## Regional Manager I Kurt Lardie gave an update:

- Lardie welcomed the board, staff and guests to the Englehardt Branch, where he has been Regional Manager I since 2023. He also included the Alto Branch and the Grattan Twp. Express Library in his comments. He shared the following:
  - The goal was to expand programming at the branches, and they successfully achieved this with noticeable increases in participation.

- Community Outreach moved from Boulder Ridge Wild Animal Park (Alto) to Alto Meadows Community with improved interaction with Kent County residents. Crafts, S.T.E.A.M tubs and manipulatives are offered.
- Partnership with Lowell Area Arts Council during the Summer Sizzling Concerts.
- Gather to Grow program shows marked increases as Flat River Outreach Ministries (FROM) no longer offers summer lunches.
- Offered thanks to several staff members who help promote and take action in community outreach. (Cathy G. and Maddie B.)
- Discussion concerning the Express Library in Grattan Township. Thoughts included should an outdoor machine be used (Erlewein) and how success can be determined (Dykhuis). Leadership responded that the Grattan community is very pleased with the services, Storytimes and programs offered. The idea of an outdoor machine was considered and found to be quite expensive.
- Tazelaar asked Lardie to describe the communities he manages. Lardie responded that Alto is small where everyone knows everyone, and the library is the center point of interest. Lowell is busy and friendly with well recognized patrons and staff interactions.

### 5. FINANCE REPORTS - June 2025\*

Finance Manager Emily Whalen gave a brief overview of year-to-date financials:

- At the end of June, the cash and investment position were \$26.5 million, an increase of approximately \$3.5 million from the same time in 2024. This month's figures include a bequest from the Stevenson Estate of just over \$225,000, designated for the Collections department and the Comstock Park branch. The organization is now holding just over \$1 million in restricted funds from donors to the KDL system, with investment returns remaining very strong.
- Revenues to date are \$29.3 million, or just over 95% of the annual budgeted amount.
   Major sources of revenue have been received, except for Penal Fines (expected in August), the second half of state aid \$240,000 (July and August), and the personal property tax reimbursement from the state of Michigan (October). Overall revenues have increased by \$2.3 million from 2024, with property taxes up by \$2.1 million and investment earnings up by \$242,000.
- Expenditures through June are \$13.9 million, or 45% of the annual budgeted amount. Overall expenditures have decreased by \$1.3 million from 2024. Significant differences include Collections expenditures (\$595,000 due to timing), Contractual and Professional Services (budgeted less due to negotiated/bid rates on tech services and

- discontinuance of some services, including a \$148,000 savings on e-rate), and Capital Outlay (due to projects completed in 2024).
- A thorough review of the budget to date indicates a favorable position for the year.
   Therefore, a budget amendment is not anticipated until November. However, results will continue to be monitored, and an amendment will be proposed if necessary before then.
- Disbursements over \$50,000 for the month included:
  - o OverDrive: \$224,500 for electronic collection materials
  - Midwest Tape: \$132,093.54 for collection materials (total for June: \$137,457.89)
  - o Baker & Taylor: \$54,150.04 for collection materials (total for June: \$69,875.19)
  - Ingram Library Services: \$50,168.69 for collection materials (total for June: \$98,010.92)
- Health insurance disbursements for the month were:

Consociate: \$129,565.73Priority Health: \$4,333.11

The Board members asked questions. The staff responded.

<u>Motion</u>: Gilreath-Watts moved to receive and file the June 2025 finance reports as presented.

**Support:** Supported by Erlewein.

**RESULT: Motion carried.** 

## 6. DIRECTOR'S REPORT - June 2025

Executive Director Werner shared updates with the Board regarding recent developments within the organization.

- Werner shared that he attended the ALA Conference in Philadelphia at the invitation of
  the Kline Foundation. Together with City of Walker Mayor Gary Cary and the Director
  of the Cedar Rapids Public Library, we presented a well-received session titled
  "Priority One: Local Government Engagement." Our panel was even featured in Library
  Journal in an article titled "Civic Lessons: Building Strong Relationships with Local
  Government," which explored strategies for fostering and sustaining effective
  partnerships between public libraries and municipal governments.
- Hosted International visitors from Ukraine via U.S. Dept of State. Included tour and discussion of library practices.

- The Talking Book and Braille Center received the National Library Service Award. Michelle Roossien (Accessibility & Inclusion Specialist) and Morgan Hanks (User Experience Manager) will travel to Washington D.C. to receive the award.
- In response to growing concerns about food insecurity in our community, we engaged
  with Congressman Moolenaar and local councils to foster support and collaboration.
   In 2024, our Gather to Grow initiative distributed over 10,000 meals, making a
  significant impact on families in need.
- Book distribution affected by Baker & Taylor financial difficulties.
- Director of Engagement Randy Goble stated that two branches operated under capacity (building and remodel), but Summer Wonder numbers are on track.
- The Cascade Township Branch ribbon cutting is scheduled for Wednesday, July 23.

The Board members asked questions. The staff responded.

#### 7. OLD BUSINESS

A. Policy Manual Section 1 - Collection and Reference\*

<u>Motion:</u> VerHeulen moved to approve the Policy Manual Section 1 – Collection and Reference as presented.

**Support:** Supported by Moyer Hotz.

**RESULT: Motion carried.** 

#### 8. NEW BUSINESS

## A. Policy Manual Section 2 - Circulation\*

The Board will have a second reading of the Policy Manual for Section 2 – Circulation as presented. Cooper presented the need for policy edits regarding teacher cards. In summary, the project was proposed five years ago, but the cards were still categorized as pilot cards. Therefore, no fines or bills for lost books were applied. In research, it was discovered that a new protocol was needed to clarify usage and expectations. The new policy would allow teacher cards to be issued with school identification and used for professional, not personal materials. A threshold of less than \$200 in billed items would be established.

