Dear Board of Trustees:

The last month or two have seen some electrical upgrade/repair work being done at the Grandville branch. The city just learned that the next step in this process will involve cutting off power to the building briefly and that this will occur on January 24. That morning the contractors will need to disconnect the building from a power source for approximately 4 hours starting at 6am.

As a result, the branch won't have lighting, computers, etc.... until power resumes, so we are requesting to open at 11 am that day (1.5 hours later than normal). This will allow enough time to have the electrical work done, get everything powered on and prepare the building prior to opening, as well as leave a little buffer in case it takes longer than expected. If the power comes on earlier than expected we can of course open the doors earlier once we have everything ready to open.

The staffing plan is to encourage staff to utilize charged laptops and hotspots to do some work prior to open, and to allow some staff to utilize the extra time to do some trainings from home prior to coming in.

Sincerely,

Josh Bernstein

Regional Manager I for Grandville and Byron

Dear KDL Board of Trustees:

I am writing to request approval for the closure of Cascade Library on three Sundays—February 2, February 9, and February 16 to support staff efforts in packing and preparing for the upcoming branch refresh. Closing on these days will provide uninterrupted time for staff to safely and efficiently pack materials, ensuring the branch is ready for its updates.

This proactive measure will help us maintain high-quality service during the refresh period, as regular operations will remain unaffected on other days. Thank you for your consideration of this temporary closure to facilitate the success of this important project.

Sincerely,

Dear KDL Board Members,

I am writing to propose an adjustment to the summer operating hours at the Kelloggsville Branch of the Kent District Library. Over the past few years our team has analyzed branch usage and identified peak hours of operation for this relatively new KDL branch. Our observations indicate that morning hours on Mondays and Wednesdays during the summer have consistently low patronage, with the majority of visitors utilizing the branch in the afternoons.

To optimize staffing and standardize branch hours, I propose that the Kelloggsville Branch operate from 12:00 PM to 6:30 PM, Monday through Thursday, during the summer. The current school year hours of 3:00 PM to 6:30 PM, Monday through Thursday, would remain unchanged.

Current Hours:

- **School Year:** Monday-Thursday, 3:00 PM - 6:30 PM
- **Summer:** Monday & Wednesday, 9:30 AM - 6:30 PM; Tuesday & Thursday, 12:00 PM - 6:30 PM

Proposed Hours:

- **School Year:** Monday-Thursday, 3:00 PM - 6:30 PM
- **Summer:** Monday-Thursday, 12:00 PM - 6:30 PM

