunna Martz

Authentic

"Today, Jenny offered to take my teen shift, helped Sarah take down teen zone and keep our teens in check, and offered great assistance with set up of our 80's Murder Mystery. Thank you, Jenny!"

Two cutting-edge gaming labs are now fully operational at Kelloggsville and Kentwood Branches, offering a variety of engaging esports programs. # **Free Printing Sustainability Plan**

Project Lead: Faye Harbison

Status: On Track

**Approval Date:** 06.26.2024 **Due Date:** 01.17.2025

Implementing Phase 2 of the project (requiring patrons to sign in for all printing and copying services) was delayed due to the request for the vendor to change settings taking longer than expected. This will now be moved to the final phase of the project. In early October, Ray Mysels and Gwennan Lawcock, Network Systems Specialists, configured paper type and size setting for all KDL printers to prevent patrons overriding the settings. This change was necessary to ensure the use of KDL-provided paper. The rest of the month was spent focused on creating staff training, procedures and patron-facing assistance. Work continues with the goal of rolling out the final phase and staff training in mid-November, with implementation in December.

## **In-Branch Experience**

Project Lead: Laura Youells
Status: On Track

**Approval Date:** 02.28.2024 **Due Date:** 12.28.2024

The team continues to work on turning the many ideas gathered into a guide format. In October, the project group organized a systemwide pumpkin contest to great success! 16 locations participated with over 100 pumpkins in the competition. The final round of Facebook posts garnered excellent engagement, reaching over 20,000 people (twice the KDL average) within the first 24 hours and hundreds of likes for each picture. The ultimate pumpkin champion was crowned on Halloween: Gaines Youth Branch Librarian Jordan Perkins – and her wild robot.

### **Intranet Revamp**

Project Lead: Jaci Cooper Status: On Track **Approval Date:** 09.04.2024 **Due Date:** 11.03.2025

The project team held its kickoff meeting in October to review the project charter and goals and assign tasks. The team discussed naming conventions and file maintenance standards, and each team member was assigned different department folders to rename and organize for better discoverability. The team will next focus on developing KDL's new intranet home page while gathering input from key stakeholders throughout the organization.

## **Legendary Readers**

Project Lead: Monica Walen

Status: On Track

**Approval Date:** 09.27.2023 **Due Date:** 07.31.2025

Legendary Readers continues to be promoted by librarians through outreach visits throughout the KDL service area. In-branch promotional materials are under development to enhance and promote on-shelf discovery and will roll out in the next few months. Prize bookmarks have been purchased and are scheduled to be dispersed alongside Let It Snow prizes in late December.

# LibCal for Managing Book Club in a Bag Reservations

Project Lead: Morgan Hanks Status: On Track **Approval Date:** 09.25.2024 **Due Date:** 12.19.2024

The first priority for the project team was transferring all Book Club in a Bag (BCiaB) records into the new system, LibCal. Focus is currently on configuring the program settings to match KDL borrowing periods. Once this setup is complete, the team will proceed with importing current BCiaB holds and preparing for staff training. Once staff are familiar with the new system, a training rollout for patrons will be offered. Many patrons have already expressed excitement about the upcoming improvements.

## **MarCom Supplies Request System Upgrade**

Project Lead: Janice Greer Status: On Track

**Approval Date:** 08.28.2024 **Due Date:** 12.12.2024

The new system has launched! Orders are being submitted successfully and feedback has been positive. Staff specifically appreciate that nearly all the items have images for clear item identification. As more users are trained and begin ordering with the new system, the team will gather feedback and make improvements as needed.

# **Materials Handling Time Study**

Project Lead: Trish Reid Approval Date: 03.25.2024
Status: On Track Due Date: 12.06.2024

The project team has successfully completed the second round of data collection. Information is being compiled into a detailed report which will be shared with the Leadership Team in November. This data will identify trends and inform strategic decision-making and help shape future service improvements.

### **Next Nexus AI Summit**

Project Lead: Hannah Lewis Approval Date: 05.01.2024
Status: Complete Due Date: 11.06.2024

The Next Nexus AI Summit took place October 4 and 5. There were over 70 attendees on Friday and about 30 on Saturday. The feedback was positive, with post-event surveys indicating high satisfaction with speakers and topics. Lessons learned include continuing Next Nexus Summits with a business focus and offering future summits as a single-day event. Many thanks to Community Engagement Librarian Hannah Lewis and her project team: Branch Librarian Adrianna Triche, Branch Outreach & Programming Specialist Clare O'Tsuji, Programming Specialist Amber Elder, Network Systems Specialists Dhanya Ravi, Patron Services Librarian Joel Kibbe, Jake Huber, Webmaster Remington Steed, Patron Services Manager Morgan Hanks and Director of Engagement Randy Goble.

## On the Same Page 2025

Project Lead: Hennie Vaandrager

**Status:** On Track

**Approval Date:** 06.01.2024 **Due Date:** 12.01.2025

The project team is preparing for the public announcement of On the Same Page 2025. On November 26, project leader Hennie Vaandrager and Katie Zuidema, Marketing Communications Specialist, plan to share the chosen titles and authors in a TV interview, along with coordinated social media announcements. The Marketing and Communications department has been hard at work creating a unique and fitting look for this year's publicity. A small group of the project team visited the venue at Godwin Heights to create a detailed planning list specific to the venue and events. The selected authors bring additional prestige to the program through their 2024 literary award nominations, which will generate additional publicity for the featured titles.

# **Physical Collection Audit**

Project Lead: Joshua Bernstein Status: On Track **Approval Date:** 08.23.2023 **Due Date:** 12.16.2024

The project team has created and distributed reports to all branches with lists of audiobooks and music CDs to weed. Branches have between October 28 and November 8 to complete this. After the weeding process, leftover materials from these collections will be reallocated from smaller branches to larger locations. The team has crafted a sustainable disposal plan featuring a "stuff-a-bag" sale in November, where patrons can purchase weeded audio materials at a heavily discounted price.

## **Teen Graphic Novel Contest**

Project Lead: Madelyn Besaw
Status: On Track

**Approval Date:** 07.17.2024 **Due Date:** 11.24.2025

This month the project team focused on establishing contest rules. San Jose Public Library gave KDL permission to use their contest rule language, which saved the team a lot of time. Rules have been adjusted and updated to align with existing KDL contests like Teen Poetry or Write Michigan. The final draft is near completion.