## B. Second Quarter Strategic Plan and KPI Review

Director of Projects and Planning Jaci Cooper gave a Second Quarter Strategic Plan and KPI Review Update.

Cooper shared that 100% of the projects are on time and gave accolades to Kelsey Little (PMO Administrative Assistant) for keeping managers on track.

Initiatives being discussed include:

- School Outreach Menu how to meet the needs and advantages of schools. Will be led by Cooper, Morgan Hanks (User Experience Manager), Rochelle Ball (Systems Librarian Analyst) and Julie Ralston (Branch Outreach and Programming Specialist).
- Community Mapping led by Craig Buno (Community Outreach Manager) focus on regional outcomes, opportunities, partnerships and concrete ways to use data.
- Tech Tutoring defines what an appointment will offer with parameters, set up in Microsoft Bookings.
- E-sports and Switch tournaments have been growing in popularity.
- Core Programs next Project Charter led by Hennie Vaandrager (Manager of Outreach and Programming). This will help establish core programs that will include how to define, train, promote, budget and set goals.

The Board posed inquiries to the staff, and the staff provided responses.

Board of Trustees Kent District Library 814 West River Center Dr. NE Comstock Park, MI 49321

Dear KDL Board of Trustees:

I am writing to request approval for the Cascade Library to remain open beyond our regular closing time on October 24<sup>th</sup> to accommodate a special library program. The event, titled Soiree in the Stacks is scheduled from 6:00pm to 8:00pm and we anticipate strong attendance from the community and library lovers throughout the state.

This program is designed to build community among readers who enjoy fantasy and romance genres, promote our physical collection, and encourage participation in Stampworthy and Let It Snow. By creating engaging, interest-driven programming, we are able to connect with new and returning patrons, highlight the depth of our resources, and encourage continued participation in library initiatives.

Staff and volunteers will be in place to ensure smooth operations. The proposed extended closing time is 8:00pm. We believe this event is a valuable opportunity to strengthen community connections and further our strategic goals. Thank you for your consideration.

Sincerely,

Lulu Brown

KDL Board of Trustees Kent District Library 814 West River Center Drive NE Comstock Park, Michigan

Dear KDL Board Members,

I am writing to inform you of an adjustment to the operating hours of the Krause Memorial Branch of the Kent District Library. This change of hours will be in effect during the time in our temporary location at the Rockford Community Cabin [roughly January/February 2026 until December 2026] while the current building undergoes an expansion/renovation project.

In identifying our temporary operating hours, the goal was to maintain convenient open hours that include both mornings and evenings, while maintaining Saturday hours to best serve the entire community.

These revised hours will allow us to optimize staffing by minimizing overlapping shifts, which is especially important given the reduced workspace available in our temporary location.

In short, to optimize staffing and standardize branch hours, I propose that the Krause Memorial Branch operate:

#### **Current Hours:**

• Monday - Wednesday: 9:30 AM -8:00 PM

• **Thursday:** 12:00 PM – 8:00 PM

• Friday & Saturday: 9:30 AM – 5:00 PM

## **Temporary Location Hours:**

• Monday, Wednesday, Friday and Saturday: 9:30-5:00 PM

• Tuesday & Thursday: 12:00-8:00 PM

I have spoken with the City Manager, Thad Beard, regarding the proposed hours of operation and he is supportive of this plan. Thad did express gratitude that we will maintain both morning and evening options available to the public.

Thank you for reviewing these as I believe that this adjustment will better serve our community and make more efficient use of our resources during the Krause Branch Transition.

Sincerely,

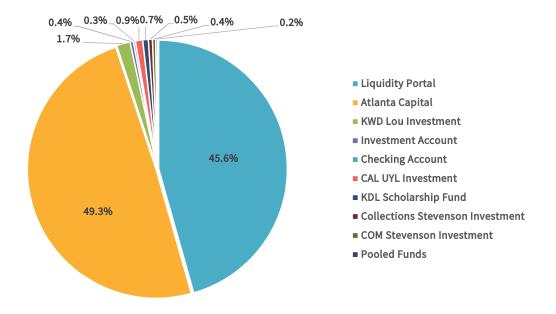

## Jennifer German

## Director's Report July 2025

## From the Desk of Lance Werner, Executive Director

It's been a busy month, but a good one. I had a great time visiting branches and have been enjoying the summer by spending a lot of time taking folks out fishing—like my friend Steve Potash, CEO of OverDrive, and Dr. William Pink, President of Ferris State University.

Jaci Cooper and I had a meaningful conversation with Al Vanderberg, Kent County Administrator about food insecurity and the possibility of creating community garden space. I also attended an incredible ribbon-cutting ceremony at our Cascade Branch to celebrate their epic remodel—it was truly inspiring to see the transformation.

I had a check-in with John Chraska, Director of EveryLibrary, where we discussed emerging issues and strategy. On top of that, I've been busy with my Board responsibilities at the Children's Advocacy Center and was honored to be elected Interim Vice-Chair.

I also participated in a multi-day meeting as a project board member on behalf of Ithaka S+R, where we debriefed and brainstormed around building a new model for partnerships between public libraries and community colleges. That trip took me to New York—and surprisingly, I loved it.

And finally, I managed to squeeze in a non-work-related trip and went camping with my daughter. It was a much-needed and refreshing break.