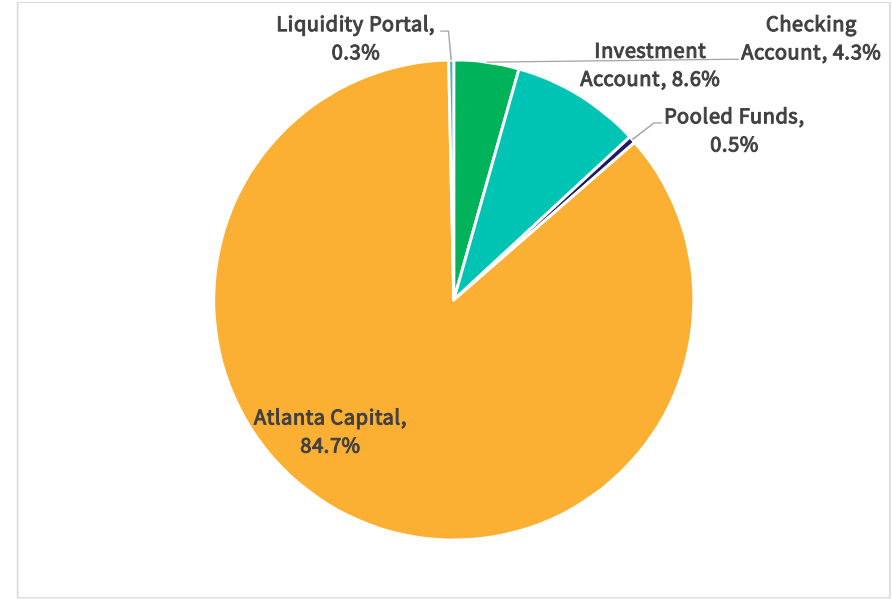

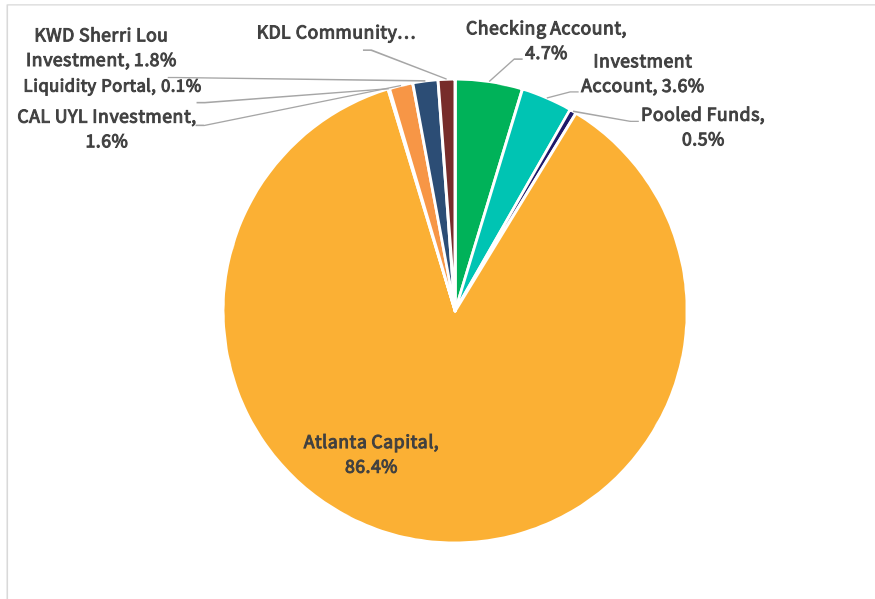

Thank you for considering this proposal. I believe this adjustment will better serve our community and make more efficient use of our resources.

Sincerely,

Anjie Christiansen
Regional Manager 1
Wyoming and Kelloggsville Branches

Director's Report December 2024

From the Desk of Lance Werner, Executive Director

Engaged in discussions with executives at OverDrive. Attended a lunch meeting with the Director of Grand Rapids Public Library to explore potential collaborations between the systems and discuss joint efforts to address critical societal needs, such as food insecurity, should the need arise.

Advocated for Representative Glanville's Freedom to Read Bills by speaking with Michigan Library Association and left a message for Senator Winnie Brinks. Composed a statement of endorsement for an American Library Association Presidential Candidate at the candidate's request. Additionally, wrote a letter of support for another library director for an American Library Association award, also at the candidate's request.

Consulted with KDL's legal counsel and engaged in conversations with the Leadership Team (LT) about increasing circulation among individuals aged 10–40, as requested by the Board. Had multiple discussions with LT members on a range of topics, including:

- Collaboration with GRPL
- Food insecurity
- Employee benefits
- The societal impact of higher education loss
- Net Neutrality
- Hygiene lockers

Enjoyed visiting the branches and took time to interact with as many dogs as possible.

Director's Report December 2024

Alpine, Tyrone and Walker

On January 18, the current Walker Library will close to prepare for the move to the Walker Temporary Location at 445 Standale Plaza, NW. While in the 2000 square foot temporary location, KDL will partner with the city of Walker to hold larger programs in the community room at Walker Fire Station 2 and Walker Community Park. One of the key features of the Temporary Location is a large window along the front. The Marketing and Communications Department has been working on ways to make the entrance memorable such as the below proposed design by Creative Services Coordinator Brad Baker. We'll remain in the temporary location until fall of 2026.

In fall of 2024, the Tyrone Township Branch began the pilot of a mobile esports lab. The laptops can be deployed for programming, such as afterschool Teen Zone, and can be put away when not in use so the space can be used for other programs. In 2025, Branch Librarians Nathan Bartos and Katie Mitchell will be exploring ways to use the lab in programming and investigating options for partnering with Kent City Schools.

At Alpine, Branch Librarian Theresa Eastman began to lead a new program at the branch, Awesome Adults, this fall. This program is designed for adults with intellectual and developmental disabilities and their care partners, and involves fun group activities such as games, puzzles and crafts. Since introducing the program, attendance has steadily grown, and the team at Alpine is hoping to see the program continue to grow in 2025.

Director's Report December 2024

Caledonia and Cascade

In 2024, the branches embraced the concept of being a destination for learning and excitement. Recognizing that many core memories are formed during childhood, which often have a profound impact on development, the Branch Librarians worked diligently to establish consistent practices in programs such as storytime while also fostering excitement to encourage return visits. Looking ahead to 2025, the library aims to build on these successes and lessons, adapting to meet the community's current needs through a focus on information, partnerships, and six types of literacy.

This winter, both the Caledonia and Cascade branches are hosting Preschool Resource Fairs, which have received positive feedback from vendors. On December 30, the Cascade Library served as a host location for the KDL Lab Expo, aligning with Gallup goals by fostering cross-collaboration outside the region. This event was a successful partnership between the KDL Lab Workgroup and Cascade staff. Additionally, the team is preparing for an exciting Lunar New Year Celebration on January 25, which emphasizes cultural literacy.

Beyond in-branch programming, the Cascade Branch will undergo a refresh in February, and work continues on Friendship Park in collaboration with Native Edge. At the Caledonia Branch, minor updates to the outdoor space are planned, alongside ongoing efforts to strengthen partnerships with organizations such as Deep Roots and the Caledonia Chamber.

Comstock Park & Plainfield

At the Plainfield Township Branch, 2025 will bring a new eSports lab in what is now the Teen Room and will become an AV room. The room will house video games, DVDs and audio CDs to check out, but most excitingly, will also house six new high-end computers suitable for competitive gaming practice. The branch looks forward to partnering with Northview High School to develop programs or practice as well as providing the computers to all Plainfield patrons.