# **BUILDING PROJECTS**

## **Cascade Township**

Project Lead: Lulu Brown Approval Date: N/A
Status: N/A Due Date: N/A

Last month, the township board confirmed a \$1.75 million commitment to refreshing the library. Carbon Six is working to have the project ready for bid by mid-December, with subcontractors selected in January. C2AE is securing the finishes and products needed to complete the refresh. Over the next two months, the township will identify companies to manage the adult furniture portion of the project. Director of Project and Planning Jaci Cooper and Administrative Assistant Kelsey Little are securing a new WonderKnook play space, funded by the Cascade Friends of the Library, who have already committed \$40,000. Network Systems Specialists Rich Nagel is ensuring the chosen company will support staff and patron IT needs during the refresh. Regional Manager I Lulu Brown still expects construction to begin on February 17.

## **Krause Memorial (Rockford)**

Project Lead: Jennifer German Approval Date: N/A Status: N/A Due Date: N/A

Rockford residents overwhelmingly approved a millage proposal to finance the remaining amount of funding for the Krause Memorial Library expansion. This will allow the Krause Branch to better serve the growing community's needs. Efforts toward the capital campaign will continue in an effort to minimize the millage rate as much as possible. The goal is to break ground on the project in fall 2025.

# **Tyrone Township**

Project Lead: Liz Knapp Approval Date: N/A Status: N/A Due Date: N/A

### **PURPOSE**

This recommendation seeks approval for the Kent District Library (KDL) Community Impact Scholarship selection process and details. The scholarship is designed to support high school seniors and adults returning to school who have demonstrated exceptional dedication to community service, inclusivity, and innovation, and who maintain a meaningful relationship with their local library.

### OVERVIEW/NEEDS/BACKGROUND INFO

KDL is committed to fostering community engagement and lifelong learning. In 2023, KDL received the Library Journal Jerry Kline Community Impact Prize Award, which provided the opportunity to establish this scholarship fund. The scholarship aims to recognize and support students who are actively contributing to their communities, creating a positive impact, and showing potential for continued success in their academic and professional endeavors. The scholarship will be available to both trade-bound and college-bound students who reside within the KDL service area.

### **BENEFITS**

- Encourages and rewards community involvement and leadership among local students.
- Strengthens the relationship between KDL and the community.
- Promotes inclusivity, innovation, and lifelong learning, aligning with KDL's mission.
- Provides financial assistance to deserving students, potentially easing the burden of educational expenses.

### **DISADVANTAGES**

- There may be challenges in ensuring a fair and unbiased selection process and ensuring there are no perceptions of bias, despite redacting and anonymizing as much information as possible. the implementation of a double-blind review.
- KDL will need to get the word out about the scholarship.
- This scholarship will be a separate application process from others that may be available and combined into one application process.
- Our current process will require a manual verification that those selected are active cardholders and KDL service area residents.

• This is the first year so there will be efficiencies not yet realized in the process until going through it

### COST

The 2023 Jerry Kline Community Impact Prize was awarded to the Kent District Library on November 1st, 2023. KDL's wish was to invest the entire award back into the communities.

One way of doing that was to create a scholarship fund with the award proceeds, along with interest from the Kent District Library investments from the Grand Rapids Community Foundation.

The Library Board approved the creation of the Kent District Library Community Scholarship Fund on November 16th, 2023, for students that reside within the Kent District Library Service area.

The resolutions approved disbursed \$50,000 from the 2023 Jerry Kline Community Impact Prize, as well as \$124,643 from the Kent District Library investments from the Grand Rapids Community Foundation, to create the Kent District Library Community Scholarship Fund on November 16, 2023. Staff and patrons may also donate to the scholarship fund.

The 2023 Jerry Kline Community Impact Prize check was received and deposited into a designated fund on April 4<sup>th</sup>, 2024. The proceeds from the Grand Rapids Community Foundation were received and deposited into a designated fund on April 18<sup>th</sup>, 2024. The scholarship fund balance is currently \$181,415.

### **IMPLEMENTATION**

The KDL Community Impact Scholarship will be administered through Submittable, an online submission management platform, ensuring a streamlined and user-friendly application process for students. Here's how the process will work:

### 1. Application Launch:

 The scholarship application will open on December 1, 2024, on the KDL website. A direct link to the Submittable platform will be provided, guiding students to create an account or log in if they already have one.

### 2. Creating a Submittable Account:

 Students will be prompted to create a free Submittable account by entering their email address and creating a password. Once logged in, they can access the KDL Community Impact Scholarship application form.

### 3. Completing the Application:

- The online application form will include fields for personal information, academic background, and essay responses to selected prompts. Students can save their progress and return to the application at any time before the deadline.
- The platform will allow students to upload supporting materials such as transcripts, letters of recommendation, and any additional documents that showcase their community involvement or innovative projects. These uploads can be in PDF, JPEG, or PNG format.

### 4. Application Review:

- The Office Manager will access all submitted applications through Submittable, ensuring that all required documents are included. They will then ensure that all personally identifiable information is excluded to maintain an anonymized and fair double-blind review process, assigning each application a unique identification number, and verifying that all within the candidate pool are KDL cardholders and service area residents.
- The scholarship committee, comprising representatives from the KDL Board of Trustees, will review the anonymized applications through Submittable, using an evaluation rubric to score each entry and determine their 3 top candidates.
- Winner will be decided upon at the April Board meeting each year in a closed work session.

### 5. Notification and Follow-Up:

Submittable allows for efficient communication with applicants. After the committee
makes its final selections, all applicants will be notified of the outcome through the
platform. Winner(s) will receive a congratulatory message with details about the award
ceremony at the May KDL Board meeting, while non-recipients will be encouraged to
continue their engagement with KDL.

### 6. Publicize the Award

- Publicly announce the scholarship recipient(s) through KDL's website, social media channels, and other relevant platforms.
- Feature the recipient in KDL newsletters or other communications to highlight their achievements and the impact of the scholarship.
- Schedule award ceremony for the beginning of the May Board meeting.