## Director's Report July 2025

## **KELLOGGSVILLE + WYOMING**

Technology tutoring remains a highly valued service at the Wyoming Branch, where several librarians offer one-on-one appointments to assist patrons with a wide range of digital needs. These sessions cover topics such as applying for government assistance, using Microsoft Excel, and organizing and preserving family photographs. While public demand for support with artificial intelligence platforms has been limited, some staff members have begun integrating AI tools into their workflows to enhance productivity.

At the Wyoming Branch, efforts to bridge the digital divide are rooted in providing friendly, non-judgmental support to individuals who may face challenges due to literacy or language barriers. Many patrons rely on the library to develop essential computer skills needed to access online resources and complete important forms.

Meanwhile, at the Kelloggsville Branch, Assistant Branch Librarian Dan Nguyen continues to offer outstanding technical support to middle and high school students utilizing the gaming lab. This summer, the branch introduced a gaming leaderboard featuring a "Player of the Week." Players enjoyed the friendly competition, with winners receiving recognition on the branch's digital signage and a small prize.

## **KENTWOOD + GAINES**

At both the Kentwood and Gaines Township branches, staff offering tech tutoring do a great job of meeting patrons where they're at in terms of knowledge and comfort with technology. Some patrons arrive with a solid understanding and are looking to learn a specific skill, while many others are just beginning their tech journey. Staff take the time to listen, assess the patron's needs, and walk them through each step of the process with patience and clarity.

While there hasn't been significant demand from patrons to learn about AI tools, some staff have independently explored this area and found ways to incorporate it into their daily work. For example, staff are using AI to revise emails for clarity or streamline work.

The gaming lab at the Kentwood branch has become a favorite hangout for young patrons. They enjoy gathering with friends to play games or even just watch others play, creating a social atmosphere. This has been a great way to build community, encourage regular library visits, and provide an engaging space for youth after school hours and during breaks.

## **ROCKFORD + NELSON + SPENCER**

At the Nelson, Spencer and Krause Memorial branches, adapting tech tutoring to keep pace with AI and emerging technologies has been a collaborative and evolving effort. Staff have engaged in professional development focused on AI, expanding the tools and knowledge they bring to patron support. By fostering curiosity and a team-centered approach, staff create an environment where patrons feel encouraged and supported as they explore new technologies.

Staff at the Krause Memorial branch support patrons with tech appointments or general tech assistance at the front desk, each question posing unique challenges. Youth Librarian Kelsey Malone shared, "We see a wide range of devices and apps, and they all work a little bit differently. Therefore, listening and asking questions is essential to gauge how to best support each patron." Staff also collaborate and share their strengths to problem-solve and continuously improve service. Adult Librarian Jake Huber shared, "Becoming more familiar with AI and its capabilities has enabled staff to have a wider breadth of resources to draw from when offering tech tutoring services to patrons."

The Spencer Township library may be small, but it is one of KDL's highest circulating branches for hotspots. Patrons who do not have internet access or reliable internet access are incredibly grateful for this library resource which helps them stay connected.

Nelson Township Youth Librarian Bethany Metivier shared that part of the library's approach includes being transparent about the limitations of generative AI, especially for research purposes. In these cases, staff suggest more reliable alternatives such as the library databases. By focusing on what the patron truly needs or hopes to achieve, staff are able to guide them toward the most effective resources and outcomes.

Additionally, the Nelson Township library introduced its new esports lab this summer, which has been an exciting entry point for patrons who are new to digital spaces. This initiative has helped Nelson Township library engage a broader audience by blending fun with foundational digital literacy skills.

# **Define Core Programs**

Project Lead: Hennie Vaandrager Status: On Track - NEW **Approval Date:** 07.23.2025 **Due Date:** 03.11.2026

KDL offers a wide variety of programs that can differ significantly between branches, sometimes leading to confusion about what qualifies as a *Core* program. This project, a 2025 Strategic Initiative, aims to define both system-wide Core programs and branch-specific offerings, helping staff understand which programs to prioritize in promotion and how to communicate their unique value to patrons. A rubric and reassessment schedule will also be developed to ensure these Core programs remain relevant and continue to engage the community.

Hennie Vaandrager, Programming and Outreach Manager, will lead this initiative, with the official kickoff scheduled for August 12. The first phase of the project will focus on compiling a comprehensive list of current KDL programs, analyzing program data from previous years, and surveying staff to assess current understanding of Core programming.

# **Community Partnerships Evaluation**

Project Lead: Craig Buno Status: On Track

**Approval Date:** 12.04.2024 **Due Date:** 01.31.2026

In July, the *My Community Maps* and *Community Needs Assessment* procedure was presented to Regional Managers. Project leader Craig Buno, Community Engagement Manager, provided an overview of the project's progress to date and introduced the community map tool. Branch Outreach and Programming Specialists and Regional Managers will meet to review their region's data and complete their maps by the end of August.

The Partnership Meeting Form was updated this month to better capture partners or groups KDL interacts with, even if these meetings don't involve collaborative events or programs. The updated form will include a definition of partnership meeting, what should be counted, and what does not need to be entered. The form will also include examples, so that staff have clarity about what information should be entered - including whether or not the meeting was virtual. Project team members have started to enter their partner meetings into the form to test and refine it. Sheri Glon, Data Coordinator, reviewed census data and added updates to the Savannah Community Needs Assessment document to ensure staff will have the most accurate data available as they complete their assessments.