At the Comstock Park Branch, 2025 will bring the dedication of a new Story Walk in Dwight Lydell Park adjacent to the library. Thanks to KDL's MarCom Department, the Comstock Park Rotary, Kent County Parks, and youth librarians at Comstock Park, families can walk around the newly renovated park and read the story book *Fire! Fuego! Brave Bomberos* by Susan Middleton Elya and Dan Santat one page at a time. The pages also include child-friendly fire safety tips provided by the Plainfield Township Fire Department and questions about the book provided by Comstock Park librarians.

Featured Department Patron Services

The Patron Services Department continues to demonstrate excellence in serving the community through personalized attention, technological innovation, and adaptive service.
2024 Achievements

Patron Services Librarians serve as anchors in many patrons' lives, fostering relationships that extend far beyond the walls of traditional library services. Through daily interactions, KDL's dedicated Patron Services Librarians create an environment where patrons find not just information, but genuine connection and dignity. This impact was illustrated when the department lost a longtime patron this year. For this individual, the relationships with Patron Services Librarians represented a crucial source of autonomy in his final chapter of life.

Patron Services Librarians embraced emerging technologies, particularly in the thoughtful integration of artificial intelligence tools to elevate both operational efficiency and patron experience. Through comprehensive database training put together by Training Manager Trish Reid and the Training Advisory Group, staff strengthened their expertise in resource recommendations, ensuring patrons receive more personalized service.

When security concerns required the immediate discontinuation of KitKeeper, Patron Services Librarians demonstrated their exceptional adaptability in managing Book Club in a Bag services. Despite working with a labor-intensive interim solution that challenged both staff time and patron ease of use, these librarians maintained superior service standards with grace and dedication. The implementation of LibCal on January 8th, 2025, marks a successful resolution led by Patron Services Librarian Joel Kibbe, who worked in collaboration with Systems Analyst Rochelle Ball to develop this strategic solution.

The Talking Book and Braille Center (TBBC) expanded its user base under the leadership of the Accessibility and Inclusion Specialist Shelley Roossien, alongside Patron Services Librarians Jackie Jurgens and Mary Valentine. Their efforts in user outreach, complete with a new welcome packet to encourage retention, resulted in 211 new TBBC users. Total TBBC circulation reached an impressive 91,263 items, including book cartridges, magazines, DVDs, hardcopy Braille, Large Print, and BARD materials.

Staff managed the surge of eclipse glasses inquiries. The department strengthened interdepartmental relationships through branch visits and staff exchanges, creating a new appreciation for their co-workers in the branches. And – in what will surely be noted in Service Center History Books – the department's exceptional teamwork earned them the Service Center Olympics Gold Medal.

Looking Ahead to 2025

The upcoming year promises continued innovation with several exciting initiatives:

- Implementation of Five9 Call Center Software to enhance the delivery of service over the phone
- Launch of the adaptive technology lab at the Service Center
- Integration of a new Integrated Library System (ILS) for TBBC patrons
- Deployment of more efficiency-focused tools including LibCal, AI applications, and Unique Management for Sunday call management

These improvements will allow Patron Services Librarians to focus on their core strength: meaningful patron interactions that make a lasting impact on the community.

“Keeva got the esports programs sorted for another season. I know it is just one more thing in her busy schedule, but she manages to gracefully keep everyone in the loop. She gets our programs schedule with such competence. After trying (and failing) to do the sorting in previous seasons, I will NEVER take her expertise for granted. Thank you, Keeva!”

“ALL THE KUDOS IN THE WORLD to the amazing Keeva, who worked with both of her presenters and the ones I was working with when I was out sick unexpectedly. Community Partnerships Evaluation

● **Project Lead:** Craig Buno
Status: On Track - NEW

Approval Date: 12.04.2024
Due Date: 01.31.2026

This project is one of KDL’s 2025 strategic initiatives and aims to strengthen relationships with partners and ensure more strategic community engagement. Currently, there is no established method for evaluating and prioritizing community partnerships, limiting the ability to focus on key partners at both the branch and system levels.

By leveraging data, this project will identify shared goals with partners, develop a partnership intake process and address gaps or overlaps in partnerships. A “Who is My Community” sheet will be created for each branch to highlight partnerships unique to that region and community and to increase staff awareness.

Free Printing Sustainability Plan

● **Project Lead:** Faye Harbison
Status: On Track

Approval Date: 06.26.2024
Due Date: Extended - 03.05.2025

The team is prepared and ready for the rollout of the second phase of this project. A Communication Bulletin and Training Plans were distributed to staff on December 11, allowing ample time to review and prepare for the upcoming changes. Project members Faye Harbison and Jared Seigel attended both RMI and RMII meetings to present the changes, answer questions and provide talking points for managers to discuss in daily huddles. The public printing changes will go into effect January 13.

Given the current project status and remaining deliverables, a new close-out date of March 5 has been approved. This extension will allow both staff and patrons to acclimate to the new printing standards before rollout feedback is solicited.

In-Branch Experience

● **Project Lead:** Laura Youells
Status: On Track

Approval Date: 02.28.2024
Due Date: 02.17.2025

The In-Branch Experience guide is nearing completion, with the team finalizing details to deliver an exceptional resource for internal staff. Transition plans are being developed in collaboration with the MarCom department and the Services advisory group to ensure seamless ownership of the guide and effective promotion of experiences once the project closes out.