### 7. Coordinate with the Recipient's Educational Institution

- Obtain Enrollment Confirmation: Request that the recipient provides a copy of their enrollment confirmation from their chosen college, university, or trade school. This ensures that the funds will be directed to the correct institution.
- Gather Financial Details: Work with the recipient to obtain the necessary financial details from the educational institution, such as the school's financial aid office contact information, and any specific forms or account numbers needed for the transfer of funds.

### 8. Disperse & Transfer Award

- Create a Disbursement Request: Prepare a formal disbursement request within KDL's financial system, specifying the scholarship amount (\$5,000) and the details of the recipient's educational institution.
- Coordinate with KDL Finance Department: Provide the Finance Department with the recipient's information and the educational institution's details. The Finance Department will then initiate the transfer of funds directly to the institution.
- Confirm Transfer: Once the transfer has been initiated, confirm with the educational
  institution that the funds have been received and allocated correctly to the recipient's
  account for tuition, fees, or other educational expenses.

### RECOMMENDATION

It is recommended that the Board approve the establishment and implementation of the KDL Community Impact Scholarship process as outlined, beginning with the 2024-2025 academic year. This scholarship initiative is directly inspired by the prestigious Library Journal Jerry Kline Community Impact Award, which KDL proudly received in 2023. The award recognized our commitment to community engagement, innovation, and leadership, providing us with a unique opportunity to further invest in the future of our community.

To maintain alignment with KDL Policies 5.3.1 and 5.4 and uphold the community-centered spirit of the Jerry Kline Award, it is recommended that the board establish a rule disqualifying children of KDL staff, managers, leadership, and board members from scholarship eligibility. This policy would help prevent any potential conflicts of interest or perceptions of favoritism in the selection process.

By creating the KDL Community Impact Scholarship, we aim to extend the recognition we received from the Jerry Kline Award back to our community, ensuring that this honor has a lasting and tangible impact. The scholarship embodies the same values that earned us the award—supporting individuals who are passionate about making a difference, championing inclusivity, and fostering innovation.

Through this scholarship, we not only celebrate our community's recognition on a national level but also empower the next generation of leaders to continue building on the foundation of community engagement and lifelong learning. This initiative ensures that the legacy of the Jerry Kline Award lives on within the community, fostering an environment where our residents feel valued and motivated to contribute to the common good. In this way, the award and its values will continue to resonate and be celebrated by the community for years to come.

What PMO or programming proposal is this part of and who is the main point person? Jaci Cooper and the Chair of the KDL Board of Trustees.

Campaign description: The KDL Community Impact Scholarship

### **GOALS**

- Campaign Purpose and Objectives (Launch of something new, expansion, update?)
- What does success look like? Metrics?
- Generate awareness and applications for this new scholarship program.
- This is the inaugural year of this scholarship, so there's no existing baseline for the number of applications.
- Our goal is to attract multiple qualified applicants, so the Board of Trustees has a good field to review and choose from. 20 applications per month seems like a decent number to aim for, but we'll ultimately learn what to expect after this first year.

### **AUDIENCE**

- Target Audience (Who is the primary benefactor and who is the primary decision-maker?)
- Primary audience and decision maker:
  - High school seniors and adults who are returning to school (either college or trade schools)
  - Parents of students
- Secondary audience:
  - High schools, colleges and trade schools who may provide financial aid information to students.

### **CHANNEL**

- Campaign Strategy (Specifically how will the audience be reached? What is their call to action? Partnerships? Outreach?)
- Tactics and Deliverables (Printed materials, web pages/blogs/heroes/booklists, social media, press release, languages, marketing toolkit, etc.)
- **Main message**: KDL introduces a new scholarship offered for college and trade school bound students and adults.
- Additional messaging: Include references to community impact and investing in the
  future. Include the ease of applying, when scholarships will be awarded and that the
  scholarships are awarded to help cover tuition, materials and living expenses for students
  enrolled in college or trade school. Near the end, include how people can donate to the
  scholarship fund.
- **Call to action**: Apply now (December 1 through March 1).
- Promotion:
  - 1. Launch
    - Press release (distribute to news media and KISD)
    - kdl.org
    - Kaleidoscope (Winter edition)
    - eNewsletter
    - Social media (Spanish and English)
    - In-branch digital signage

- Dedicated email
- 2. Sustaining
  - kdl.org
  - eNewsletter
  - Social media (Spanish and English)
  - In-branch digital signage
- 3. Final push
  - All of the above plus boosted social media

## **TIME & BUDGET** • Schedule, budget for launch and sustaining.

- Applications may be received December 1 through March 1 (three months).
- **Launch promotion** will begin December 1. The rationale for not starting earlier is that 1) promotions are best when people can immediately take action and 2) with Thanksgiving being the prior week, any promotion that week or earlier will be forgotten by the time that people can apply.
- **Sustaining promotion** will take place in January.
- Final push promotion during February will create a sense of urgency before the deadline arrives.
- There may be minor cost for boosting social media posts probably less than \$300 total, which will covered by the MarCom budget.

- **STAKEHOLDERS** Workgroups, branches, partners outside of KDL, etc.
  - Who will sustain any content that's created?
  - Spokesperson for PR?
  - KDL Board of Trustees will review applications, select and award winners.
  - MarCom manages Submittable (online applications) and all promotion.
  - A spokesperson for PR would ideally be a member of the KDL Board of Trustees. Someone from Leadership Team would serve as a backup if needed.

Budget adjustments will be requested as needed.

# KDL Policy 5.1.2 Fund Balance

**LAST REVISED 6.15.2023** 

This policy has been adopted by the Kent District Library Board of Trustees to address the implications of Governmental Accounting Standards Board (GASB) Statement No. 54. The policy is created in consideration of unanticipated events that could adversely affect the financial condition of the Library and jeopardize the continuation of public services. This policy will ensure that the Library maintains adequate fund balances and reserves in order to:

- Provide sufficient cash flow for daily financial needs;
- Offset significant economic downturns or revenue shortfalls;
- Provide funds for unforeseen expenditures related to emergencies; and
- Secure and maintain investment grade bond ratings.

The following definitions of fund types will be used in reporting governmental fund activity. The Library may or may not report all fund types in any given reporting period based on actual circumstances and activity.