# **Expand Esports**

Project Lead: Kurt Stevens

Status: On Track

**Approval Date:** 01.08.2025 **Due Date:** 12.31.2025

After exploring the possibility of participating in the *Confluence* festival, KDL ultimately decided not to take part in this year's event. While the team appreciated the invitation and initial conversations, the concept for the mainstage event evolved in a direction that no longer aligned with KDL's goals for esports engagement. KDL will remain in contact with the *Confluence* team and is open to future opportunities that may be a better fit.

# **Intranet Revamp**

Project Lead: Jaci Cooper Status: On Track

**Due Date:** 11.03.2025

**Approval Date: 09.04.2024** 

On July 16, a training plan was rolled out to all KDL staff on best practices for document creation, storage and sharing using Microsoft 365. Staff will have until August 1 to complete the training and integrate these best practices into their routines. During this period, the team is preparing for subsequent tasks, such as building a prototype for departments' SharePoint sites. The goal is to ensure each department's site reflects its specific needs while maintaining consistent navigation across all sites. After discussion, the team determined to start with the

administrative site, as it is frequently used by project team members. After the current training is complete, a

communication bulletin will be developed on upcoming global permissions changes.

# **Legendary Readers**

4

Project Lead: Monica Walen

**Status:** Complete

**Approval Date:** 09.27.2023 **Due Date:** 07.31.2025

The Legendary Readers team is delighted to have closed out the program's first year, and with it, the official close of the project! The results published from the PMO rollout survey were overwhelmingly positive and offered several suggestions that will be implemented in the coming year, as the Legendary Readers program will transition to the Youth Programming Group. The goal of this project was to create a more achievable and sustainable reading program for school-age children, and thanks to the efforts of the project team, there is confidence that participation in Legendary Readers will only continue to grow.

The PMO would like to thank Monica Walen for her leadership over a nearly 2-year project, as well as her dedicated team: Alyson Cryderman, Heidi Fifield, Hennie Vaandrager, Jaci Cooper, Joyanne Huston-Swanson, Keeva Filipek, Katie Zuidema, Brad Baker and Dave Palma.

The 2025-2026 cryptid will feature Bigfoot! The program will launch in early September

# On the Same Page 2025

**Project Lead:** Hennie Vaandrager

Status: Complete

**Approval Date:** 06.01.2024 **Due Date:** 12.01.2025

On July 18, project leader Hennie Vaandrager, Programming and Outreach Manager, met with the PMO to officially close *On the Same Page* 2025. This project aimed to establish *On the Same Page* as a signature KDL tradition that brings people together through a shared love of reading year after year. Vaandrager and the project team refined all aspects of the program, including planning, promotion, registration and acquiring physical and digital copies of the authors' work. Now that the project is closed, the Adult Programming Workgroup will oversee *On the Same Page* each year.

The PMO would like to thank Vaandrager for her vision and leadership, along with her team: Randy Goble, Amber Elder, Angela Deckard, Joel Kibbe, Josh Bernstein, Josh Mosey, Katie Zuidema, Susan Erhardt, Keeva Filipek, Lauren Hagerman Tekelly, Omar Velazquez, Remington Steed, Samantha Hodge and Shelby Toren, and those who helped make the event run smoothly the night of: Michelle Rossien, Morgan Hanks, Leigh Verburg, Sheri Gilreath-Watts, Greg Lewis, Jaci Cooper, Liz Guarino and Scott Ninemeier.

## **School Outreach Menu**

Project Lead: Julie Ralston

Status: On Track

**Approval Date:** 01.29.2024

**Due Date:** 11.05.2025

The School Outreach Menu project is moving right along, and the team is happy to report that most Phase Two deliverables are either wrapping up or near completion. A sub-group of the team who focused on the menu gathered feedback from team members, BOPS, Branch Librarians and KDL board members to inform final edits on the soon-to-be-finalized menu. Work is also underway to finalize the teaching webpage on kdl.org and add promotional toolkits for KDL initiatives like Summer Wonder, Legendary Readers and Write Michigan.

Another deliverable of this project is establishing guidelines for staff for school outreach. The team developed recommended guidelines, which are under evaluation and review by management and frontline staff to ensure they are a useful resource for guiding new managers and Branch Librarians developing their outreach efforts.

# **Tech Tutoring Revamp**

Project Lead: Morgan Hanks

Status: On Track

**Approval Date:** 03.26.2025 **Due Date:** 04.01.2026

Phase One was successfully closed out and the team has begun categorizing Tech Tutor appointments by type to better understand patron needs and match them with the right staff support. Crystal Logan-Syrewicze, Branch Librarian (Kentwood), has preliminarily identified a way to tier Bookings appointments to support more effective routing, which the team is excited to explore further. Work is also underway to create an intake form to ensure the right information is collected from the start.

The team also spent time reviewing the current Tech Tutoring processes at both Kentwood and Cascade to identify practices that could inform future pilots. As part of the experimentation, the team recently hosted its first group Tech Tutor appointment with the West Michigan Therapy Dogs organization, helping their board learn how to better use Google Drive to support their mission. The team will be discussing whether this type of group appointment should be offered more broadly.

# **Teen Graphic Novel Contest**

Project Lead: Madelyn Besaw

Status: On Track

**Approval Date:** 07.17.2024 **Due Date:** 11.24.2025

To kickoff July, Josh Mosey, Digital Marketing Strategist, participated in a 10-minute interview on WZZM to promote the contest. This month, the project team began to focus on planning both the Award Ceremony and an outreach booth at <u>Grand Rapids ComicCon</u>. For the ceremony, a draft of topics for the panel discussion with judges was developed, along with a rough timeline of the event. For Grand Rapids ComicCon, the team compiled swag ideas to engage attendees.