Intranet Revamp

● **Project Lead:** Jaci Cooper
Status: On Track

Approval Date: 09.04.2024
Due Date: 11.03.2025

The team continues to assess the feedback that was solicited by various members of each department and branch role and Jaci Cooper is working to incorporate it into the new homepage. Jessie Salo and Kelsey Little are beginning to craft a scavenger hunt as part of a training plan so staff can comfortably and confidently familiarize themselves with the new layout and where everything is located. Elvia Myers is working on building a template and a standard operating procedure for using the newsletter function on SharePoint for the Wednesday Weekly updates that LT and management send out. Dhanya Ravi is ready to switch over the new homepage URL and default homepages for KDL staff at the end of January. The changes will be small but will serve as a great foundation for better use of the homepage in the future and more functions to be explored.

Legendary Readers

● **Project Lead:** Monica Walen
Status: On Track

Approval Date: 09.27.2023
Due Date: 07.31.2025

January will mark an exciting milestone for the project — Legendary Readers has officially reached prize pickup season! Staff at all branches have been trained on the process of logging completers in Beanstack for tracking purposes, as well as distributing bookmarks and stickers to completers. The project team is hopeful that aligning this with the Let It Snow prize pickup will provide a great opportunity for cross-promotion of both programs.

LibCal for Managing Book Club in a Bag Reservations

Project Lead: Morgan Hanks
Status: On Track

Approval Date: 09.25.2024
Due Date: Extended - 02.05.2025

LibCal is set to launch on January 8, with staff training materials having already been released to ensure a smooth rollout. The project team is pleased with the product overall and submitted several enhancement requests to further optimize its functionality. The transition for patrons is expected to be easy, as the system has proved to be user-friendly.

Given the holiday season and winter break, the PMO approved an extension of the project timeline to February 5. This adjustment provides time to complete the launch and allows for a few weeks of live usage before gathering feedback on the rollout process.

MarCom Supplies Request System Upgrade

Project Lead: Janice Greer
Status: Complete

Approval Date: 08.28.2024
Due Date: 12.12.2024

The project close-out meeting was held on December 5. The new supply ordering system is now active and operating smoothly, with a few minor programming issues addressed during December. Moving forward, the team will continue to monitor the system's performance and plans to reconvene in 4-6 months to discuss adding Facilities materials to the Wix ordering system. Rollout survey feedback was very positive, with staff reporting the new system is intuitive and easy to use. Many thanks to Janice Greer for leading this project along with her project team: Duncan Watson, Dhanya Ravi, Janelle Waugh, Jaime Brooks, Kelly DeHaan and Randy Goble.

Materials Handling Time Study

Project Lead: Trish Reid
Status: Complete

Approval Date: 03.25.2024
Due Date: 12.06.2024

The project close-out meeting was held on December 3. The project is now complete and all aspects were successfully implemented. The sorter system has been a valuable addition to KDL, with both quantitative and anecdotal data demonstrating significant improvements in efficiency. Staff report that the updated process is much more streamlined, allowing more time to assist patrons and manage other branch tasks such as shelving. Collection Services has also benefited from increased efficiency, enabling staff to stay on top of processing new items and managing MeL workloads. Thanks to Trish Reid for leading this project and her team: Sheri Glon, Liz Guarino, Dave Palma and Kurt Stevens.

On the Same Page 2025

 **Project Lead:** Hennie Vaandrager
Status: On Track

Approval Date: 06.01.2024
Due Date: 12.01.2025

Excitement around On the Same Page continues to build as the team heads into the new year. Many KDL book clubs are focusing on the two featured titles and the response has been overwhelmingly positive. Multiple media interviews have already spotlighted the program and additional coverage is expected leading up to April 30. The open rate on emails sent to subscribers remains high, reflecting strong engagement and interest from our patrons. The project team has scheduled a visit to the venue on January 30. Both physical and ebooks are circulating at high volumes.

Physical Collection Audit

 **Project Lead:** Joshua Bernstein
Status: Complete

Approval Date: 08.23.2023
Due Date: 12.16.2024

The Physical Collection Audit project was successfully closed this month. In early 2023, this project was approved to address the significant decline in circulation for three collections: magazines, audiobook CDs and music CDs. To support patrons who heavily rely on these materials, this project introduced a gradual budget reduction to help users adjust to the eventual elimination of these materials. Music CDs and audiobooks were moved from small branches to larger ones, freeing up shelf space for more popular items. Thanks to the dedicated efforts of Project Leader Josh Bernstein and his team: Liz Guarino, Kurt Lardie, Toby Schuler, Meredith Schickel, Anna Hesselschwerdt, Kelsey Little, Sam Holland, Laurie Winkler, Sam Hodge, Marie Mulder, Brynn Doering and Sheri Glon.

Teen Graphic Novel Contest

 **Project Lead:** Madelyn Besaw
Status: On Track

Approval Date: 07.17.2024
Due Date: 11.24.2025

In early November the project team finalized the competition rules and guidelines. The team has been exploring options for printing anthologies of the Top 10 submissions to provide to finalists and add to the KDL collection, similar to the *Write Michigan* anthologies. During this process, it was discovered that in-house printing and binding might be a viable option, offering significant budget savings and greater flexibility in turnaround time between the selection of the Top 10 and the final printing. Testing is currently underway to determine if this approach is feasible. Venues have also been selected for key events, with the Graphic Novel Creation Workshop planned for this summer at the Wyoming Branch and the Award Ceremony set for November at the Service Center. These locations were chosen for their centrality within the county, with discussions underway about rotating the Award Ceremony venue in future years. The team is now shifting focus to detailed planning for the workshop.