**General Fund** – used to account for all financial resources not accounted for and reported in another fund.

**Special Revenue Fund** <u>-</u> used to account and report the proceeds of specific revenue sources that are restricted or committed to expenditures for specific purposes other than debt service or capital projects.

**Debt Service Fund** – used to account for all financial resources restricted, committed, or assigned to expenditures for principal and interest.

Capital Projects Fund – used to account for all financial resources restricted, committed, or assigned to expenditures for the acquisition or construction of capital assets.

**Permanent Funds** – used to account for resources restricted to the extent that only earnings, and not principal, may be used for purposes that support the Library's objectives.

**Internal Service Fund** – used to report an activity that provides services or goods to departments of the library on a cost-reimbursement basis.

The following categories will be used to report governmental fund balances in accordance with the definitions provided by GASB Statement No. 54:

**Non-spendable Fund Balance** – amounts that cannot be spent because they are either not in a spendable form or are legally or contractually required to be maintained intact. *Classification* of non-spendable amounts will be determined before all other classifications and consist of the following:

- The Library will maintain a fund balance equal to the balance of any long\_term outstanding balances receivables due from others;
- The Library will maintain a fund balance equal to the value of inventory balances and prepaid items unless those items are offset with liabilities and result in fund balance;
- The Library will maintain a fund balance equal to the principal of any permanent funds that are legally or contractually required to be maintained intact; and
- The Library will maintain a fund balance equal to the balance of any land or other nonfinancial assets held for sale.

**Restricted Fund Balance** – amounts that can be spent only for specific purposes stipulated by the constitution, external resource providers, or through enabling legislation.

**Committed Fund Balance** – amounts that can be used only for the specific purposes determined by a formal action of the KDL Board. (*Authority to Commit:* a majority vote is required to approve a commitment and a two-thirds majority vote is required to remove a commitment.)

Assigned Fund Balance – amounts intended to be used by the Library for specific purposes, but do not meet the criteria needed to be classified as restricted or committed. In governmental funds, other than the General Fund, the assigned fund balance represents the remaining amount that is not restricted or committed. (Authority to Assign: the KDL Board delegates to the Director of Finance the authority to assign amounts to be used for specific purposes. Such assignments cannot exceed the available [spendable, unrestricted, uncommitted] fund balance in any individual fund.)

**Unassigned Fund Balance** – is the residual classification for the Library's General Fund and includes all spendable amounts not included in the other classifications. In other funds, the unassigned classification is used to report a deficit balance from overspending amounts that have been designated as restricted, committed, or assigned.

The following guidelines address the classification and use of fund balance in governmental funds:

Classifying Fund Balance Amounts – Fund balance classifications indicate the nature of the net resources that are reported in a governmental fund. An individual governmental fund may include non-spendable resources and amounts that are restricted, committed, or assigned, or any combination thereof. The General Fund may also include an unassigned amount.

Encumbrance Reporting – Encumbering amounts for specific purposes for which resources have already been restricted, committed, or assigned should not result in separate display of encumbered amounts. Encumbered amounts not previously restricted, committed, or assigned, will be classified as committed

### or assigned based on the definitions and criteria set forth in GASB Statement No. 54.

**Prioritization of Fund Balance Use** – When an expenditure is incurred, when both restricted and unrestricted (committed, assigned, or unassigned) amounts are available, it will be the policy of the Library to consider restricted amounts to have been reduced first. If an expenditure is made that is applicable to any of the unrestricted fund balance classifications, it will be the policy of the Library to reduce committed amounts first, followed by assigned amounts, and then unassigned amounts.

Minimum Unassigned Fund Balance – The Board has designated a minimum unassigned fund balance for the Library's General Fund of 15-20 percent of the subsequent year's budget. This minimum fund balance is to protect against cash flow shortfalls related to timing of projected revenue receipts and to maintain a budget stabilization commitment. The Executive Director and Director of Finance will provide a report of the fund balance as part of setting the annual budget, approving budget adjustments, or as requested.

# KDL Policy 5.2 Purchasing Policy

**LAST REVISED 6.15.2023** 

This policy provides the framework for the purchase of all goods and services by Kent District Library personnel. The purchase of goods or services needed by Kent District Library shall be made using sound purchasing practices and business procedures to ensure the timely receipt of goods, services and works of improvement of a quality appropriate to the needs of the Library at the lowest responsible costs. Guidance and direction for the implementation of this policy and the related acceptable procedures and best practices will be governed by administrative guidelines produced by the Finance Department.

### Reason for Policy:

- Provide clear direction to all Kent District Library staff and vendors on the purchasing process.
- Provide institutional consistency, discipline and accountability over all funds entrusted to Kent District Library by taxpayers, donors and other sources of funding.
- Avoid the intent and appearance of unethical or compromising practice in relationships, actions, and communications.
- Avoid any personal business or professional activity that would create a conflict between personal interests and the interests of Kent District Library.
- Promote positive supplier relationships through professionalism, courtesy and impartiality.
- Ensure procurement is open, non-discriminatory, and fair to all who participate.
- Additionally, we actively seek to provide opportunities for diverse and small local businesses.

The purchases of all goods and services, unless noted by exemption, are subject to the requirements and restrictions in this policy. No purchase of goods or services on Kent District Library's behalf may be made in any manner, which violates this policy. The amounts below, "Commitment to Purchase", shall be applied to orders, contracts, agreements, and any other similar arrangement, which obligates or commits Kent District Library's funds to purchases at these levels. Splitting orders, contracts, or agreements to circumvent these limits is prohibited.

### **Approval Thresholds**

For individual purchase transactions and commitments, the Executive Director and Director of Finance are each authorized to make purchases for all items when the cost per item is under \$25,000. For individual p6rthase transactions and commitments when the cost per item exceeds \$25,000 and is under \$50,000,

the Executive Director and Director of Finance are authorized to make purchases after obtaining a minimum of three quotations. The above-noted purchases require the <u>signatures approvals</u> of both the Executive Director and the Director of Finance.