In response to teen feedback, the team revised the wording of one frequently asked question. The original phrasing, stating that submissions should be suitable for a "general audience," was being interpreted as "kid-friendly," which discouraged some teens from submitting thematically complex or serious (but still age-appropriate) content. The updated guidance now clarifies that entries should "avoid Mature Content to remain in the spirit of a teen competition."

# **Website & Discovery Layer AI Enhancements**

Project Lead: Remington Steed

Status: On Track

**Approval Date:** 05.21.2025 **Due Date:** 04.01.2026 (tentative)

BiblioCommons hosted its kickoff meeting in July, offering more insight into the direction of the AI Assistant project. With input from three participating library systems - including KDL - BiblioCommons aims to deliver a prototype for library patrons within the next six months. The partner libraries will define and prioritize use cases, select a third-party developer to build the prototype, and provide testing and feedback throughout development. While a successful prototype would still be far from a public release, this phase marks a critical step toward identifying solutions that are both practical and beneficial. Some current use cases under consideration include: Quick response to common patron questions, natural language catalog searching, personalized recommendations, AI-generated review summaries and support with account-related tasks like holds, renewals and preferences. Many of these use cases are in early development. As the the project moves forward, KDL will continue advocating for its patrons, staff, and values every step of the way.

On July 23, 2025, the Cascade Branch of Kent District Library celebrated the grand opening of its fully renovated space with a festive ribbon-cutting ceremony. Attendees were welcomed with self-guided tours, vendor tables hosted by project partners, a collaborative community puzzle, and complimentary refreshments from local businesses. This event marked a major milestone in the renovation project, as final details are being completed. In August, the branch will see the installation of the cupola chandelier and additional bookstore shelving. Renovations to the Wisner Center will also begin and are scheduled for completion by September 5. The township continues to evaluate options for the permanent relocation of township board meetings. As part of this process, they are exploring new ways to collaborate with library staff to expand engagement opportunities through community partnerships.

Status: N/A
Due Date: N/A
Due Date: N/A

The Krause Memorial expansion/renovation project continues to move forward and plans for operating in the temporary location (Rockford Community Cabin) are beginning to take shape. Regional Manager I, Jennifer German, is working with Kim Lindsay, Interim Finance Director, and Emily Whalen, Finance Manager, to secure estimates/bids for moving and storage of the Krause collection.

Through the generosity of the Rockford Public Schools community partners, Krause will be able to offer nearly all regular weekly story programs at Parkside Elementary, now an early childhood center, beginning January 2026. Additionally, the City of Rockford has agreed to host two monthly adult book discussions, along with some presenter-led programs at City Hall.

German and Laura Youells, Regional Manager II, took measurements of the Community Cabin and are developing a plan for which areas of the current collection to relocate and which will need to go into storage. Rich Nagel, Network Systems Specialist, is in contact with the City of Rockford regarding preparing the Community Cabin for KDL's tech needs during temporary occupancy.

#### KDL Policy 2.1 Library Card Registration

LAST REVISED 9.19.24

All residents within the Kent District Library service area are eligible for a library card. Persons living outside the Kent District Library service area who pay property taxes that include payment of the KDL millage to a governmental unit within the District are also eligible for a Kent District Library card.

Library cards are non-transferable. All items borrowed are the responsibility of the individual to whom the card is issued.

Minor (under age 18) registrations may be signed by any adult (age 18 or older) willing to assume legal responsibility for library resources. Signatures indicate an acceptance of responsibility for:

- the minor's use of all library resources including access to the Internet;
- · supervision of the minor's choice of materials;
- return of all materials when due;
- all losses and damages to materials and equipment borrowed.

When a minor patron turns 18 years of age, he/she assumes responsibility for the library account bearing his/her name including all borrowed items on that account. Any bills for lost or damaged items on the card may be moved to the co-signer's card. If the co-signer does not have a card, a bill will be mailed.

Library cards will have an expiration date to update accounts as needed.

# KDL Policy 2.1.1 Cards for Visiting Students

LAST REVISED 2.16.17

High school exchange students and college students residing in the Kent District Library service area while attending high school or college are eligible for a Kent District Library card.

Such a card may be used by residents or staff of the institution at the discretion of the institution's director. The card itself must be presented to be honored. KDL will not accept personal identification in lieu of the institutional card. Institutional cards will allow remote access to electronic databases and the digital collection for demonstration purposes.

 $\underline{\textbf{Exceptions for issuing non-resident institutional cards may be made for non-profit organizations that}$ 

serve patrons within the KDL service area and are recognized as systemwide partners, with approval from the Executive Director or their designee.

The fee covers all family members in one household and each family member may be issued their own non-resident card. Residents of areas previously covered by library services overturned by a vote of the people are not eligible for KDL non-resident library cards. Non-resident cardholders will be issued full access KDL cards, allowing cardholders the same access as standard KDL service area resident cardholders, including KDL's digital collection and Michigan eLibrary (MeL) access. Exceptions to full-service usage are Lakeland Library Cooperative reciprocal borrowing privileges. Non-resident cards may only be used at the issuing library and are distinguishable from regular resident cards.

The Library Privacy Act provides that a "library record" is not subject to disclosure under the

Freedom of Information Act and may not be released or disclosed to any person without the written consent of the person identified in the record unless ordered by a court. Accordingly, Kent District Library will not release nor disclose a "library record" except as provided by the Library Privacy Act or as otherwise required by state or federal law. The Library, however, may use the "library record" for the purpose of retrieving overdue materials, collecting fines, and other library business permitted by law. A Kent District Library employee who receives a request for a public record shall promptly forward that request to the Executive Director.