Code of Ethics—Board

LAST REVISED 9.23.21

The Kent District Library Board of Trustees recognizes that sound, ethical standards of conduct serve to increase the effectiveness of the Library Board, promote public confidence, and further the attainment of Library goals. The Board has determined that it is in the Library's best interests to adopt a code of ethics setting forth the following standards of conduct required of all Library Board members.

1. **Mission and Policies:** A trustee shall abide by and support the mission statement of the Library and the policies adopted by the Board.
2. **Matters before the Board:** A trustee shall not receive or enter into any agreement, expressed or implied, for compensation for services to be rendered in relation to any matter before the Library Board of Trustees.
3. **Confidential Information:** No trustee shall disclose confidential information acquired by him or her in the course of his or her official duties or use such information to further his or her personal interest. In addition, he or she shall not disclose information regarding any matters discussed in a closed session of the Board of Trustees.
4. **Board Action:** Unless delegated by the Board, a trustee has no individual authority to bind the Board. Board decisions may only be made by a majority vote at an open meeting. A trustee shall abide by a majority decision of the Board even if he/she personally disagrees and shall take no public or private action that compromises or disparages Board decisions and actions.
5. **Participation:** A trustee shall participate in official Board discussions and decisions and reach conclusions after deliberation and full public debate with fellow trustees in a public meeting.
6. **Improper Influence:** A trustee shall not improperly influence or attempt to improperly influence other officials, including fellow trustees, to act at his/her behest. A trustee shall follow only legal and ethical procedures to bring about desired changes.
7. **Cooperation:** A trustee shall work cooperatively and effectively with governmental agencies, political subdivisions, and other organizations in order to further the interests of the Library.
8. **Gifts:** No trustee shall directly or indirectly solicit, accept, or receive any money or gift, whether in the form of cash, check, loan, credit, services, travel, entertainment, hospitality or any other form, under circumstances in which it could reasonably be inferred that the money or gift was intended to influence him or her in the performance of his or her official duties or was intended as a reward for any official action on his or her part.

9. **Complaints:** A trustee shall not act on complaints from the public or staff on Library matters, but shall refer complaints to the Executive Director. Unresolved complaints may be taken up for Board action if a policy revision is necessary or legal consequences result.
10. **Investments in Conflict with Official Duties:** No trustee of the Library shall engage in or have a financial or other interest, directly or indirectly, in any activity that conflicts with their duties and responsibilities in the Library. When a trustee determines that the possibility of a personal interest conflict exists, she/he should, prior to the matter being considered by the Board or administration, disclose his/her interest (such disclosure shall become a matter of record in the minutes of the Board).
11. **Private Employment:** No trustee of the Library shall engage in, solicit, negotiate for or promise to accept private employment or render services for private interests when such employment or service creates a conflict with or impairs the proper discharge of his or her official duties.
12. **Use of Library Property:** No Library trustee shall use or permit the use of property, owned or leased by the Library, for anything other than official purposes or for activities not otherwise officially approved by the Library Board of Trustees.

DISTRIBUTION OF THIS CODE

A copy of this code shall be distributed annually to, and acknowledged by, every trustee of the Library. Each trustee appointed thereafter shall be furnished a copy before entering upon the duties of his or her office and shall acknowledge receipt thereof.

Act 317 of 1968

AN ACT relating to the conduct of public servants in respect to governmental decisions and contracts with public entities; to provide penalties for the violation of this act; to repeal certain acts and parts of acts; and to validate certain contracts.

History: 1968, Act 317, Eff. Sept. 1, 1968;—Am. 1984, Act 81, Imd. Eff. Apr. 18, 1984.

The People of the State of Michigan enact:

15.321 Public servants, contracts with public entities; definitions.

Sec. 1. As used in this act:

(a) "Public servant" includes all persons serving any public entity, except members of the legislature and state officers who are within the provisions of section 10 of article 4 of the state constitution as implemented by legislative act.

Compiler's note: Section 191 of Act 227 of the Public Acts of 1975 repealed MCL 4.401 to 4.410, 168.901 to 168.929, 15.321 to 15.330, 15.301 to 15.310, and 15.341 to 15.348. The Michigan Supreme Court, however, in Advisory Opinion on Constitutionality of 1975 PA 227, 396 Mich. 123, 240 N.W.2d 193 (1976), held Act 227 of the Public Acts of 1975 unconstitutional for being in violation of Mich. Const., Art. 4, § 24.

15.322 Public servant; soliciting, negotiating, renegotiating, approving, or representing a party to a contract with public entity prohibited.

Sec. 2. (1) Except as provided in sections 3 and 3a, a public servant shall not be a party, directly or indirectly, to any contract between himself or herself and the public entity of which he or she is an officer or employee.

(2) Except as provided in section 3, a public servant shall not directly or indirectly solicit any contract between the public entity of which he or she is an officer or employee and any of the following:

(a) Him or herself.