For Commitments to Purchase costing over \$50,000, a Request for Proposal (RFP) will be generated, and a bid process will be used. RFPs will be available on the Kent District Library's website and shall be advertised once a week for two consecutive weeks in at least one print and one online newspaper of general circulation within Kent County and on other electronic sites that are standard platforms for the goods or services that are being purchased. The Library Board of Trustees' approval is required prior to awarding the contract for such goods or services. Kent District Library reserves the right to accept or reject any or all bids, to waive defects or irregularities in any bid, or to accept or eliminate any portion of any bid.

When necessary, Kent District Library personnel responsible for making the purchase may reach out to one vendor for an estimate so Kent District Library personnel can determine the appropriate approval process. If a quote/competitive proposal/RFP process is determined to be required by Kent District Library personnel, this estimate shall not replace the required quotes, competitive proposals, or RFP responses and the vendor shall be responsible for responding to the same requests required of the other potential vendors. The same information shared with the vendor providing the estimate shall be shared with all other potential vendors and the vendor providing the estimate will not receive preferential treatment.

The following purchases are exempt from the approval thresholds and quote requirements as outlined in this policy and may be awarded without obtaining quotes and/or Library Board of Trustees' approval if the price is considered to be reasonable by the Executive Director or Director of Finance:

- Goods or services accepted by grant, gift, or bequest
- Water, sewer, steam, gas, electrical utility, and telephone services
- Library materials (including but not limited to items such as books, databases, subscriptions)
- Other regularly recurring expenditures as approved by the Executive Director and Director of Finance

Notwithstanding any other provision of this Section 5.2, the Board may waive the requirement for bids for the purchase of goods and services if the Board determines that such action is in the best interest of Kent District Library under the circumstances of a particular contract.

### **Sole Source Purchases**

The number of bids or quotes requirement can be foregone if the purchase can only be made from a single source. Justification for each sole source purchase shall be documented in writing and approved by the Library Board of Trustees prior to any purchase. The sole source justification does not relieve the responsibility of the purchaser to obtain a fair and reasonable price. Sole source purchases may include:

- Product or service is available from only one vendor
- Purchase must match an existing product or service
- There is a compelling and valid interest in selecting a particular vendor
- The proposed vendor is uniquely qualified to provide the product or service

### **Emergency Purchases**

If there is evidence of imminent danger to persons or property and when deemed necessary to guarantee the safety of patrons, staff, and visitors, emergency purchases may be authorized by the Executive Director or his/her designee in excess of the \$25,000 limit outlined above. Emergency purchases may also be necessary if there is an occurrence of technology failure, technology security breach, or other commissions caused by forces of nature. Prior to authorizing these emergency purchases, the Executive

Director must consult with the Chairperson of the Library Board of Trustees or his/her designee. The Executive Director shall document the reason for any emergency purchase and inform the Library Board of Trustees at the next regularly scheduled meeting.

#### Contracts

The Kent District Library willmay have outside legal counsel evaluate all new contracts with a Commitment to Purchase of greater than \$50,000. The Kent District Library shall have the option of renewing expired contracts (up to two times) provided a fair price can be negotiated and the Kent District Library has determined the renewal to be in its best interest. Renewal terms shall not require Library Board of Trustees approval, with the exception of audit and legal services. These services are commissioned by the Library Board of Trustees and will need to be renewed by a majority vote upon contract expiration.

### Non-discrimination

When soliciting and selecting vendors, Kent District Library shall not in any way discriminate against any vendor because of age, race, color, religion, marital status, sex/gender, pregnancy, sexual orientation, gender identity, gender expression, height, weight, national origin, disability, political affiliation, familial status, veteran status or genetics and/or any other legally protected class not heretofore mentioned. Nor shall Kent District Library patronize, or patronize or continue to patronize vendors known to practice any form of discrimination.

### **Government Contracts**

To obtain the benefits of volume purchasing or reduced administrative expenses when purchasing similar goods and services, Kent District Library may utilize existing governmental contracts. Examples of these could be from the State of Michigan, the Regional Education Media Center (REMC), MiDeal, Sourcewell, MiCTA, and NCPA. If an existing, beneficially priced agreement is active, the Kent District Library may forego its normal quoting or bidding process and negotiate for goods and services using the terms of another governmental unit's contract. Any purchase through this process must be documented on the purchase order, with reference to the governmental unit and contract number.

### Universal Service Administrative Co. Funding

For all eRate eligible products and services Kent District Library has applied or will be applying for Universal Service Administrative Co. (USAC) funding or reimbursement, the Kent District Library shall forego the policy outlined here and instead follow the competitive bid process as required by USAC.

The cardital limit of individual credit cards shall be authorized and monitored by the Director of Finance.

Cardholders are required to take reasonable prudent measures to protect the use and custody of the card and shall immediately notify the Finance Department of the card is lost or stolen.

# KDL Policy 5.10 Capture of KDL Millage

In keeping with the designated purpose of the approved millage, the Kent District Library Board seeks to maintain and preserve Library Millage for library purposes.

These tax increment authorities may include, but are not limited to, downtown development authorities, local development finance authorities, and corridor improvement authorities.

Under certain circumstances, the Kent District Library Board is authorized to exempt Library Millage from capture by such authorities. # KDL Policy 5.13 Fixed Assets

**LAST REVISED 6.15.2023** 

Kent District Library purchases short-term and long-term fixed assets. Fixed Assets include land, land improvements, buildings, building improvements, equipment, furniture, physical collection and fixtures that:

- 1. Have a useful life of more than one year;
- 2. Are acquired for use in the KDL operation; and
- 3. Are not intended for resale.

### Threshold

The cost of an individual asset item to be capitalized shall exceed \$5,000. Any asset not meeting this threshold shall be expensed in the current period.

### **Additions**

The acquisition cost of land, buildings, and equipment shall include all reasonable and necessary expenditures to get the item(s) in place and ready for the intended use. This includes, but is not limited to, invoice price, legal fees, installation costs, and freight. All additions shall be made in compliance with Policy 5.2 and recorded in the current period and correctly classified.

### Disposals

No item of property or equipment shall be removed from Library property without the approval of the Finance Department. Furniture and equipment valued at less than \$500 may be offered to KDL employees for purchase at fair market value, determined by the Library, on a first come, first served basis. In no instance should such cost exceed the fair market value for the new asset. Fully depreciated assets remain on the fixed asset list with related accumulated depreciation as long as the property is still in use. Fully depreciated assets remain on the fixed asset list with related accumulated depreciation if the property is still in use.