## KDL Policy 2.4.1 Library Documents

LAST REVISED 5.19.16

Library documents and records (other than patron records covered by the Michigan Library Privacy Act [PA 455 of 1982]) shall be available to the public in accordance with the Michigan Freedom of Information Act (FOIA) [PA 442 of 1976] upon a request which precisely describes the exact library public records desired. The Library need not create new public records to satisfy a request, nor must the Library make a compilation, summary or report of information. Costs associated with responding to a request will be charged to the requester.

The Kent District Library Board of Trustees authorizes the Executive Director to serve as the FOIA Coordinator and to accept and process requests for public records. The Director shall report action taken on FOIA requests at the next regularly scheduled Kent District Library Board of Trustees meeting.

Upon providing Kent District Library's FOIA Coordinator with a written request that describes a public record sufficiently to enable KDL to find the public record, a person has a right to inspect, copy, or receive copies of the requested public record.

A Kent District Library employee who receives a request for a public record shall promptly forward that request to the Executive Director.

Ken't District Library may charge a fee for a public record search, the necessary copying of a public record for inspection, or for providing a copy of a public record. The Library may also require a good faith deposit from the person requesting the public record or series of public records, if the fee exceeds \$50.00. The deposit shall not exceed half of the total fee.

#### KDL Policy 2.5 Lost and/or Damaged Materials

LAST REVISED 5.19.19

Kent District Library is not required to send notices for lost or damaged materials, and failure to receive a notice does not relieve the borrower of responsibility to return materials when due.

When lost and damaged item(s) with a combined total of \$20.0140.00 or more have been on the account for more than sixty (60) days, Kent District Library will invoice the patron. Kent District Library will suspend a patron's borrowing privileges when the bills on a patron's account exceed \$20.00. A patron's borrowing privileges will be restored once the account balance is reduced to \$20.00 or under.

KDL Policy 2.5.1 Fees

# KDL Policy 3.1 Exhibits

LAST REVISED 7.18.24

Kent District Library (KDL) provides a venue for local artists/exhibitors to display visual art and artifacts to increase awareness and appreciation of history and the arts.

Suitable space for exhibits is not available at all branches. Some local governmental units may have guidelines on how and where materials are displayed in the facility, and KDL will honor those guidelines.

The Regional Manager will work with staff members (or a local community committee) to make decisions regarding the selection of materials to be displayed. In making decisions regarding the suitability of the work to be exhibited, the branch manager or his/her designee will take into consideration the use of the library by all segments of the community and all age groups. Selection priority may be given to local artists/exhibitors and those who have not previously exhibited in the library.

The exhibit space shall not be used for advertising or political purposes. The artist/exhibitor assumes all liability for the loss of, or damage to, materials on display. The library reserves the right to cancel the exhibition for any reason.

#### **KDL Policy 3.2**

KDL adheres to the principle that the Library is the an institution in our society whichthat reflects the community and is a venue for provides materials representing all points of view in all fields including political, social, and religious, no matter how controversial or objectionable these views may be to some people. To support this basic principle and to foster positive relationships within the community, this policy has been established.

In many of its facilities, <u>Many KDL maintains one or more have public</u> bulletin boards for the posting of materials, <u>as well as</u> designated areas (such as literature racks and spaces on countertops and tables) for the passive distribution of <u>printed informationliterature</u> and <u>informational tables</u>. This policy provides a guide for the use and regulation of bulletin boards and information distribution areas.

#### Bulletin Boards and Distribution Areas - Reserved for Use by KDL

In areas reserved for KDL's exclusive use, KDL posts and distributes materials:

- **1.** Related to KDL services, programs and events.
- **2.** Provided by the Friends groups of KDL.
- 3.e Provided by other governmental entities such as city and townships within the KDL service area, Kent County, state and federal governments.

#### Other Bulletin Boards and Distribution Areas

A limited number of bulletin boards and distribution areas are available within the KDL system for the posting and passive distribution of materials provided by nonprofit organizations, educational institutions and governmental agencies. In each facility, the <a href="https://branch-Regional-Manager">branch-Regional-Manager</a> (or designee) may designate specific areas as available for these purposes and must authorize all posting and distribution before it

occurs. For the display and distribution of materials in more than one library branch, requests are reviewed and considered by the KDL Marketing Communications Department. Authorization will be based on the provisions of this policy and not on the viewpoint, beliefs, or affiliations of the nonprofit group or the viewpoints expressed in the materials. Posting or distribution of any such materials in the Library does not indicate KDL's endorsement of the ideas, issues, or events promoted by those materials.

#### **Tabling (Informational Tables)**

Tabling for non-profit organizations, educational institutions or governmental agencies may be considered to provide information to the public about their services. Providing the space does not imply a Library endorsement of the tabling organization or the services they provide.

- 1. Requests to have an informational table must first be approved by the Regional Manager of the library branch, then approved by the local municipality.
- The space provided cannot be used to provide a forum for the expression of views or opinions of individuals or groups. The only purpose is to provide information about programs and services that members of the community might be interested in.
- 3. The tabling organization must provide the table and seating.
- 4. The name of the organization must be prominently displayed on the table.
- In fairness to the numerous community organizations, the Library may limit the frequency with which an organization may use the space. Organizations that provide services to the KDL service area will have priority.
- Table must be staffed by someone from the exhibiting organization and may be located outside of the library or between doorways, so it does not interfere with traffic entering or leaving the library.
- 7. Library management has the right to limit the size, location of the space and length of time that the organization has access to the space. The requirements of the Library and the municipality take precedence over those of outside organizations.
- 8. No selling or fundraising is permitted.
- 9. Neither the Library nor the Library's Board of Trustees accepts responsibility for loss or damage of materials or equipment brought in by the organization.