(b) Any firm, meaning a co-partnership or other unincorporated association, of which he or she is a partner, member, or employee.

(c) Any private corporation in which he or she is a stockholder owning more than 1% of the total outstanding stock of any class if the stock is not listed on a stock exchange, or stock with a present total market value in excess of \$25,000.00 if the stock is listed on a stock exchange or of which he or she is a director, officer, or employee.

(d) Any trust of which he or she is a beneficiary or trustee.

(3) In regard to a contract described in subsection (2), a public servant shall not do either of the following:

(a) Take any part in the negotiations for such a contract or the renegotiation or amendment of the contract, or in the approval of the contract.

(b) Represent either party in the transaction.

History: 1968, Act 317, Eff. Sept. 1, 1968;—Am. 1992, Act 9, Imd. Eff. Mar. 10, 1992.

Compiler's note: Section 191 of Act 227 of the Public Acts of 1975 repealed MCL 4.401 to 4.410, 168.901 to 168.929, 15.321 to 15.330, 15.301 to 15.310, and 15.341 to 15.348. The Michigan Supreme Court, however, in Advisory Opinion on Constitutionality of 1975 PA 227, 396 Mich. 123, 240 N.W.2d 193 (1976), held Act 227 of the Public Acts of 1975 unconstitutional for being in violation of Mich. Const., Art. 4, § 24.

15.323 Applicability of MCL 15.322 to public servants; requirements of contract; making or participating in governmental decision; counting members for purposes of quorum; voting; affidavit; "governmental decision" defined.

Sec. 3. (1) Section 2 does not apply to either of the following:

(a) A public servant who is paid for working an average of 25 hours per week or less for a public entity.

(b) A public servant who is an employee of a public community college, junior college, or state college or university.

(2) A contract as defined in and limited by section 2 involving a public entity and a public servant described in subsection (1) shall meet all of the following requirements:

(a) The public servant promptly discloses any pecuniary interest in the contract to the official body that has

power to approve the contract, which disclosure shall be made a matter of record in its official proceedings. Unless the public servant making the disclosure will directly benefit from the contract in an amount less than \$250.00 and less than 5% of the public cost of the contract and the public servant files a sworn affidavit to that effect with the official body or the contract is for emergency repairs or services, the disclosure shall be made in either of the following manners:

(i) The public servant promptly discloses in writing to the presiding officer, or if the presiding officer is the public servant who is a party to the contract, to the clerk, the pecuniary interest in the contract at least 7 days prior to the meeting at which a vote will be taken. The disclosure shall be made public in the same manner as a public meeting notice.

(ii) The public servant discloses the pecuniary interest at a public meeting of the official body. The vote shall be taken at a meeting of the official body held at least 7 days after the meeting at which the disclosure is made. If the amount of the direct benefit to the public servant is more than \$5,000.00, disclosure must be made as provided under this subparagraph.

(b) The contract is approved by a vote of not less than 2/3 of the full membership of the approving body in open session without the vote of the public servant making the disclosure.

(c) The official body discloses the following summary information in its official minutes:

(i) The name of each party involved in the contract.

(ii) The terms of the contract, including duration, financial consideration between parties, facilities or services of the public entity included in the contract, and the nature and degree of assignment of employees of the public entity for fulfillment of the contract.

(iii) The nature of any pecuniary interest.

(3) This section and section 2 do not prevent a public servant from making or participating in making a governmental decision to the extent that the public servant's participation is required by law. If 2/3 of the members are not eligible under this act to vote on a contract or to constitute a quorum, a member may be counted for purposes of a quorum and may vote on the contract if the member will directly benefit from the contract in an amount less than \$250.00 and less than 5% of the public cost of the contract and the member files a sworn affidavit to that effect with the official body. The affidavit shall be made a part of the public record of the official proceedings. As used in this subsection, "governmental decision" means a determination, action, vote, or disposition upon a motion, proposal, recommendation, resolution, ordinance, order, or measure on which a vote by members of a local legislative or governing body of a public entity is required and by which a public body effectuates or formulates public policy.

History: 1968, Act 317, Eff. Sept. 1, 1968;—Am. 1981, Act 100, Imd. Eff. July 15, 1981;—Am. 1982, Act 207, Imd. Eff. July 1, 1982;—Am. 1984, Act 81, Imd. Eff. Apr. 18, 1984;—Am. 1984, Act 184, Imd. Eff. July 3, 1984;—Am. 1997, Act 145, Eff. Mar. 2, 1998

Compiler's note: Section 191 of Act 227 of the Public Acts of 1975 repealed MCL 4.401 to 4.410, 168.901 to 168.929, 15.321 to 15.330, 15.301 to 15.310, and 15.341 to 15.348. The Michigan Supreme Court, however, in Advisory Opinion on Constitutionality of 1975 PA 227, 396 Mich. 123, 240 N.W.2d 193 (1976), held Act 227 of the Public Acts of 1975 unconstitutional for being in violation of Mich. Const., Art. 4, § 24.

15.323a Construction of MCL 15.322.

Sec. 3a. Section 2 shall not be construed to do any of the following:

(a) Prohibit public servants of a city, village, township, or county with a population of less than 25,000 from serving, with or without compensation, as emergency medical services personnel as defined in section 20904 of the public health code, 1978 PA 368, MCL 333.20904.