# BOARD OF TRUSTEES ISSUE ANALYSIS

### INTRO

**AGENDA ITEM FOR CONSIDERATION:** Supporting KDL Retirees

BOARD MEETING DATES: Oct 17, 2024 (first reading); November 21, 2024 (second reading)

**TIMELINE:** January of 2025

BUDGET LINE ITEM(S): Paid as an expense of the pension plan trust

TOTAL ESTIMATED COST: \$18,000-\$26,000 legal. \$63,000 annual fees for ongoing advisory and

investment services offset by the cancellation of existing consulting services. Additional fees for transactions when the pension board takes

action to annuitize benefits.

### **PURPOSE**

De-Risking represents the next phase of managing the plan which was closed to new entrants in 2009. Given the uncertainty of our current economy and the future, due to a variety of factors beyond our control, we feel the responsible action is to mitigate potential risks to the organization, but more importantly, protect and preserve our staff pension funds by transferring the fiduciary responsibility to a federally insured insurance company.

### OVERVIEW/NEEDS/BACKGROUND INFO

*Risk* in pensions is primarily that of investment earnings not meeting the obligation of future payments to retirees. *De-risking* systematically reduces this risk by transferring ownership of assets and future pension benefit payments to large insurance companies who in turn, invest funds and provide benefits as an annuity. Through analysis with Warner, Norcross & Judd, LLP, and following initial review of three firms, attorney Jennifer Watson recommended an initial viability analysis be conducted by Kevin Morrison of Agilis, LLC.

### **BENEFITS**

Provide for a safe and secure provider of future retiree benefits.

### **DISADVANTAGES**

The pension fund trust would be used to purchase annuities for retirees at various time intervals, changing the focus of the investment strategy to that of a plan with a managed "glide-path" towards eventual closure, rather than one whose purpose is to grow the fund with equivalent investment risk.

#### COST

Paid as an expense of the plan through the Pension Plan Trust See attached from Agilis, LLC See attached from Warner, Norcross & Judd LLP

### ADDITIONAL INFORMATION

The KDL Pension Plan provides approximately \$250,000.00 per month in pension benefits to retirees of the library and has been largely self-sustaining in recent years due to market performance, investment design, and plan design since closing in 2009. The fees to conduct de-risking would be partially offset by changes in the plan consultant's oversight given the derisking strategy that would be managed by Agilis.

### **IMPLEMENTATION**

Agilis would identify current retiree accounts to be secured with annuities.

Agilis would manage this process with oversight from the pension board and law firm.

### RECOMMENDATION

KDL Board of Trustees would direct the Pension Board to work with Agilis and Warner et al, to begin derisking the plan over a multi-year effort.

# BOARD OF TRUSTEES ISSUE ANALYSIS

#### **INTRO**

AGENDA ITEM FOR CONSIDERATION: Request for Additional Closing Dates for 2025

BOARD MEETING DATES: Thursday, September 19, 2024 (first reading); October 17, 2024 (second

reading)

TIMELINE: 2025 and beyond

BUDGET LINE ITEM(S): No budget implications.

**TOTAL ESTIMATED COST: \$0** 

#### **PURPOSE**

The purpose of this recommendation is to propose the closure of two new dates annually for KDL: Mother's Day and Juneteenth. These closures aim to honor cultural and family values, ensuring that our library's operations are in alignment with community needs and national observances.

Additionally, KDL would like to host an IMLS Medal Celebration Day during its proposed All Staff for 2025.

#### OVERVIEW/NEEDS/BACKGROUND INFO

**Mother's Day:** Mother's Day is a widely celebrated holiday where families traditionally gather to honor and spend time with their mothers. The current library operations on Mother's Day may impede staff members from participating in these celebrations, which could impact morale and lead to reduced engagement. Staff have requested this over the last few years. Additionally, because KDL is closed on Sundays during the summer months, fathers always have Father's Day off.

Juneteenth: Juneteenth is a significant cultural observance marking the end of slavery in the United States. As it gains national recognition, closing the library on this day would demonstrate our commitment to acknowledging important cultural milestones and supporting our community in celebrating this day. Juneteenth became a federal holiday in 2021 and Michigan state holiday in 2023. At least 28 states and the District of Columbia have designated Juneteenth as a permanent paid and/or legal holiday.

All Staff/IMLS Celebration Day - To recognize and celebrate the dedication, hard work, and achievements of the KDL staff, as well as celebrate being recognized by the Institute of Museum and Library Services (IMLS) towards being named 2024 IMLS Winner. This day serves as an opportunity for team bonding, reflection on our collective successes, and renewed motivation for the future.

#### **BENEFITS**

**Enhancement of Staff Morale:** Allowing staff to spend time with their families on Mother's Day and to observe Juneteenth fosters a positive work environment and enhances morale.

**Community Engagement:** Aligning with national holidays strengthens community relations and supports cultural observance.

**Reputation:** Demonstrating cultural sensitivity by acknowledging Juneteenth can enhance the library's reputation as an inclusive and supportive community institution.

**Equity:** KDL staff are always off for the Fourth of July and Father's Day for celebrations of freedom and parental appreciation. Extending closures to include Mother's Day and Juneteenth would align our policies with these values, ensuring that all staff have the opportunity to observe and participate in significant cultural and familial events. Closing for these holidays would not only demonstrate KDL's commitment to diversity, equity, and inclusion but also provide an opportunity for staff to engage in meaningful celebrations with their families and communities.

#### **DISADVANTAGES**

**Service Disruption:** Closing on these days may inconvenience patrons who depend on the library's services, particularly on weekends.

**Potential Loss of Foot Traffic:** The library may miss out on visits from individuals who specifically use library services on holidays.

**Consistency and Precedent Setting:** Closing on these specific days could lead to questions about why other holidays or significant cultural days are not also observed, potentially leading to expectations for additional closures. This could create challenges in maintaining consistency in holiday policies and determining which holidays warrant closure.

**Governmental Organization:** Closing on dates that are not recognized as governmental holidays, such as Mother's Day, could be seen as a reduction in the tax-funded services. Additionally, it might set a precedent that leads to requests for closures on other dates, such as Good Friday, Washington' Birthday, Veterans Day, etc. .