The following will not be accepted for tabling.

- Organizations endorsing or opposing the adoption of federal, state or local legislation.
- Organization promoting commercial products or services.

Tabling authorization is based on the provisions of this policy and not on the content, viewpoints, beliefs or affiliations of the organizations permitted to table. Failure to comply with this policy may result in denial of tabling privileges.

#### **General Rules**

The amount of bulletin board and distribution area space is varied and varies and is limited. To provide KDL visitors with the opportunity to review materials from nonprofit organizations that they might not otherwise have the opportunity to review, the following rules apply:

dated local events whose principal sponsors are nonprofit organizations. Individual KDL branches
may give priority to announcements for events scheduled to take place in a geographic area near
the library.

- **Distribution Areas** Nonprofit organizations may provide, for passive distribution only, dated materials related to their nonprofit purpose. These materials may only be displayed in the areas designated for this purpose. Passive distribution means leaving the materials with KDL staff for library visitors, if they so choose, to review and/or take with them. Passive distribution does not include verbally or visually (by means of signs, placards, etc.) encouraging library visitors to review or take any materials with them.
- **Prohibitions** The branch Regional Manager (or their designee) may decline requests to display materials due to, and not limited to:

## KDL Policy 3.5 Library Programs

LAST REVISED 7.18.24

Responsibility for library program development is vested in the Executive Director of Engagement, and such members of the staff whose job descriptions include program responsibilities. Library programs may utilize volunteers and may be developed cooperatively with Friends groups, governmental units, community organizations, and individuals. A program is any presentation given in or out of the Library (in person or by technological means) by a Library staff member or other presenter and sponsored by the Library, the Friends, or a partnership including the Library.

Library programs support the KDL mission and strategic plan. They are planned in advance to meet staffing and publicity deadlines. Library programs may require registration. Limits on the number of people able to attend may be necessary due to facility, program, performer limitations or other requirements pertaining to safety.

Library programs are funded in part by the operating budget with additional support from KDL fundraising activities, grants, contributions from the Friends, gifts, endowments and partnerships.

No individual or organization who presents a program at the library will be permitted to sell their product or services during their presentation or during their time at the library (with the exception of authors who come to speak about their books or performers who have recordings of their music). KDL requires a contract to be executed by program presenters.

Organizations or business affiliation of presenters or co-sponsoring agencies will be used by the Library in promoting programs. This does not constitute endorsement.

KDL Policy 3.6 Lost + Found Policy

LAST REVISED 7.18.24

KDL will retain valuable lost and found items at the branch location where the items are found. When possible, staff will contact the owner to inform him/her that a lost item has been found and note how long the library will hold the item.

Debit cards, credit cards, purses, identification, and wallets that are found at KDL locations will be held until the close of business on the following day. Unclaimed debit and credit cards will be reported lost and then destroyed. Unclaimed purses, wallets and identification will be turned over to local police. KDL locations that do not have local police within 10 miles will turn over purses and wallets to the Kent County Sheriff's Department within five days.

If a purse or wallet is found, staff will look through the item to identify information and call the patron, if possible, to arrange a time for pickup. ID or credit/debit cards or cash in a wallet will be put in the safe for patrons to reclaim at the desk. These items will be dated. Branches should keep them for two weeks and then hand them over to the local police.

Purses with no money, ID, or cards/cash in them should go in the lost and found.

Other valuable items, such as electronics and <u>jewelryjewelry</u>, will be held for three months. After three months, all unclaimed items will be turned over to the Kent County Sheriff's Department.

Loose money found at the library will be held until the close of business each day if the amount is less than \$20.00. If unclaimed, it will be donated to the branch's Friends group (or to KDL in the absence of such a group). Loose money in an amount of \$20.00 or more will be retained for a period of three months and then donated to the branch's Friends group (or to KDL in the absence of such a group), if unclaimed.

Non-valuable items (such as clothing) found at KDL locations will be placed in the lost and found bin at the branch where the items are found. As needed, <u>contents the contents</u> of these bins will be donated to a local charity.

# KDL Policy 3.7 Branch Library Locations

LAST REVISED 7.18.24

KDL strives to make efficient and effective use of its resources. Therefore, it is the policy of the KDL to work with local communities in locating new branch sites a minimum of four miles apart, unless justified by demographics.

## KDL Policy 3.7.1

#### **Building, Enlarging or Renovating Library Buildings**

LAST REVISED 7.18.24

KDL cooperates with all governmental units in making library materials and services available to the public in the buildings owned by the governmental units.

When library buildings are being built, expanded, or renovated, KDL will provide the same services that were provided prior to the building changes. In addition, KDL staff will work with the governmental units to provide desired changes within both KDL budget constraints and strategic plan goals. KDL must

Formatted: Font color: Red

balance the needs of the whole system while considering the desires of individual branches. Changes may include additional open hours, personnel, computers, equipment and moving expenses for KDL- owned computers, equipment and materials. If library buildings are downsized, library services will be reevaluated in conjunction with the governmental units affected.

When changes are being considered by the KDL staff or the governmental unit, KDL staff must be involved with personnel from the governmental unit in order to achieve the best possible results for all. When evaluating library facility needs, KDL staff will apply recognized state and national guidelines and standards.