(b) Prohibit public servants of a city, village, township, or county with a population of less than 25,000 from serving, with or without compensation, as a firefighter in that city, village, township, or county if that firefighter is not any of the following:

(i) A full-time firefighter.

(ii) A fire chief.

(iii) A person who negotiates with the city, village, township, or county on behalf of the firefighters.

(c) Limit the authority of the governing body of a city, village, township, or county with a population of less than 25,000 to authorize a public servant to perform, with or without compensation, other additional services for the unit of local government.

(d) Prohibit public servants of this state from purchasing at a tax sale lands returned as delinquent for taxes under the general property tax act, 1893 PA 206, MCL 211.1 to 211.155, unless otherwise prohibited by the rules of the Michigan civil service commission or the department or agency of which that public servant is an employee.

(e) Prohibit a superintendent of an intermediate school district from serving simultaneously as

superintendent of a local school district, or prohibit an intermediate school district from contracting with another person to serve as superintendent of a local school district, even if the local school district is a constituent district of the intermediate school district. As used in this subdivision, "constituent district" means that term as defined in section 3 of the revised school code, 1976 PA 451, MCL 380.3.

History: Add. 1992, Act 9, Imd. Eff. Mar. 10, 1992;—Am. 1996, Act 203, Imd. Eff. May 17, 1996;—Am. 2011, Act 106, Imd. Eff. July 19, 2011.

15.324 Public servants; contracts excepted; violation as felony.

Sec. 4. (1) The prohibitions of section 2 shall not apply to any of the following:

(a) Contracts between public entities.

(b) Contracts awarded to the lowest qualified bidder, other than a public servant, upon receipt of sealed bids pursuant to a published notice. Except as authorized by law, the notice shall not bar any qualified person, firm, corporation, or trust from bidding. This subsection shall not apply to amendments or renegotiations of a contract nor to additional payments made under a contract which were not authorized by the contract at the time of award.

(c) Contracts for public utility services where the rates are regulated by the state or federal government.

(d) Contracts to purchase residential property. A public servant of a city or village may purchase 1 to 4 parcels not less than 18 months between each purchase. This subdivision does not apply to public servants of a city or village who have been appointed or elected to their position or whose employment responsibilities include the purchase or selling of property for the city or village. This subdivision shall apply only to a city or village that has adopted an ethics ordinance which was in effect at the time the residential property was purchased.

(2) A person that violates subsection (1)(d) is guilty of a felony punishable by imprisonment for not more than 1 year or a fine of not less than \$1,000.00 or more than 3 times the value of the property purchased.

Strategic Plan.

Q4 2024

2024-2026 Strategic Goal:

Celebrate distinctive communities by proactively prioritizing meaningful partnerships and patron relationships, finding commonalities with our neighbors and intentionally connecting resources.

2024 Initiative #1

Community Partnership Evaluation

Evaluate community partnerships by accessing data to establish reciprocity and shared goals, develop a partnership intake process and prioritize relationships and partnerships at the branch and system levels to reveal where there may be gaps or overlaps. Create “Who is My Community” sheet and map for each branch so key partnerships are highlighted and communicated.

2024 Q4 Update

On Track **Paused/Delayed** Canceled Completed

This project, originally slated as a strategic initiative for 2024, was paused due to the transition of the Manager of Community Engagement role. Now as 2025 approaches, the project is ready to resume and our new Community Engagement Manger, Craig Buno is excited to lead this initiative.

This project will kickoff in January and will address the current lack of an established method for evaluating and prioritizing community partnerships. By leveraging data, the team will identify gaps and overlaps within our community partnerships and develop a partnership intake process.

We are excited to see this initiative position KDL to be more strategic and impactful in 2025 and beyond!

2024-2026 Strategic Goal:

Celebrate distinctive communities by proactively prioritizing meaningful partnerships and patron relationships, finding commonalities with our neighbors, and intentionally connecting resources.

2024 Initiative #2

Assess each in-branch experience to optimize engagement opportunities and to encourage gathering as well as one-on-one engagement between patrons, and between staff and patrons. Find ways to make the branch a destination.

The In Branch Experience project continues to make great strides in transforming creative ideas into actionable experiences for our branches. In October, the team brought a touch of festive fun to KDL with a highly engaging pumpkin decorating contest. Sixteen locations participated, showcasing over 100 pumpkins in the competition. The final round of voting on Facebook saw exceptional engagement, with posts reaching over 20,000—double the KDL average within the first 24 hours—and receiving hundreds of likes and reactions. On Halloween, Gaines Youth Librarian Jordan Perkins, was crowned the ultimate pumpkin champion for her inventive “Wild Robot” pumpkin.

In November, the team assessed the project’s progress and requested an extension to February 17 to ensure the guide’s quality and the effectiveness of staff training. The PMO approved this extension, and the team has since focused on organizing the collected ideas into a comprehensive In-Branch Experience guide. This guide will provide tools and tips to help craft engaging experiences, such as decorated book drops, adult coloring tables, monarch caterpillars and poetry magnet boards. It will also include a procedure to align branch efforts and address common questions. In anticipation of the project’s completion, the team is working closely with MarCom and the Services advisory group to finalize details and promotion of these experiences.