**Impact on Library Programs and Events:** Many library systems plan special events and programs for holidays like Mother's Day and Juneteenth, which could be impacted by a closure. Canceling or rescheduling these events might reduce community engagement and the library's ability to serve as a hub for cultural and educational activities on these important days.

#### COST

Direct financial costs are minimal, slight adjustments to staffing budgets.

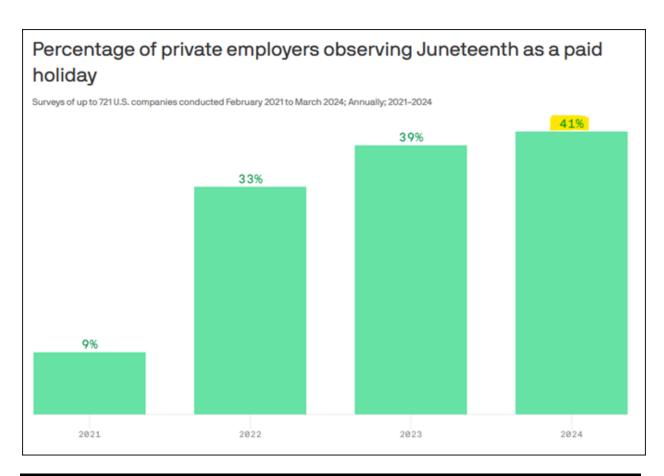

#### ADDITIONAL INFORMATION

Mother's Day visitor counts tend to be about 45% below the typical counts for the surrounding weeks:

- In 2022, Juneteenth was on a Sunday, when KDL would have been closed anyways. Visitor counts for Monday (the "observed" date) were 12% below the average of other June Mondays.
- In 2023 & 2024, Juneteenth was during the week, so there wasn't the factor of an "observed" date. 2023 was 17% below the average of the other June weeks and 2024 was just 4% below.

#### **IMPLEMENTATION**

The proposed closures would be communicated to the public well in advance through various channels including social media, the library website, and on-site signage. Staff schedules will be

adjusted accordingly, with any necessary training or meetings rescheduled. The implementation timeline is as follows:

Preparation and Communication: November 27, 2024 First Closure Date (All Staff/IMLS Celebration): April 28 2025

Second Closure Date (Mother's Day): May 11, 2025 Third Closure Date (Juneteenth): June 19, 2025

The subsequent years would be at the board's discretion and these dates would be included with other annual closing requests each September.

#### RECOMMENDATION

It is recommended that the library closes on Mother's Day and Juneteenth starting 2025. This decision is based on the cultural significance of these days and the positive impact on staff and community relations.

Family &+ Medical Leave Act (FMLA)

#### LAST REVISED 10.15.20

The Kent District Library offers family and medical leave as provided by the Family and Medical Leave Act of 1993 (FMLA). This law allows a maximum of twelve (12) weeks of leave during a 12-month period of time, except for eligible employees who may take up to 26 weeks of leave to care for a covered military service member during a 12-month period measured from the first day that leave is taken to care for a covered military service member.

Leave time under this federal law and <u>Kent District</u> Library policy is subject to certain requirements and obligations.

- A. FMLA Leave Eligibility an employee is eligible for FMLA leave if the employee has been employed by the Library for at least twelve (12) months and has worked 1,250 hours during the most recent 12-month period. Leave can only be taken for any one, or more, of the following reasons:
  - 1) Birth of the employee's child and subsequent care after birth; \*
  - 2) Placement of a child with the employee for adoption or foster care; \*
  - 3) To care for the employee's spouse/partner, child, or parent who has a serious health condition;
  - 4) For a serious health condition that makes the employee unable to perform the employee's job;
  - 5) To care for a family member or next of kin who has experienced a serious illness or injury related to his or her active military duty; or
  - 6) To prepare for or attend to the immediate needs associated with the absence or pending absence of a spouse/partner, child, or parent of an employee who is a member of the National Guard or Reserves.

\*Leave for birth, child care, adoption, and foster care must occur within the twelve months following the event.

- B. Definition of Serious Health Condition A serious health condition generally is an illness, injury, impairment, or physical or mental condition requiring either inpatient care or continuing treatment by a health care provider resulting in necessary absences from work on a recurring basis. Specifically, continuing treatment must involve one of the following:
  - A period of incapacity requiring absence from work, school or other regular daily activities of more than three consecutive calendar days and also involving two or more visits to a health care provider or one visit to a health care provider and a regimen of continuing treatment;
  - 2) A chronic, serious health condition that continues over an extended period of time, requires period visits to a health care provider and may involve episodes of incapacity;
  - 3) A permanent or long-term period of incapacity for which treatment may not be effective;
  - Multiple treatments for restorative surgery or for a condition likely to result in capacity for more than three days if not treated; or
  - 5) Prenatal care of incapacity due to pregnancy.

Routine preventative physical and dental exams are excluded.

C. Intermittent or Reduced FMLA Leave Schedule – If leave is for the purposes of caring for a sick family member's or the employee's own serious health condition, or as permitted under the military care provisions, leave may be requested on an intermittent or a reduced leave (work) schedule if medically necessary. Certification of the medical necessity of intermittent leave or reduced leave (work) schedule is required by the Library from a health care provider (See "Medical

Certification" below).

Leave for other purposes may be taken intermittently or on a reduced leave (work) schedule only if first approved by the Kent District Library.

- D. Payment of Accrued Benefit Time Ordinarily, FMLA leave is unpaid. However, depending upon the purpose for the leave, certain kinds of accrued paid benefit time off of work may be applied to the FMLA leave at either the employee's or the Kent District Library's option. All paid leaves can be applied to any unpaid FMLA leave relating to birth, placement of a child for adoption or foster care, or care for a family member. The Kent District Library will require applying accrued paid leaves to FMLA leave. However, employees may request to retain up to one-half (1/2) of their accrued vacation time/Paid Time Off (PTO) as of the date the Family and Medical Leave began. Such requests must be made in writing prior to the commencement of the leave unless the employee is prohibited from doing so because of an emergency.
- E. FMLA Notification Requirements An employee must give the Kent District Library at least thirty (30) days advance notice when the leave is foreseeable. If this is not possible, or the need for the leave is not foreseeable, then notice is to be given as soon as practicable. When requesting any leave (including sick leave, personal leave, personal days, and vacation), an employee must provide sufficient information to the Kent District Library to establish a qualifying reason for the leave so the Library is aware of the employee's entitlement, if any, to FMLA leave. An employee using other paid leave for FMLA leave purposes who seeks to extend the leave for FMLA leave purposes must advise the Library of the reasons before any extension.