Those municipalities that currently do not have a library facility in their community, but are considering building one, are encouraged to consider partnering with other communities.

## KDL Policy 3.7.2 Support for Building Projects

LAST REVISED 7.18.24

KDL staff will work with local governmental units to plan new buildings or expansions of existing buildings. Staff will advise planners, architects, and elected officials of Library needs and building requirements. In support of the expansion or building improvement efforts of local governmental units, the Marketing Communications Department will provide communications and publicity support. KDL may also provide factual informational mailings to library patrons consistent with campaign and privacy act laws. Informational mailings as well as printing and design support work will be provided as approved by the Executive Director and within budget limitations.

Michigan law forbids the expenditure of public funds to advocate a vote in favor of a millage or bond issue election. Therefore, KDL staff may not, on paid library time, work on political activities to promote millage or bond issue elections, or disseminate materials which advocate a favorable vote on a millage or bond issue election. Nothing in this policy prevents staff members, in their personal time, from expressing their own personal views, expending their own personal funds, or providing their own personal volunteer services consistent with campaign laws.

## KDL Policy 3.7.3 Acceptance of Non-KDL Technology

LAST REVISED 7.18.24

The planning and funding for future technology is the responsibility of KDL. However, KDL constituent communities, if they so desire, may donate monetary funds locally to enhance technology service to their community. These monetary funds will be used to purchase specific technologies that are either new and emerging in nature or consistent with the current year's KDL purchases for other branches.

Specific technology gifts may also be occasionally accepted if they are consistent with the current year's KDL purchases for other branches, and/or approved by KDL Information Technology Director to ensure the devices can be effectively supported and maintained by KDL staff. Any potential technology donation must be coordinated in advance of donation (and, if necessary, actual purchase) with KDL Information Technology Director. The equipment purchased by or with the approval of KDL becomes the property of KDL and its future use and ultimate disposable will be at the sole discretion of KDL.

#### KDL Policy 3.8 Meeting Room Use

LAST REVISED 7.18.24

Meeting rooms in the Kent District Library Branches are made available for use according to local governmental unit guidelines.

Programs in public meetings room must not disrupt normal Library operations and use. Persons attending the meeting are subject to all Library rules and regulations concerning behavior in the building.

# KDL Policy 3.9 Planned Closings

LAST REVISED 5.20.21

Every effort will be made to keep KDL facilities open to serve the public as scheduled. In some instances, however, building closures may be required for the maintenance and upkeep of facilities. Closures may also be necessary due to special events in the vicinity of a library building or other circumstances outside the control of KDL. All planned closings are approved by the Library Board and announced to the public with as much forewarning as possible.

# KDL Policy 3.9.1 Emergency Closings

LAST REVISED 5.20.21

Every effort will be made to keep KDL facilities open to serve the public as scheduled. Whenever a situation arises that, in the judgment of the branch manager or his/her designee, jeopardizes anyone's personal safety or well-being, the building may be closed. Such situations could include, but are not limited to: power failure, flooding, fire, vandalism, or extreme weather. In certain instances, the KDL Executive Director may close the entire system.

#### KDL Policy 3.9.2 Bereavement or Funeral Closings

LAST REVISED 4.19.19

In the event of an employee's death, arrangements may be made for staff to attend the memorial service/funeral. These arrangements may include, at the discretion of the Executive Director, closing the library branch(es) for a period of time.

### KDL Policy 3.10 Library + Personal Vehicles

LAST REVISED 7.18.24

All employees who operate company and private vehicles on KDL business, as well as employees who are subject to perform any driving duties as assigned must have a valid Michigan driver's license, proof of insurance (if driving their own vehicle) and obey state laws while using KDL and personal vehicles. State Motor Vehicle Records (MVRs) will be obtained and utilized as the source of verifying driver history. MVRs will be obtained and updated by the State of Michigan through subscriptions services to comply with KDL's insurance provider guidelines. KDL will obtain written authorization from employees who drive for regular KDL business. Major violations on the employee record may prohibit an employee from driving on KDL business. Smoking, using e-cigarettes, vaping, or chewing tobacco is prohibited in the KDL vans and Bookmobile. Use of cell phones, taking calls, making calls or texting, is prohibited while driving KDL vans or Bookmobile.

## KDL Policy 3.11 Building Safety

LAST REVISED 7.18.24

KDL is concerned about the health and welfare of all employees. Therefore, it is the policy of the KDL that no employees work alone at any KDL branch during all open public access hours. Staff scheduling must be arranged in such a way to ensure that there is always a minimum of two Library employees in the building.

## KDL Policy 3.11.1 Keys to Buildings

#### **KDL Policy 4.6**

Reinstatement After Suspension

[Date of Adoption]

Patrons who have had their library privileges suspended for one year or longer must first meet with a Regional Manager before they may have their library privileges reinstated. This reinstatement policy will apply regardless of the nature of the policy violation that led to the patron's suspension, and it will apply regardless of whether the patron appealed their suspension to the Library Board.

During the meeting, the Regional Manager will review the KDL Library Patron Responsibilities statement and related KDL Policies with the patron. Further, the patron must sign a Reinstatement Agreement before their privileges will be reinstated. Once the patron has signed the Reinstatement Agreement the patron will be placed on a 90-day probationary period. Any policy violation during the probationary period will result in the patron's library privileges being again suspended for one year.

The patron's privileges will remain suspended until the meeting is completed, and the patron has signed the Reinstatement Agreement.

After the probationary period has elapsed, any further policy violations will be handled in accordance with KDL's standard progressive discipline processes.