Strengthening Community

2024-2026 Strategic Goal:

Proactively explore evolutions in the ever-changing technological landscape to optimize resources, enhance service and embrace education on adoption.

2024 Initiative #1

Get acquainted with the esport and gaming community to better understand where the library is best positioned to take steps toward providing access as well as creating opportunity regarding gaming educational curriculum, programming and spaces to accommodate. Develop a testing lab at the KDL Service Center and determine where the first esports branch lab will be.

The second and final phase of the 2024 esports project concluded ahead of schedule in November. Both Kelloggsville and Kentwood launched successful, cutting-edge gaming labs that now host egaming and esports programs that are already making an impact in the community. For instance, Kelloggsville High School's esports team, previously challenged by the need to practice at home with personal equipment, now has access to a dedicated practice space outfitted with top-tier technology. Coaches and students are geared up for their competitive season and we are eager to see how their team performs.

This second phase provided valuable insights, allowing the project team to test egaming programs, document lessons learned and establish a streamlined process for future gaming labs at KDL. As 2025 approaches, expanding esports and operationalizing how we approach these programs will be a strategic initiative. Conversations with the Programming department and related workgroups are already underway to explore esports offerings to spring and summer programs. With this initiative complete, KDL is positioned to continue expanding its esports presence strategically building momentum and fostering connections within the community.

Technology

2024-2026 Strategic Goal:

Proactively explore evolutions in the ever-changing technological landscape to optimize resources, enhance service and embrace education on adoption.

2024 Initiative #2

Invest in technologies to further streamline operational processes to reallocate staff time to better serve and connect with patrons. Conduct a time study and create a detailed time reallocation plan to ensure systemwide priorities remain aligned.

All aspects of this initiative have been successfully completed, with a close-out meeting held in December. The second round of data collection was compiled and will help guide future decision-making and service improvements. Conducting time studies across 20 branches presented challenges due to variations in branch processes, but the findings reveal notable efficiencies achieved—particularly in larger branches. These efficiencies align with the shelver reduction plan, as the bulk of time savings are being directed toward absorbing shelving tasks.

The sorter system has proved to be a valuable addition to KDL, with both quantitative and anecdotal data demonstrating improvements in efficiency for both branches and Collection Services. Staff have reported that the updated process is much more streamlined, freeing up time to focus on assisting patrons and managing other branch tasks. Collection Services also experienced increased efficiency, enabling the team to keep pace with processing new materials and handling MELCAT processing.

The Central Sorter (also known as “The Big Green Monster”) has cut delivery processing in time in half!

Technology

2024-2026 Strategic Goal:

Strategically focus efforts on defining and providing exciting, valuable core programming that gives people access to experience and invites further exploration of KDL's services and spaces.

2024 Initiative #1

Hold a galvanizing community read program (On the Same Page) to engage current patrons and, more importantly, attract new people in our service area to KDL with all the library has to offer. In addition, focus on events that are guaranteed to bring our community together and find commonalities.

2024 Q4 Update

On Track Paused/Delayed Canceled **Completed**

The 2024 event was a huge success & much of the planning to operationalize this core program and make 2025 a hit is underway. Hennie Vaandrager continues to work with her team to establish On the Same Page as a signature KDL program. In November, we officially announced to the public the featured speakers and their books: *Martyr!* by Kaveh Akbar and *Wandering Stars* by Tommy Orange on Wednesday, April 30. We were especially excited to secure these speakers, as they were personally recommended by 2024 On the Same Page speaker, Ann Patchett, who even created a [promotional video](#) for KDL to use to reveal the guest authors to the public. Physical and ebooks of these titles are circulating at high volumes, and there is enthusiastic engagement across the community for these selections and the event.

We are thrilled to see On the Same Page solidify into a program that addresses the loneliness epidemic in both big and small ways, fostering connection across our community.

Core Programming

2024-2026 Strategic Goal:

Strategically focus efforts on defining and providing exciting, valuable core programming that gives people access to experience and invites further exploration of KDL's services and spaces.

2024 Initiative #2

Revamp the Mission: Read! program or create a replacement school-aged program to address third grade reading deficits. Focus on creating a timely, achievable and sustainable program to go in effect fall 2024. Leverage and strengthen school partnerships and market to students who are especially vulnerable.

The Legendary Readers program continues to gain momentum through in-branch promotion and outreach visits across the KDL service area. In October, the team developed promotional "Nessie Heads" to file among the books to help spread awareness of the program as patrons browse the stacks. These, along with prize bookmarks and stickers, were delivered to branches in December to cross-promote with Let It Snow.

"Nessie Heads" were placed in books for children to discover and learn more about Legendary Readers

January will mark a significant milestone for the project as prize pick-up season officially begins. Staff at all branches have received training to log completers in Beanstack and the project team is optimistic that aligning the prize pickup process for both Let It Snow and Legendary Readers will maximize participation and encourage cross-program promotion engagement among families.

Prize bookmarks have been sent to branches for completers to pickup starting in January

The remainder of the project for 2025 will focus on data and assessing participation and any small changes needed for the upcoming year.