Employees are expected to follow all other notice and procedural requirements established by the <u>Kent District Library</u> for requesting leaves and in such cases employees are expected to give as much advance notice as possible.

F. FMLA Medical Certification — The Kent District Library requires timely medical certification from a health care provider to support leaves requested because of a serious health condition of the employee or family member and may, at its expense, require second or third opinions. Additional medical certifications or recertification may be required in certain circumstances. Employees requesting FMLA leave for the birth of a child, adoption, or foster care placement will be required to submit proof of the qualifying event.

An employee seeking to return to work from leave involving the employee's own serious health condition will first be required to submit a fitness-for-duty medical certification from a health care provider. Failure to do so may delay returning to work.

- G. Health Coverage during FMLA Leave During the course of the FMLA leave, an employee's preexisting health coverage benefit program will be maintained under the same terms and conditions established for active employment. This means that an employee is responsible for timely cost payments or contributions (if any) as may be required pursuant to the established Library Policy or applicable bargaining agreement. Except in certain circumstances, if an employee does not return to work from leave, then any health program premiums or payments made by the Library during the leave becomes a debt owed by the employee and must be repaid.
- H. Return from FMLA Leave Following expiration of the leave and return to work, an employee ordinarily will be reinstated to the employee's job position held immediately prior to the leave, or reinstated to an equivalent position. "Key employees" under the law may be denied reinstatement in certain circumstances, and appropriate employees will be advised of their "key" status and

conditions for any denial of reinstatement before FMLA leave starts.

During the leave, an employee may be required to advise the Library from time to time regarding status and intent to return to work.

 Failure to Follow FMLA Leave Requirements – If notification and certification requirements are not followed by an employee, it may result in denial of the requested leave or cancellation of existing leave.

It is the employee's responsibility to request FMLA leave on the same or next business day after the need for leave becomes known, absent an emergency situation. Employees must submit a completed FMLA request form including the specific reason(s) for the leave request as well as provide other information as requested by <a href="the-Kent District Library">the-Kent District Library</a>.

Kent District Library also adheres to temporary leave laws such as these, which may be enacted into law during times of emergency.

# BOARD OF TRUSTEES ISSUE ANALYSIS

### INTRO

AGENDA ITEM FOR CONSIDERATION: Renaming the Bruursema Board Room to the Empower U

Classroom

BOARD MEETING DATES: November 21, 2024 (first reading); December 19, 2024 (second reading)

**TIMELINE:** January 2025

BUDGET LINE ITEM(S): 270.1015.5930 TOTAL ESTIMATED COST: \$200.00

#### **PURPOSE**

The purpose of this issue analysis is to change the name of a room, so it reflects its current and foreseeable usage and to pay respects to our KISD partners and students who are part of the Empower U program.

### OVERVIEW/NEEDS/BACKGROUND INFO

OVERVIEW: Since 2023, the Bruursema Board Room has served (and currently serves) as the Kent Intermediate School District Classroom for Empower U students. The students utilize the space as part of KDL's partnership with the KISD to provide specialized instruction and opportunities specific to employment and independent living skills necessary for young adults to live a purposeful and productive life. KDL anticipate this partnership will continue for the foreseeable future. The belief is also that it would be of benefit and give ownership to the Empower Students to have a classroom space clearly marked (for finding purposes, especially for new students and guests) and names them as being worthy of recognition by KDL at the Service Center.

We want them to feel proud of being part of what is happening at KDL and we care for them deeply. We are all thrilled that they are here and have been excited to witness and participate in their progress.

NEEDS: Small signage change

BACKGROUND: Empower U is a specialized program developed in collaboration with Kent ISD to provide targeted instruction and training that aligns with the needs of young adults who may benefit from a non-traditional approach to education. The program's mission is to equip students with practical skills and experiences essential for employment and independent living, fostering their transition into the workforce and everyday life with confidence and capability.

### **BENEFITS**

**Sense of Belonging**: Naming the space specifically for Empower U students fosters a welcoming and inclusive environment where students feel ownership and pride.

**Enhanced Visibility**: A designated name highlights the program, increasing awareness of its mission and importance within the community.

**Motivation and Identity**: Having a named space empowers students, enhancing their motivation and reinforcing a positive identity tied to their educational journey.

**Clear Designation of Purpose**: A named space clearly signals the room's purpose as a dedicated learning area, minimizing scheduling conflicts and creating a consistent, reliable environment for instruction.

**Legacy and Long-Term Commitment**: Naming the space reflects a long-term commitment to the program and its students, reinforcing the value placed on specialized education for young adults.

### DISADVANTAGES

**Perceived Exclusivity**: Naming a space specifically for one program may unintentionally create a feeling of exclusivity, possibly limiting other groups' use of the space or deterring them from scheduling activities there.

**Confusion with Multi-Purpose Scheduling**: If the room is occasionally used for other events or meetings, the designated name might cause confusion, making it harder to manage schedules for different groups effectively.

### COST

**Interior Design and Branding:** Naming plaques or signage to identify the space.

### ADDITIONAL INFORMATION

The Bruursema Board Room was named on January 16, 2020, in honor of Shirley Bruursema, who served as a dedicated member of the KDL Board of Trustees for several years, concluding her term in December 2023.

### **IMPLEMENTATION**

Once approved by the Board, the Bruursema Board Room will be changed to Empower U Classroom and a new sign outside the door will be ordered.

### RECOMMENDATION

The Empower U classroom can evolve into a functional, inclusive space that meets the educational needs of Empower U while continuing to serve as a versatile community and boardroom space. This approach ensures that the vitality of the room enhances dedication to meetings, as was the goal of Mrs. Bruursema, and strengthens KDL's commitment to supporting young adults in the community.
